Loyal Disloyalty:

Loyalty and Disloyalty David Knowles, 2013-10-07 Imagine yourself transported to live with an early human hunter gatherer group of 100 or so individuals back about 250 000 years ago Think of them as similar to one of the few forager societies still in existence today As a basis for this exercise it will do for now Can you see any reason why human actions and emotional reactions to those around them in the group were likely to be fundamentally different then to our relationships now No me neither and so you and I should fit in there pretty well The theme of this book is simple enough I hope back then the Group and Loyalty to it was our whole world was everything because without it you would starve to death or be killed by predators Loyalty to the Group was everything and Disloyalty was a crime the only crime My proposition is that that same Disloyalty projected forward into the enormous groups called countries we live in today must still be the basis of most if not all crimes Therefore Loyalty and Disloyalty must also lie at the core of human morality The same feelings now as then the same reaction in you as in me we stretch out the same accusing finger you and I we point and we say that is wrong And despite all the arguments we humans have over right and wrong there is a point a split second as it were in those disagreements when we all point at the same thing at the same derivative of Disloyalty I put it to you that this same thing is nothing other than the basis of human morality all of it in every society everywhere *Loyalty and Disloyalty* Dag

Heward-Mills, 2006 Though a primary requirement of God for leaders very little has been written on this subject In this book Dag Heward Mills outlines very important principles with the intention of increasing the stability of churches So relevant and practical is the content of this book that it has become an indispensable tool for many church leaders **A Leader's**

Manual on Loyalty and Disloyalty Dag Heward-Mills, 2016-06 Proven Principles and strategies thoroughly discussed and the underlying logic behind them made transparent A valuable resource for any minister An excellent reference and practical guide An authoritative handbook to establish churches Invaluable tips for training laity to perform priestly functions Helpful hints on how to prevent church splits *The Rotarian*, 1925-05 Established in 1911 The Rotarian is the official magazine of

Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Ghandi to Kurt Vonnegut

Jr have written for the magazine *Loyalty* Bob Sorge, 2004 This book sounds a bold call for loyalty to God and to God's Davids God's Davids are leaders male and female who are safest to follow because of their unwavering passion to be intimate with Christ God is turning the hearts of fathers to the children and giving the children a heart of loyalty to the fathers Knowing the power of loyalty to produce Kingdom blessing at every level Satan has done everything in his power to give this subject a bad reputation But today's generation isn't buying it anymore Now more than ever the bride of Christ is giving her heart with intense loyalty to her Beloved and preparing eagerly for His return Get ready this book could rock your world

Loyalty to Loyalty: Josiah Royce and the Genuine Moral Life Mathew A. Foust, 2012-07-02 This work engages Royce's

moral theory revealing how loyalty rather than being just one virtue among others is central to living a genuinely moral and meaningful life Foust shows how the theory of loyalty Royce advances can be brought to bear on issues such as the partiality impartiality debate in ethical theory

Employee Loyalty Stephan Meschke, 2021-02-18 This book aims to provide a deeper understanding of the concept and negative outcomes of employee loyalty considering employees in organizations and OB theory and comparing employee experiences across both European and East Asian cultures Through an international analysis of employee loyalty within the service industry the author highlights the importance of this highly relevant but often overlooked topic to addressing practical issues such as conflict solution employee retention service mentality and work effort Building on a clear definition and evaluation of the concept of employee loyalty this book explores meaningful theoretical and practical implications of employee views of the organization working group and supervisor

The Frontier of Loyalty Yossi Shain, 2010-02-22 Paperback edition of the pathbreaking book on the role of exiles in international relations with a new foreword including material on the war in Iraq In a world increasingly shaped by transnational organizations and processes this is a timely and welcome subject and Yossi Shain provides an informative overview Rogers Brubaker Harvard University in *The American Journal of Sociology* Engrossing International Affairs Mr Shain is at his best stitching together information that hitherto had not been systematically related to analytical themes A major contribution to understanding the patterns and complexities of the politics of those at home abroad International Migration Review *The Frontier of Loyalty* is the first comprehensive and theoretically oriented study of exile politics the types of exile activity the relation to both the home and host governments and the difficulties and ambiguities of exile politics particularly the struggle for legitimacy as spokesman for the opposition at home and for recognition from the outside Juan J Linz Yale University An ingenious and sensitive analysis of political exiles as voice from without which contributes to our understanding of the transnational character of contemporary politics Aristide R Zolberg New School for Social Research Drawing upon a wide literature on contemporary political exiles Yossi Shain presents a sophisticated learned and sensible survey of their place in political life today More important his meditation on the role of exiles proves such essential political categories as legitimacy national loyalty and opposition in the modern state One test of any work of scholarship is whether it enhances our understanding of concepts that we have previously taken for granted By this measure Shain's book passes with flying colors Michael R Marrus University of Toronto
