Volume 1 Marcus M. Cornelius, 2009-02 The sopolyrimu songs poems and lyrics for music are inspired by the fragility of the human predicament the struggle to maintain a meaningful integrity and lightness of spirit the exquisite fineness of being alive and the visions of the world inner and outer one is obliged to look at or be affected by Equally the sopolyrimu arise from the search for love the experience of love and the loss of love They are written to celebrate the joys and ugliness of the never ending stream of life in which we move sometimes at a total loss sometimes close to bliss but always feeling something if we allow ourselves to feel and ask questions of our feelings and feel grateful In this sense they are all love s songs to love with love from love One of the sopolyrimu in this Volume is called Begun is done Given the pattern of life repetition is inevitable There s always another chance until all the cards have been played Each time the intention the content of the intention builds or diminishes momentum and content accumulates through repetition for better and worse adding a dash or a dose of sugar or salt acid or salve It all adds up Begun is done Consciousness is everything in the end at the start One says I did not realise One does not want to say I did not realise my self In that spirit begun is done May you be blessed by the self you realise The most frequent comment about these sopolyrimu is that they are curiously healing powerful potent and pertinent and demand and reward full attention Loki: A Paranormal Protector Tale Demelza Carlton, When graduate Aussie archaeologist

Bangkok Busted William John Stapleton, 2013-04 The unique enterprise A Sense Of Place Publishing has just released its newest publication *Bangkok Busted You Die For Sure* This is a deeply personal story by author William John Stapleton on the fallout after he wrote a book about being robbed lied to and deceived by one of the city's go go boys and the subsequent personal distress and widespread public ridicule he endured Few foreigners are crazy brave or stupidly insane enough to tell their often embarrassing and humiliating stories of falling for the practiced love lies peddled to them by Thai sex workers Such stories have resulted on the heterosexual side of the ledger in books such as *My Private Dancer* and *Confessions of a Bangkok Private Eye* In the author's case he wrote *The Twilight Soi* a book which made him a reviled figure by the Thai public who swallowed the lie that the book was an insult to Thailand to its culture and to its sex workers It is not and was never intended to be any such thing Most people in Asia cannot imagine why anybody would write a story admitting to their own stupidity and misguided conduct in falling for the I love you very much I miss you very much patter of their prostitutes either male or female Stapleton says For a start I first wrote the *Twilight Soi* and now *Bangkok Busted You Die For Sure* because painters paint builders build and writers write and that's what do The story I related is so bizarre that I would not have believed it if it had not happened to me The Thais were outraged that a foreigner as imperfect as myself should object to being robbed cheated and publicly ridiculed But I wanted to tell this story partly because I did not want what happened to me to happen to anyone else These men often make easy prey They are lonely they are out of their own comfort zones and away from the spying eyes of friends family and work colleagues often are without obligations of work or children for the first time in their lives and run off the rails in the torrid atmosphere of Asia and its bars They often enough end up suiciding
