force to respond to history's unresolved hurt *The Best Art in the World* Noah Becker, Michael Maizels, 2025-08-12
Founded in 2005 Whitehot Magazine has become one of the leading channels for contemporary art criticism. Since its inception Whitehot has published thousands of reviews covering art from the United States, East Asia, the Middle East, Africa and South America with key pieces authored by critical luminaries including Anthony Haden Guest, Donald Kuspit and Phoebe Hoban. The magazine is also uniquely independent in its editorial voice. Unlike other large art world publications Whitehot is owned and managed by its founding editor rather than by a media holding company. On the occasion of its upcoming 20th anniversary founder Noah Becker and contributor Michael Maizels have compiled a critical anthology of the magazine's writings. The selected articles not only encapsulate the storied history of Whitehot but also provide a significant window into the evolution of art practice and art criticism since the turn of the Millennium **Double Talk** Wayne

Koestenbaum, 2017-10-06 Sigmund Freud and Josef Breuer on hysteria, J. A. Symonds and Havelock Ellis on sexuality, a novel by Ford Madox Ford and Joseph Conrad, *The Waste Land* of T. S. Eliot and Ezra Pound, even the Lyrical Ballads of Wordsworth and Coleridge: men making books together. Wayne Koestenbaum's startling interpretation of literary collaboration focuses on homosexual desire: men write together, he argues, in order either to express or to evade homosexual feelings. Their writing becomes a textual intercourse: the book, at once a female body they can share and the child of their partnership. These man-made texts steal a generative power that women's bodies seem to represent. Seen as the site of a struggle between homosexual and homophobic energies, the texts Koestenbaum explores—works of psychoanalysis, sexology, fiction and poetry—emerge as more complex, more revealing. They crystallize and refract the anxiety of male sexuality at the end of the last century and open up a deeper understanding of connections today between the erotic and the literary. Drawing upon the work of feminist critics, Koestenbaum connects male collaboration and the exchange of women within patriarchy; he peers into both medical texts and imaginative literature, disturbing our ready acceptance of the co-authored work. This strong and unsettling book transforms our understanding of the creative process, providing a new sense of what both collaborative and solitary artistry mean *Routledge Library Editions: Literature and Sexuality* Various Authors, 2021-02-25

This set brings together a collection of classic out-of-print works that offer some surprising new takes on the theme of sexuality in literature. Whether examining new spaces by unrepresented women writers of colour or looking afresh at gay writings of the early twentieth century, this set presents a thought-provoking take on the subject and as such is an essential reference source.

I've Seen the Future and I'm Not Going Peter McGough, 2019-09-17 Brilliantly funny, frank and shattering, this is the bittersweet memoir by Peter McGough of his life with artist David McDermott. Set in New York's Lower East Side of the 1980s and mid 1990s, it is also a devastatingly candid look at the extreme naivety and dysfunction that would destroy both their lives. Escaping the trauma of growing up gay in Syracuse and being bullied at school, McGough attended art school in New York, dropped out and took out jobs in clubs where he met McDermott. Dazzled by McDermott, whom he found

fascinating and worldly McGough agreed to collaborate with him not only on their art but also in McDermott's very entertaining Victorian lifestyle McGough evokes the rank and seedy East Village of that time where he encountered Keith Haring, Rene Ricard, Kenny Scharf, Jean Michel Basquiat, Andy Warhol, and Jacqueline and Julian Schnabel among many others. Nights were spent at the Ninth Circle Danceteria and Studio 54 going to openings at the FUN Gallery or visiting friends in the Chelsea Hotel. By the mid 1980s McDermott and McGough were hugely successful, showing at three Whitney Biennials, represented by the best galleries here and abroad, and known for their painting, photography, and time experiment interiors. Then overnight it was all gone. And one day in the mid 1990s McGough would find that he like so many of his friends had been diagnosed with AIDS. *I've Seen the Future and I'm Not Going* is a compelling memoir for our time told with humor and compassion about how lives can become completely entwined even in failure and what it costs to reemerge phoenix like and carry on. **Messers McDermott & McGough** David McDermott, Peter McGough, Wolfgang Fetz, Gerald Matt, 1993

Dissension Cory Herndon, 2010-04-21 Return to the radically new and intriguing world of Ravnica as a jaded and ghostly lieutenant fights to save the city to which he is inextricably bound. The streets of Ravnica run red with blood. Guild fights, guild and horrifying monsters ravage the city, destroying all who stand in their way. But as Ravnica crumbles, a method emerges from the madness. It becomes clear that the city's chaos was calculated. But by whom? Something must be done. And unfortunately for Agrus Kos, being a member of the undead doesn't mean you don't have a job to do. **MacDermott & MacGough** David McDermott, Robert Rosenblum, Peter McGough, Provinciaal Museum voor Moderne Kunst (Ostend, Belgium), 1997 This book represents the largest and most comprehensive collection of the art of McDermott and McGough ever published. Featuring 130 paintings and 25 photographs, the book's retrospective scope is an essential document on these artists. **Artscribe International**, 1991 *Ravnica* Cory Herndon, 2010-04-21 A murder investigation exposes a labyrinth of intrigue that threatens to turn Ravnica upside down in this epic Magic: The Gathering novel. Lieutenant Agrus Kos enjoys his work. A top notch officer of the city guard, he's been on the force over fifty years. He works alone. And the League of Wojek never had problems with him or his work. Until now. They gave him a partner to train who promptly got himself killed. And the more he looks into the death, the less he likes it. Something dark is moving within the guilds of Ravnica. **American Art of the 80's** Jerry Saltz, 1991 *The Chateau Marmont Hollywood Handbook* Andre Balazs, 2025-02-04 A classic first published by Rizzoli. Universe in the 1990s, now brought back into print, the insider's view of Hollywood as narrated by famed guests who visited or resided at the Chateau Marmont over its 100 year history.
