

Look At A Ball Of Wool Look At

Thomas Evans (publisher.)

Look At A Ball Of Wool Look At:

Easy Peasy Lesley Glaister, 2014-12-30 A WWII vet's suicide drives his daughter to uncover his troubled past in this absorbing poignant novel from the award winning author of *Partial Eclipse* Publishers Weekly Zelda Dawkins knows her older lover Foxy is going to leave her As Zelda prays for something anything to prevent the inevitable she receives a call from her mother Zelda's father a World War II prisoner of war has hanged himself It's not what Zelda wanted It's also not unexpected Zelda comes from a family of unspoken things Foxy is hers But for Zelda her father's suicide is more than a wellspring for her grief rage and guilt It was his final escape from the screaming nightmares that kept her awake when she was young and the closely guarded secret he took to bed with him It's also stirring in Zelda memories and unanswered questions of her childhood Why did her father seem to reject her in favor of a damaged neighborhood boy named Vassil Why was he so taken with the boy's mother a prostitute How did Vassil come to be so disfigured And what happened to her father those five years in a Japanese prison camp It's time for Zelda to confront the past its legacy of cruelty and to unearth the secrets her father's and her own that have cast a shadow over her life A writer of addictive emotional thrillers as if Ruth Rendell had got hold of an A.S. Byatt novel and stripped out the digressive bits *The Independent Step* into the world of family secrets lies and whispers in the dark *The Sunday Telegraph* *Reaching Out* Pamela Nadeau, 2002 We may feel we are spiritual beings living inside physical bodies yet know that life's big challenge is to live a spiritually good life For how can we be spiritually good when life can invite us to be unloving unkind or just plain confused Is this dilemma different as we enter the 21st Century with its complex technologies and renewed threats to global survival Are there simple solutions to staying spiritually good and physically alive no matter when we live in history Or does each generation need to find its own way The author had no answers to such thoughts only more questions until the day an extraordinary entity joined her debate Hailing from an Egypt of 5000 years past and communicating through channeled material Princess Hats upset wades deep into the topic with her endearing blend of humor metaphor and compassion She wins and heals the hearts of those who read her Are we so different from our forebears Read about and experience the magical mysteries of an Ancient Sisterhood of Healing Hearts Will your 21st century heart also be healed *Evans's object lessons for infant schools* Thomas Evans (publisher.), 1888

Patty Lyons' Knitting Bag of Tricks Patty Lyons, 2022-10-11 Do you wish your knitting was better and that you had an expert knitter by your side to help you when it goes wrong Then this is the book for you Patty Lyons is an expert in all things knitting related She will help you solve all of your knitting problems from edges that won't behave to adjusting your yarn tension with the 70 hacks in *Patty Lyons Knitting Bag of Tricks* Featuring dozens of brand new how-tos and the most popular tricks from author Patty Lyons beloved advice columns this handy guide goes far beyond your typical knitting tips Knitters of all levels will discover both why and how various techniques work and improve both the look of their knitting and their command of stitches It's sure to take any knitter's skills up to the next level With more than 30K followers on social media

and name checks by everyone from the Wall Street Journal to popular television show Late Night with Seth Meyers Patty is a well known name in the knitting community This isn't like other how to knit books with basic information about casting on and how to form stitches although there is a handy how to reference section at the back for when you need a refresher this is a book about the why of knitting Not about why we knit but about why we knit the way we do By digging deeper into the why Patty doesn't just fix your knitting problems she helps you to truly understand why the yarn stitches needles tension are acting in a certain way and how to fix any issues She starts by looking at the basics and explores the anatomy of a stitch examining how this affects the look feel and shape of the finished knitted fabrics and how different knitting techniques affect the finished outcome Patty examines the problems caused by common mistakes that many knitters make without even noticing before diving into more complex knitting issues and how to trouble shoot them All of Patty's techniques and tips are illustrated with detailed step by step artworks for absolute clarity And as you'd expect from a Patty Lyons book there is a healthy scattering of humor and irreverence throughout you might take knitting seriously but you don't have to be serious while knitting NOTE This is a scalable or reflowable font ebook This improves the ebook reading experience but can lead to changes in the flow and order of text and images

Easy Knits Debbie Bliss,2002-01-17 Over 25 simple designs for babies children and adults Would you like to knit something gorgeous for a new baby but don't have weeks to spend on it Or are you relatively new to knitting and looking for a simple foolproof design that will give you great results Easy Knits is a fantastic collection of over 25 simple designs for babies children and adults Over 25 designs that are simple and quick to knit Original and fun projects designed in bestselling author Debbie Bliss's unique style for all age groups Includes everything from a baby's jacket with tie bow and booties to a belted cardigan for a toddler and an adult's Guernsey style sweater

Developments in Yarn Spinning Technologies Arindam Basu,2024-10-01 Developments in Yarn Spinning Technologies explores the recent advancements in yarn spinning technologies focusing on improving production and embracing sustainability While ring spinning remains popular newer developments in rotor spinning and natural fibre spinning systems are covered This book also addresses challenges including the circularity theory providing concise insights into the evolving landscape of yarn spinning technologies Ideal for professionals and researchers alike this book offers valuable perspectives on the industry's dynamic changes Focuses on recent developments in spinning uncovering the evolving techniques and technologies that are reshaping the yarn production industry Addresses key technological challenges providing practical insights into overcoming obstacles and staying ahead in the rapidly evolving field Delves into the distinct properties of yarns examining how technological innovations impact and enhance their characteristics for improved performance Explores sustainable practices with a focus on recycled fibre processing
