Macao Places And Peoples Of The World:

Macao - The Formation of a Global City C.X. George Wei,2013-11-07 Macao the former Portuguese colony in southeast China has a long and very interesting history of cultural interaction between China and the West Held by the Portuguese from the 1550s until its return to China in 1999 Macao was up to the emergence of Hong Kong in the later nineteenth century the principal point of entry into China for all Westerners Dutch British and others as well as Portuguese The relatively relaxed nature of Portuguese colonial rule intermarriage the mixing of Chinese and Western cultures and the fact that Macao served as a safe haven for many Chinese reformers at odds with the Chinese authorities including Sun Yat sen all combined to make Macao a very different and special place This book explores how Macao was formed over the centuries It puts forward substantial new research findings and new thinking and covers a wide range of issues It is a companion volume to Macao Cultural Interaction and Literary Representations *Positive Psychology in Everyday Life* Margarida Pocinho,Soraia Garcês,Daniela Popa,2022-06-28 *Urban Events, Place Branding and Promotion* Waldemar Cudny,2019-10-01 Urban Events Place Branding and Promotion explores the phenomenon of place event marketing examining the ways in which events are used to brand and disseminate information about a place It provides a novel contribution to the literature capturing the growing interest in place promotion and offers in depth insights on the role of events With a focus on urban locations this book defines the scope and concept of place event marketing It demonstrates that different kinds of events for leisure and business can be used to successfully develop promote and brand different types of places Individual chapters written by a variety of leading academics explore how various public and non governmental institutions that deal with promotion and marketing communications of places can implement event marketing activities and how such institutions organize co organize and sponsor different events The effects of event marketing activities on urban place promotion and branding are thoroughly explored through a variety of international empirical case studies This will be of great interest to upper level students and researchers in events marketing and management tourism and the broader field of urban geography The concluding chapter also proposes future research directions *East and Southeast Asia 2022-2023* James E.
