Looking for Love in the Legal Discourse of Marriage Renata Grossi, 2014-09-01 This book examines the invisibility of romantic love in the legal discourse surrounding modern Australian marriage It looks at how romantic love has become a core part of modernity and a dominant part of the Western marriage discourse and considers how the ideologies of romantic love are or are not replicated in the legal meaning of marriage This examination raises two key issues If love has become central to people's understanding of marriage then it is important for the legitimacy of law that love is reflected in both the content and application of the law More fundamentally it requires us to reconsider how we understand law and to ask whether it is engaged with emotions or separate from them Along the way this book also considers the meaning of love itself in contemporary society and asks whether love is a radical force capable of breaking down conservative meanings embedded in institutions like marriage or whether it simply mirrors them This book will be of interest to everyone

Lawler, 2024-05-15 In *Pope Francis Marriage and Same Sex Civil Unions* Foundations for the Organic Development of Catholic Sexual Doctrine Todd A Salzman and Michael G Lawler argue for the organic development of Catholic sexual teaching to recognize the morality and sacramentality of opposite sex and same sex marriage They do so on the basis of Pope Francis support of the legal protection of same sex civil unions new pastoral methods theological anthropological and ethical methodological developments To that end the authors consider the historical development in the Catholic tradition of sexual and marital ethics the impact of virtue ethics emphasis on the authority and inviolability of an informed conscience and a revised understanding of sexual complementarity on defining human dignity and the method for doing Catholic ethics the sacramental nature of opposite sex marriage as an upper case Sacrament and same sex marriage as a lower case sacrament the widespread and growing phenomenon of cohabitation before marriage where couples grow into the ideal of marriage and sociological and experiential data that supports the overwhelming positive impact on children of opposite sex and same sex parents All of these issues are considered in the light of the theological and pastoral changes that Pope Francis is introducing with widespread support and minority opposition into the Catholic tradition **Archives of Neurology and Psychiatry** ,1924 *Love Objects* Anna Moran, Sorchá O'Brien, 2014-10-23 *Love Objects* is the first anthology on the concept of love to interrogate across a range of contexts its design and other material manifestations *As Always, Your God* Modesta Belzer, 2016-03-31 You are holding an exceptional book in your hands a book that is dictated by God via automatic writing and clairaudience In it you will find many of your questions answered Where do I come from What is the soul What is life about Do I have a true love Why is life so tough What or who is God Why are there wars Why can marriage be so complex Does God love each of us What happens when I die Why is there so much suffering and unfairness Is there one way to God Does God love men more than women Why are there different races Does God punish us Is reincarnation fact or fiction Is there a hell Is sex a sin Many more topics are discussed in *As Always Your God* Learn about Creation and love Learn about the many misconceptions we have This is THE book for men and women searching for enlightenment *Defending Same-Sex Marriage* Martin Dupuis, William A. Thompson, Traci C. West, 2006-12-30 Today we find ourselves at a crossroads of two powerful unrelenting currents that are completely at odds with one another The movement for legal recognition of same sex unions has gone beyond the separate but equal status of civil unions to demand equality in marriage for all couples Progress is being made on many fronts mayoral action clergy officiating at same sex marriage and union ceremonies state legislative responses and street protests to name a few Meanwhile opposition to same sex marriage has also been gathering strength The struggle is sure to continue unabated for some time to come pitting those who believe in the traditional definition of marriage as a union between a man and a woman and who seek to codify this belief in the U S Constitution against those who find the basis for marriage between two loving

committed individuals not only in the history of our civil rights legislation and court decisions but also in scripture and sacred religious traditions Those who believe in extending to same sex couples the 1 049 rights conferred by marriage as well as the supportive embrace of religious communities seek to strengthen the institution of marriage by making it inclusive and by passing laws and broadening doctrines to uphold marriage rights for all couples This three volume set clarifies the legal political religious cultural and social ramifications of same sex marriage for gay and lesbian couples and their families and friends and for the general public interested in the future of civil rights in the United States
