Luke Historian And Theologian

I. Howard Marshall

Luke Historian And Theologian:

Luke: Historian and Theologian I. Howard Marshall, 1970 The writings of Luke Luke Acts comprise over 28% of the whole New Testament even more than the extensive writings of his friend and companion Paul whose letters account for almost exactly a further 25% This fact alone emphasizes the vital importance of the Lucan corpus to a true understanding of the doctrine as well as the history of apostolic times There has been a growing awareness of the qualities of Luke as a historian and in this book Dr Marshall demonstrates that Luke s theology which he summarizes as the theology of salvation is at least of equal stature and importance with his carefully compiled history Back cover *Luke: Historian & Theologian* I. Howard Marshall, 1998-08-05 I Howard Marshall provides us with a lucid guide to Luke s theology of salvation as it is unfurled in the Gospel narrative but always with an eye on its ongoing development in the companion work Acts [Luke](#) I. Howard Marshall, 1988 Marshall provides us with a lucid guide to Luke s theology of salvation as it is unfurled in Gospel narrative but always with an eye on its ongoing development in his companion work the Acts of the Apostles **Luke the Historian of Israel's Legacy, Theologian of Israel's 'Christ'** David Paul Moessner, 2016-07-25 David Moessner proposes a new understanding of the relation of Luke s second volume to his Gospel to open up a whole new reading of Luke s foundational contribution to the New Testament For postmodern readers who find Acts a generic outlier dangling tenuously somewhere between the mainland of the evangelists and the Peloponnese of Paul diffused and confused and shunted to the backwaters of the New Testament by these signature corpora Moessner plunges his readers into the hermeneutical atmosphere of Greek narrative poetics and elaboration of multi volume works to inhale the rhetorical swells that animate Luke s first readers in their engagement of his narrative In this collection of twelve of his essays re contextualized and re organized into five major topical movements Moessner showcases multiple Hellenistic texts and rhetorical tropes to spotlight the various signals Luke provides his readers of the multiple ways his Acts will follow all that Jesus began to do and to teach Acts 1 1 and consequently bring coherence to this dominant block of the New Testament that has long been split apart By collapsing the world of Jesus into the words and deeds of his followers Luke re configures the significance of Israel s Christ and the Reign of Israel s God for all peoples and places to create a new account of Gospel Acts discrete and distinctively different than the narrative of the many Luke 1 1 Luke the Historian of Israel s Legacy combines what no analysis of the Lukan writings has previously accomplished integrating seamlessly two generically estranged volumes into one new whole from the intent of the one composer For Luke is the Hellenistic historian and simultaneously biblical theologian who arranges the one plan of God read from the script of the Jewish scriptures parts and whole severally and together as the saving script for the whole world through Israel s suffering and raised up Christ Jesus of Nazareth In the introductions to each major theme of the essays this noted scholar of the Lukan writings offers an epitome of the main features of Luke s theological thought and in a final Conclusions chapter weaves together a comprehensive synthesis of this new reading of the whole

Luke - Historian and Theologian I. Howard Marshall, 2006-01 Apart from the apostle Paul Luke is arguably the most influential force in the canon of the New Testament His Gospel and Acts occupy almost a third of the New Testament Marshall provides us with a lucid guide to Luke's theology of salvation as it is unfurled in Gospel narrative but always with an eye on its ongoing development in his companion work the Acts of the Apostles *Luke: Historian and theologian* Ian H. Marshall, 1980 *Luke* Ian Howard Marshall, 1970 Theology as History, History as Theology Scott Shauf, 2012-02-13 This monograph explores the theology of the Acts of the Apostles while taking seriously the status of the writing as ancient historiography What does it mean to speak of theology in a historiographical work How can this theology be apprehended What does this theology have to do with the overall character of the writing and with how the writing functioned for its original audience Acts 19 is both case study and source to generate the answers **A Theology of the New Testament** George Eldon Ladd, 1993-09-02 Ladd's magisterial work on New Testament theology has well served scores of seminary students since 1974 Now this comprehensive standard evangelical text has been carefully revised by Hagner to include an update of Ladd's survey of the history of the field of New Testament theology an augmented bibliography and an entirely new subject index **Dictionary of Jesus and the Gospels** Joel B. Green, Scot McKnight, I. Howard Marshall, 1992-02-18 Edited by Joel B Green Scot McKnight and I Howard Marshall this reference work encompasses everything relating to Jesus and the Gospels Establishment Violence in Philo and Luke Torrey Seland, 2021-08-30 This study tries to throw new light on both Philo of Alexandria and the scenarios involved in the violent death of Stephen and the attacks against Paul in Jerusalem as recorded in the Lukan Acts of the Apostles **Spirit Hermeneutics** Keener, 2016 How do we hear the Spirit's voice in Scripture Once we have done responsible exegesis how may we expect the Spirit to apply the text to our lives and communities In Spirit Hermeneutics biblical scholar Craig Keener addresses these questions carefully articulating how the experience of the Spirit that empowered the church on the day of Pentecost can and should dynamically shape our reading of Scripture today Keener considers what Spirit guided interpretation means explores implications of an epistemology of Word and Spirit for biblical hermeneutics and shows how Scripture itself models an experiential appropriation of its message Bridging the Word Spirit gap between academic and experiential Christian approaches Spirit Hermeneutics narrates a way of reading the Bible that is faithful both to the Spirit inspired biblical text and the experience of the Spirit among believers from book flap **Jesus of Nazareth** Gerald L. Borchert, 2011 Jesus of Nazareth is a comprehensive introduction to Jesus and the gospels for college and seminary students It begins with discussions on communication and patterns of reading the Bible before detailing the historical setting the geographical social and religious contexts during the time of Jesus such as the language and community aspects and the rabbinic literary and institutional settings that were present Next Borchert discusses the nature of the gospels before each gospel witness is treated individually to identify the particular uniqueness of the portrait of Jesus that is being presented by each author The non canonical portraits of Jesus are also introduced in order

to help readers understand the struggles which emerged in the early church Finally the significance of Jesus who is the focus of the gospels is presented After reviewing the time issues for Jesus theological concerns related to Jesus are considered such as the virginal conception and the incarnation the issues of temptation and sin the relationship of Jesus to God and the messianic consciousness of Jesus the crucial issues of the death and resurrection of the Messiah and the Church s expectation of the return of Jesus in power This important theological section concludes with discussions on the integrity of our understanding of Jesus and the very sensitive nature of proof as compared to the nature of belief Borchert weighs these matters fairly bearing in mind his own presuppositions He closes the work with suggested implications of this study in terms of doubt and rejection on the one hand and worship as well as living and witnessing to and for Jesus on the other Written with clarity and erudition this accessible introduction reflects a life time of both classroom and church experience in the teaching the Gospels

Studies in the Acts of the Apostles Rick Strelan,2020-03-12 This collection of essays is indicative of the years of research that the author has devoted to the Acts of the Apostles In a very easy style some of the intriguing episodes in Acts are understood through the lens of ancient literature and the worldview that is reflected in it The intention is to try and read them as an early Christian might have heard them even if from a modern perspective that reading appears quite strange It is hoped that the modern reader might be intrigued and even inspired to read Acts again and so to explore its strange events and people even more deeply More broadly such an exploration might lead to an appreciation that all writings that many Christians now hold as inspired and authoritative are deeply embedded in an ancient cultural context

New Testament Theology Eckhard J. Schnabel,2023-11-21 Southwestern Journal of Theology 2023 Book Award Honorable Mention Theological Studies *New Testament Theology* is a major new contribution to New Testament scholarship by renowned scholar Eckhard Schnabel While many New Testament theologies approach the material through a particular thematic construct e g covenant Schnabel takes a different approach First he focuses on Jesus Messiah and his significance for the early church Second he seeks to describe the theology of the New Testament as it was written and read in its historical context This approach honors the fact that the authors and original readers of the New Testament were real people dealing with real issues in their specific ecclesiological cultural and missiological settings Schnabel comprehensively combines a historical description of the New Testament s theology with a systematic reflection on the New Testament s message and the convictions of Jesus and his early followers This valuable contribution to the field will be insightful reading for students scholars and pastors

A Biblical-Theological Introduction to the New Testament Michael J. Kruger,2016-05-31 Introductions to the New Testament often take a defensive stance focusing on historical critical issues but failing to address the interests and needs of pastors and Bible teachers However with an emphasis on the theology key themes and overall message of each book in the New Testament this collaborative effort of nine biblical scholars takes a more positive and pastorally relevant approach Written from a distinctly Reformed covenantal and redemptive historical perspective this

theologically rich expositional resource will equip readers to study and teach each book in the New Testament with clarity and insight

Biblical Theology Andreas J. Köstenberger, Gregory Goswell, 2023-02-23 A Clear Careful Textbook to Help Bible Students Interpret Scripture Pastors thoughtful Christians and students of Scripture must learn how to carefully read and understand the Bible but it can be difficult to know where to start In this clear logical guide Andreas J K stenberger and Gregory Goswell explain how to interpret Scripture from three effective viewpoints canonical thematic and ethical Biblical Theology is arranged book by book from the Old Testament using the Hebrew order through the New Testament For each text K stenberger and Goswell analyze key biblical theological themes discussing the book s place in the overall storyline of Scripture Next they focus on the ethical component showing how God seeks to transform the lives of his people through the inspired text Following this technique readers will better understand the theology of each book and its author A Clearly Written Guide on Biblical Theology Analyzes all 66 books of the Bible with emphasis on the coherent unified framework of Scripture Helps Readers Thoughtfully Interpret Scripture Provides an essential foundation for a valid theological understanding of Scripture that informs Christian doctrine and ethics Ideal for Pastors Academics and Other Serious Students of Scripture This clear thoroughly researched guide can be used as a textbook in seminary classes studying biblical theology or the Old and New Testaments

The Composition of Luke's Gospel David E. Orton, 2023-08-14 This is the first in a series of publications designed to make previously published journal material available in a more convenient and accessible form Many university and seminary teachers will find the selections suitable not only for their personal use but also for their classes This reader contains a selection from the best articles in English on Luke s literary work to have appeared to date in the journal *Novum Testamentum* It offers a balanced representation of the discussion over a period of four decades The articles clearly demonstrate that interest in Luke s literary artistry is not merely a feature of the most recent biblical study Readers will find here many insights from decades past which are entirely relevant to current modes of biblical appreciation Indexes of authors and biblical references add to the usefulness of this volume

Peter and Paul in Acts: A Comparison of Their Ministries David Spell, 2006-08-01 Acts is arguably the most exciting book in the New Testament It covers the tumultuous early years of Christianity and narrates the growth of the church throughout the Roman Empire Luke tells this story by focusing primarily on two men Peter and Paul This book examines their apostolic ministries as they are revealed within the pages of The Acts of the Apostles Their apostolic ministries are examined in the context of several different components Leadership Evangelism and Church Planting Miracle Working and Healing and Mystical or Supernatural Experiences These categories are shown to detail particular aspects of each man s apostleship work These categories provide a convenient way to compare and contrast the type of ministry that each apostle performed as described by Luke Spell also devotes a chapter each to Luke s literary method and the relationship of Peter and Paul as seen in their letters These two chapters lay important groundwork for examining the apostles This book will provide the reader with

valuable insights from Scripture that they can apply to their own lives and ministry By looking at how Peter and Paul conducted their ministries in the first century we can be more effective in the twenty first Redating the New Testament John A. T. Robinson, 2000-10-31 On the basis that the fall of Jerusalem is never mentioned in the New Testament writings as a past fact Dr Robinson defends that the books of the New Testament were written before A D 70 contradicting of course the consensus of generations of Bible scholars

Eventually, you will totally discover a extra experience and skill by spending more cash. yet when? do you undertake that you require to acquire those all needs with having significantly cash? Why dont you attempt to acquire something basic in the beginning? Thats something that will lead you to comprehend even more as regards the globe, experience, some places, bearing in mind history, amusement, and a lot more?

It is your totally own period to perform reviewing habit. along with guides you could enjoy now is **Luke Historian And Theologian** below.
