Manda Scott and Conn Iggulden or movies like Gladiator and Pompeii then you will love this historical series that combines adventure romance and the supernatural. Buy Killing the Hydra today and set off on an adventure that throws you headlong into the Roman Empire. Here is what readers have to say about Eagles and Dragons. Historic Novel Society Haviaras handles it all with smooth skill. The world of third century Rome both the city and its African outposts is colorfully vivid here and Haviaras manages to invest even his secondary and tertiary characters with believable three dimensional humanity. Amazon Readers Historical fiction at its best if you like your historical fiction to be an education as well as a fun read this is the book for you. An outstanding and compelling novel I would add this author to some of the great historical writers such as Conn Iggulden, Simon Scarrow and David Gemmell. The characters were described in such a way that it was easy to picture them as if they were real and have lived in the past. The book flowed with an ease that any reader, novice to advanced, can enjoy and become fully immersed. Goodreads a very entertaining read. Haviaras has both a fluid writing style and a good eye for historical detail and explores in far more detail the faith of the average Roman than do most authors. **Wings of**

FANTASY ROMANCE SERIES The Cross and the Emperor Gregory A Sweeting, 2017-06-20. This historical novel purports to take place shortly after the crucifixion of Jesus Christ by Pontius Pilate, the Roman Governor of Judea somewhere around 33 AD, after Jesus had sent His disciples into the world. He instructed them to preach the Good News of Salvation to everyone they met. Dedicated and sincere men and women rose to the occasion and often at great risk to themselves took the Gospel all over the Roman world. Drawing liberally from British folklore, actual historical legend and using some of the familiar names from The Bible, this story suggests one way that God might have ensured that the Gospel was brought to Wales and its people. As in any good novel, there are heroes and adversaries which weave the threads of the story together. The Welsh warrior Caradog ap Bran is our hero. It is imagined that he might have been joined by a couple of familiar people from the Biblical record to bring the Good News to Wales. Interposing an element of the supernatural into the story adds a layer of intrigue to the novel and proposes that we have been in an invisible spiritual battle ever since Time began. It is my prayer that The Spirit
