In Love With A Ghost Lee Brickley, 2022-07-30 What would you do if a ghost appeared in your bedroom every night You d probably move house as quickly as possible and hope it doesn t follow you right Well not everyone thinks the same way Some folks out there have an entirely different reaction to that situation and believe it or not hundreds of them claim to be in loving relationships with entities from beyond the grave There are those who receive regular visits from their deceased husbands and wives Many feel no need to move on or seek new partners because they are still very much in love and their spouse continues to hang around Then there are those who fall for a spirit that just happens to be haunting their home It might

sound unlikely but increasing numbers of people find themselves in this position and some even claim to enjoy acts of physical love with their phantom boyfriends and girlfriends It is well known that ghosts can send a shiver down a person's spine but what is not as well known is that some people seem to enjoy it This book features real stories from normal people in paranormal relationships About the author Lee Brickley is a paranormal investigator and author of many books on different aspects of the supernatural He regularly appears on TV shows as a ghost hunting expert and has travelled all over the world seeking out high strangeness and documenting his experiences
