INTRODUCTION TO MACAULAY 1800 1859 Before Thomas Babington Macaulay was big enough to hold a large volume he used to lie on the rug by the open fire with his book on the floor and a piece of bread and butter in his hand Apparently the three year old boy was as fond of reading as of eating and even at this time he showed that he was no mere bookworm by sharing with the maid what he had learned from a volume as big as himself He never tired of telling the stories that he read and as he easily remembered the words of the book he rapidly acquired a somewhat astonishing vocabulary for a boy of his years One afternoon when the little fellow then aged four was visiting a servant spilled some hot coffee on his legs The hostess who was very sympathetic soon afterward asked how he was feeling He looked up in her face and replied Thank you madam the agony is abated It was at this same period of his infancy that he had a little plot of ground of his own marked out by a row of oyster shells which a maid one day threw away as rubbish He went straight to the drawing room where his mother was entertaining some visitors walked into the circle and said very solemnly Cursed be Sally for it is written Cursed is he that removeth his neighbor s landmark      **Macaulay's Life of Samuel Johnson, with a Selection from His Essay on Johnson;** Thomas Babington Macaulay Macaulay,Charles Lane 1870- [From Old Ca Hansen,2016-05-25 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant      Macaulay's Life of Samuel Johnson Thomas Babington Macaulay Macaulay,2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
