2023 The most joyously exciting novel I've read in years The sense of fun and adventure allied to a remarkable lightness of touch over nightmarish subject matter makes for the kind of novel that inspired me to write fiction in the first place Chris Brookmyre Mesmerising macabre and murderously funny The Botanist is M W Craven at his sinister best I couldn't love this series more Chris Whitaker I swear I'm one bad mood away from calling it black magic and going home Detective Sergeant Washington Poe can count on one hand the number of friends he has And he'd still have his thumb left There's the insanely brilliant guilelessly innocent civilian analyst Tilly Bradshaw of course He's known his beleaguered boss Detective Inspector Stephanie Flynn for years as he has his nearest neighbour full time shepherd part time dog sitter Victoria And then there's Estelle Doyle It's true the caustic pathologist has never walked down the sunny side of the street but this time has she gone too far Shot twice in the head her father's murder appears to be an open and shut case Estelle has firearms discharge residue on her hands and in a house surrounded by fresh snow hers are the only footprints going in Since her arrest she's only said three words Tell Washington Poe Meanwhile a poisoner the press have dubbed the Botanist is sending high profile celebrities poems and pressed flowers The killer seems to be able to walk through walls and despite the advance notice he gives his victims and regardless of the security measures the police take he seems to be able to kill with impunity For a man who hates locked room mysteries this is going to be the longest week of Washington Poe's life Another classy thriller from the king of Cumbrian crime Paul Finch Unputdownable gripping clever and with a rich seam of trademark Craven humour running through it Imran Mahmood A sinful treat Vaseem Khan Fast furious and utterly enjoyable Keith Nixon **Guilty as Charged** J. R. Roberts, 2004 A simple case of self defense turns Clint Adams into a wanted man Peace loving Waylon City would rather hang a man than waste time on a trial That means the Gunsmith is on the run until he clears his name or taking a long drop from a short rope Original *The Black Widows of the Eternal City* Craig A. Monson, 2020-09-21 The Black Widows of the Eternal City offers for the first time a book length study of an infamous case c l bre in seventeenth century Rome how it resonated then and has continued to resonate the 1659 investigation and prosecution of Gironima Spana and dozens of Roman widows who shared a particularly effective poison to murder their husbands This notorious case has been frequently discussed over 350 years but the earliest writers concentrated more on fortifying their reading constituency's shared attitudes than accurately narrating facts Subsequent authors remained largely content to follow their predecessors or keen to improve upon them Most recent writers and bloggers were unaware that their earlier sources were generally unconcerned with a correct portrayal of real events In the present study Craig A Monson takes advantage of a recent discovery the 1 450 page notary's transcript of the 1659 investigation It is supplemented here by many ancillary archival sources unknown to all previous writers Since the story of Gironima Spana and the would be widows is partially about what people believed to be true however this investigation also juxtaposes some of the alternative facts from earlier sensational accounts with what the notary's transcript and other more reliable archival documents reveal Written in a style that avoids

arcane idioms and specialist jargon the book can potentially speak to students and general readers interested in seventeenth century social history and gender issues It rewrites the life story of Gironima Spana largely unknown until now who has dominated all earlier accounts usually in caricatures that reiterate the tropes of witchcraft It also concentrates on the dozen other widows whose stories could be the most recovered from archival sources and whom Spana had totally eclipsed in earlier accounts Most were women of a very ordinary sort prostitutes beggars wives of butchers barbers dyers lineners innkeepers the kinds of women commonly lost to history The book seeks to explain why some women were hanged only six in fact most of whom may not have directly poisoned anyone while dozens of others who did poison their husbands escaped the gallows and in some cases were not even interrogated It also reveals what happened to these other alleged perpetrators whose fates have remained unknown until now Other purported culprits about whom less complete pictures emerge are briefly discussed in an appendix The study incorporates illustrations of archival manuscripts to demonstrate the challenges of deciphering them and illustrates scenes of the crime and other important locations identified on seventeenth century bird's eye perspective views of Rome and in modern photographs It also includes GPS coordinates for any who might wish to revisit the sites *Murder at the Inn* James Moore, 2015-02-02 In which pub was the notorious murder that led to the Kray twins becoming Britain's most feared gangsters Where is the hostelry in which Jack the Ripper's victims drank How did Burke and Hare befriend their victims in a Scottish watering hole before luring them to their deaths What is the name of the pub where the Lord Lucan mystery first came to light And how did a pub become the scene of the murder that led to Ruth Ellis going to the gallows For centuries the history of beer and pubs has gone hand in hand with some of the nation's most despicable and fascinating crimes Packed with grizzly murders including fascinating little known cases as well as sinister stories of smuggling robbery and sexual intrigue *Murder at the Inn* is a treasure trove of dark tales linked to the best drinking haunts and historic hotels across the land
