Cullick, 2000-04-01 From his first published book to his last works Robert Penn Warren wrote novels poetry biographies and essays based on the lives of American historical figures Even some of his critical texts take a biographical approach to their subjects In Making History the first comprehensive survey of Warren s biographical narratives Jonathan S Cullick tracks a clear development toward autobiography in Warren s career By applying narrative theory to that provocative trend he then makes an intriguing discovery Warren s discourse techniques dramatize his philosophy of history and ethics Cullick unearths what might be called the narrative syntax of Warren s historical vision in which genre becomes vital in the attempt to reconcile American past and present Making History considers all of Warren s

major biographical narratives and their evolvment from detached reporting to doubtful self examination It offers a new reading of Warren s famed novel All the King s Men and close examination of several neglected texts including Warren s first book John Brown The Making of a Martyr his essay The World of Daniel Boone and two of his final works Jefferson Davis Gets His Citizenship Back and Portrait of a Father **Robert Penn Warren** ,1976 **Robert Penn Warren and the American Imagination** Hugh Ruppersburg,1990 The myth of America the gap between American ideals and the actualities of American life is a central and controlling metaphor in the works of Robert Penn Warren Ranging across Warren s distinguished sixty five year career Robert Penn Warren and the American Imagination identifies the concerns that stem from Warren s vision of American history as a struggle to restore the lost ideals of the founding fathers and shows how they resonate through his writings From his 1928 biography of the abolitionist John Brown to the late poems of Altitudes and Extensions Warren returned again and again to themes related to democracy regionalism personal liberties individual responsibilities minority relations and above all the loss of ideals Ruppersburg initially focuses on Warren s expression of these themes in three major narrative poems Brother to the Dragons portrays slavery in all its horror and its consequences for Jeffersonian idealism Audubon A Vision extols the power of imagination in one man s quest to assert an American identity in the wilderness and Chief Joseph of the Nez Perce regards the victimization of Native Americans and their exclusion from traditional versions of American history as evidence of flaws in the founding vision In his nonfiction works Segregation and Who Speaks for the Negro Warren depicted the civil rights movement as a struggle for identity and individualism Ruppersburg traces the development of Warren s attitudes arguing that his support of the civil rights movement paradoxically stemmed from agrarianism which by the 1950s meant something very different to him from the agrarianism of I ll Take My Stand In addition Warren hoped that the civil rights movement would restore some of the nation s original revolutionary ardor and idealism The book closes with an examination of Warren s views on the future of democracy and the individual in a world dominated and threatened by science and technology Looking particularly at The Legacy of the Civil War Democracy and Poetry and the poem New Dawn Ruppersburg concludes that Warren was skeptical about our prospects for survival Still through his advocacy of the arts and the primacy of the individual Warren affirmed the values that he believed would help Western culture to endure Robert Penn Warren sought to explore the meaning of the American experience to validate the promise and the dangers of American ideals and to urge the nation to take stock of itself and struggle for control of its fate in history Through this obsessive search for America s identity Ruppersburg demonstrates Warren affirmed his own position as one of the most accomplished and significant of modern American writers *Robert Penn Warren, a Reference Guide* Neil Nakadate,1977 Robert Penn Warren, Shadowy Autobiography, and Other Makers of American Literature Joseph R. Millichap,2023-08-18 Toward the end of his career Robert Penn Warren wrote It may be said that our lives are our own supreme fiction Although lauded for his writing in multiple genres Warren never wrote an

autobiography Instead he created his own shadowy autobiography in his poetry and prose as well as his fiction and nonfiction As one of the most thoughtful scholars on Robert Penn Warren and the literature of the South Joseph Millichap builds on the accepted idea that Warren s poetry and fiction became more autobiographical in his later years by demonstrating that that same progression is replicated in Warren s literary criticism This meticulously researched study reexamines in particular Warren s later nonfiction in which autobiographical concerns come into play that is in those fraught with psychological crisis such as *Democracy and Poetry* Millichap reveals the interrelated literary genres of autobiography criticism and poetry as psychological modes encompassing the interplay of Warren s life and work in his later nonfiction He also shows how Warren s critical engagement with major American authors often centered on the ways their creative work intersected with their lives thus generating both autobiographical criticism and the working out of Warren s own autobiography under these influences Millichap s latest book focuses on Warren s critical responses to William Faulkner John Crowe Ransom Herman Melville Nathaniel Hawthorne John Greenleaf Whittier and Theodore Dreiser In addition the author carefully considers the black and female writers Warren assessed more briefly in *American Literature The Makers and the Making* Robert Penn Warren *Shadowy Autobiography and Other Makers of American Literature* presents the breadth of Millichap s scholarship the depth of his insight and the maturity of his judgment by giving us to understand that in his writing Robert Penn Warren came to know his own vocation as a poet and critic and as an American
