My Name Is Yip Paddy Crewe, 2022-06-14 For readers of Charles Portis and Cormac McCarthy *My Name Is Yip* is a bold revisionist take on the Western novel set in the Georgia gold rush by a powerful debut novelist with an original voice It s 1815 in the small town of Heron s Creek Georgia when Yip Tolroy mute medical anomaly and social outcast is born His father has disappeared under mysterious circumstances so he is raised by his mother a powerful troubled independent woman who owns and runs a general store She struggles to manage his needs leaving Yip to find the means of asserting himself in an unforgiving hostile environment With the help of a retired doctor he begins to transform his life by learning to read and write his portal into the community a piece of slate and a supply of chalk And then at the age of 15 Yip s life is altered irrevocably In the space of a few days he witnesses the discovery of gold meets his faithful friend and comrade Dud Carter and commits a grievous crime Thrust unwittingly into a world of violence and sin Yip and Dud are forced to leave town and embark on an odyssey that will introduce them to the wonder and horror of the American frontier until the revelation of a secret means they must return to Heron s Creek and the fate that awaits them With its colorful description of people and places comic backbone and compelling narrator *My Name Is Yip* is a bold adventure a gripping tale of courage struggle hope and brotherhood that reckons with the seductive pull of the American South and its dark and complex histories *Wing Chun Kung Fu* Ip Chun, Michael Tse, 1998 A simple and powerful form of kung fu wing chun is ideal for women interested in the art of self defense This book covers the first form of wing chun kung fu and is appropriate for intermediate and advanced practitioners as well as beginners 130 photos ￼￼￼￼ **Master Ip Man (￼￼￼￼ Chinese-English Bilingual Edition) ￼￼** RAYMOND HO, 2023-10-03 1950 This book tells the story of the grandmaster of Wing Chun in his later years in Hong Kong weaving a tale of a twilight romance In the post war era it was not easy to establish oneself in a society that was experiencing rapid changes in various industries In the early years of the Republic of China he was a typical second generation rich kid born into wealth He lived a carefree life and never had to worry about making a living before the age of forty However in 1950 at the age of fifty seven he unexpectedly had to teach martial arts to make a living in Hong Kong This was beyond his expectations Over the course of twenty two years in Hong Kong he experienced the ups and downs of life tasting the sourness sweetness bitterness saltiness and spiciness of life and witnessed how a brave person can be reborn from the fire His first job was teaching Wing Chun at a hotel association During the difficult years the appearance of a woman from Shanghai and a chivalrous act of heroism led to an extraordinary love story of two people with a significant age difference Both of them were wanderers in the world supporting each other on the journey of life Just as they were about to start a new family they faced opposition from their disciples which strained their relationship After struggling hard they lost everything overnight and their livelihood was on the verge of collapse At this critical moment their love bore fruit but whether it brought sadness or joy was uncertain However with the support of colleagues from the Kowloon Motor Bus Company they were able

to see a glimmer of hope in their lives In the mid 1960s their two sons came to Hong Kong and in their old age they were accompanied by their three sons What more could they ask for as a gift from heaven But good times don't last forever and at this moment their companion in adversity was taken away by cancer Their twilight romance which left an indelible mark on their hearts brought forth a deeply moving story filled with both sadness and infinite sorrow Teaching Wing Chun in Hong Kong and seeing it flourish around the world they created the legend of Wing Chun *Black Belt*, 1983-06 The oldest and most respected martial arts title in the industry this popular monthly magazine addresses the needs of martial artists of all levels by providing them with information about every style of self defense in the world including techniques and strategies In addition Black Belt produces and markets over 75 martial arts oriented books and videos including many about the works of Bruce Lee the best known martial arts figure in the world **Wrath of the Dragon** John Little, 2023-09-05 NO RULES NO PROBLEM Bruce Lee remains the gold standard that all martial artists are compared to But could he actually fight World Champions in karate competition have gone on record to point out that he never once competed in tournaments Were his martial abilities merely a trick of the camera For the first time ever Bruce Lee authority and bestselling author John Little takes a hard look at Bruce Lee's real life fights to definitively answer these questions with over 30 years of research that took him thousands of miles Little has tracked down over 30 witnesses to the real fights of Bruce Lee as well as those who were present at his many sparring sessions in which he was never defeated against the very best martial artists in the world From the mean streets of Hong Kong to challenge matches in Seattle and Oakland to the sets of his iconic films where he was challenged repeatedly this is the incredible real life fighting record of the man known as the Little Dragon who may well have been the greatest fighter of the 20th century **Bruce Lee** Matthew Polly, 2019-06-04 The definitive The New York Times biography of film legend Bruce Lee who made martial arts a global phenomenon bridged the divide between eastern and western cultures and smashed long held stereotypes of Asians and Asian Americans Forty five years after Bruce Lee's sudden death at age thirty two journalist and bestselling author Matthew Polly has written the definitive account of Lee's life It's also one of the only accounts incredibly there has never been an authoritative biography of Lee Following a decade of research that included conducting more than one hundred interviews with Lee's family friends business associates and even the actress in whose bed Lee died Polly has constructed a complex humane portrait of the icon Polly explores Lee's early years as a child star in Hong Kong cinema his actor father's struggles with opium addiction and how that turned Bruce into a troublemaking teenager who was kicked out of high school and eventually sent to America to shape up his beginnings as a martial arts teacher eventually becoming personal instructor to movie stars like James Coburn and Steve McQueen his struggles as an Asian American actor in Hollywood and frustration seeing role after role he auditioned for go to a white actors in eye makeup his eventual triumph as a leading man his challenges juggling a sky rocketing career with his duties as a father and husband and his shocking end that to this day is still shrouded in mystery Polly breaks down the myths

surrounding Bruce Lee and argues that contrary to popular belief he was an ambitious actor who was obsessed with the martial arts not a kung fu guru who just so happened to make a couple of movies This is an honest revealing look at an impressive yet imperfect man whose personal story was even more entertaining and inspiring than any fictional role he played onscreen
