Scripture and Counseling Bob Kelleman,2014-10-07 What role does Scripture play in counseling Today we face a weakening of confidence in the Bible This is just as true for the pastor offering counsel in his office as it is for the person in the pew talking with a struggling friend We need to regain our confidence in God s living Word as sufficient to address the real life issues we face today Scripture and Counseling will help you understand how the Bible equips us to grow in counseling competence as we use it to tackle the complex issues of life Divided into two sections Part One develops a robust biblical view of Scripture s sufficiency for life and godliness leading to increased confidence in God s Word Part Two teaches how to use Scripture in the counseling process This section demonstrates how a firm grasp of the sufficiency of Scripture leads to increased competence in the ancient art of personally ministering God s Word to others Part of the Biblical Counseling Coalition series Scripture and Counseling brings you the wisdom of twenty ministry leaders who write so you can have confidence that God s Word is sufficient necessary and relevant to equip God s people to address the complex issues of life in a broken world It blends theological wisdom with practical expertise and is accessible to pastors church leaders counseling practitioners and students equipping them to minister the truth and power of God s word in the context of biblical counseling soul care spiritual direction pastoral care and small group facilitation
