Serving & Giving John-Roger, DSS, Paul Kaye, 2009-11-01 Looking at the act of giving as a way to bring greater happiness into the life of the giver as well as the receiver this insightful exploration challenges contemporary concepts of service Offering simple and practical techniques for open minded volunteering a wealth of quotes narratives and reflective pieces seek to motivate and inspire Encouraging an attitude of selflessness with positive and timely action this thought provoking guide posits that serving is a gateway to higher consciousness Comprised of brief clear chapters this perceptive meditation is easy to reference while attending the needs of others *The Shift* Hanitra N. Ralaiaisedy, 2020-01-06 Know thyself is a leitmotiv throughout all great wisdom traditions Inheriting from this principle postmodern theories regard self knowledge as the prerequisite to self actualization and social transformations While such a view is undeniably important it cannot fully represent God's justice and equity Indeed it is not given to everyone to know or just to desire to know oneself This book proposes a Christian alternative to human flourishing Shifting the paradigm of the ancient wisdom that humanistic psychologists and postmodern tools continue to rely on Christ puts the existential quest of who we are aside Instead he leads the faithful towards the actualization of their gifts transforming uncreated energies into co creative opportunities for the betterment of their communities organizations and countries regardless of who they are and how well they know themselves Christ offers the path to the kingdom of God on earth proposed in this book as the nothing from which creation emerges and in which everyone has a role to play with no exception Christ claims The kingdom of God is here choose life and self knowledge follows Do not be afraid I am with you **Hunt's Yachting Magazine**, 1858 **A Treasury of Prayers** Dinah Proctor, 2013-12-30 From the day we were born God has anchored us numerous blessings Blessings that can't be bought by money Humans are the most powerful among all other creatures The most intellectual most capable and most favoured but despite of these attributes human chooses to ignore and abuse it We tend to forget where these all come from beyond boarder lines and explore the world as if we own it Despite it all God didn't stop reminding us how much he continually give comfort to our daily lives He forgive those who are wicked and provide those who are in need His teachings to make us whole again This is what I am trying to emphasize in this book I want all of us to revisit the church To make us realize especially those who are on the wrong path of life *The Knowledge of Life* Witness Lee, 1987-06-01 In *The Knowledge of Life* Witness Lee illuminates the path that leads to life beginning with regeneration and advancing to knowing and living according to the inward sense of life *The Knowledge of Life* provides an excellent foundation for the genuine experience of Christ and a helpful introduction to Witness Lee's companion book *The Experience of Life* *Management And Leadership Of Non-profit Organisations In Singapore: A Common Language And Shared Meaning For Transformation* Caroline S L Lim, Millie Yun Su, Hock Lin Sng, 2022-05-18 Non profit organisations play a significant role in helping to build a more caring and inclusive Singapore Organisations in the non profit sector span over diverse mission and purpose from advancing education
