Hand this man over to Satan' David Raymond

Smith,2009-04-13 1 Corinthians 5 5 is a curious passage which has been variously interpreted by scholars For some it denotes a magical curse which is designed to cause the physical death of the sinner Others have found such an interpretation unpersuasive Instead they maintain that Paul s words at verse five are to be understood as a metaphor for exclusion from the Corinthian community So the errant Corinthian is not to die by a curse but is to be excluded This work argues for the former interpretation by marshalling a range of the most recent specialised magical material which has not been considered by other works in relation to 1 Corinthians 5 It fully acknowledges the weaknesses of previous magical interpretations and metaphorical approaches to the passage Instead it presents a fresh magical reading of not only 1 Corinthians 5 5 but the whole of 1 Corinthians 5 within its wider context of the apostle Paul s letter to the Corinthians *Obeah, Christ and Rastaman* Ivor Morrish,2022-10-27 This is a book about an extraordinarily rich and varied culture a culture in which most of the religio political movements of the world are to be found epitomised in some form In tracing the Jamaican people s search for an identity through these movements this book places the modern cult of Rastafarianism in the broadest of historical contexts Obeah Christ and Rastaman reflects the author s careful scholarly approach his delight in a fascinating colourful subject and his deep humane regard for a people who have over the years suffered incredible degradation and suppression
