The Lived Experience of African American Women Mentors Wyletta Gamble-Lomax, 2016-12-14 In *The Lived Experience of African American Women Mentors* Community Pedagogues Wyletta Gamble Lomax explores the lived experiences of six African American female mentors working with African American female youth The works of philosophers Martin Heidegger Hans Georg Gadamer and Edward Casey are intertwined with the writings of Black feminist scholars such as Patricia Hill Collins and Audre Lorde while Max van Manen guides the

phenomenological process with pedagogical insights and reminders Through individual conversations with each muse the power in care and the importance of listening in mentoring relationships is uncovered as essential components The significance of place the complexities of Black femininity and the benefits of genuine dialogue are all explored in ways that bring new understanding to African American female experiences and how they connect to today's educational climate This study concludes with phenomenological recommendations for educational stakeholders to pursue partnerships with school family and community *Mentoring Children and Adolescents* Maureen A. Buckley, Sandra Hundley

Zimmermann, 2003-11-30 Written in a clear straightforward manner this comprehensive volume offers an overview of the concept of mentoring and information on the role that caring adult youth relationships play in fostering positive development for young people The book presents up to date research on the efficacy and limitations of mentoring types of mentoring programs and key figures in the mentoring movement It presents accessible information on issues crucial to developing implementing and assessing effective mentoring ventures Also included are an extensive collection of current practical resources and a directory of mentoring initiatives foundations and organizations A valuable resource for young people seeking adult connections this book is also beneficial to school personnel youth group leaders directors of volunteer programs and anyone who cares about young people and youth issues *Encyclopedia of African American Business* Jessie

Smith, 2017-11-27 This two volume set showcases the achievements of African American entrepreneurs and the various businesses that they founded developed or promote as well as the accomplishments of many African American leaders both those whose work is well known and other achievers who have been neglected in history Nearly everyone is familiar with New York City's Wall Street a financial center of the world but much fewer individuals know about the black Wall Streets in Durham and Tulsa where prominent examples of successful African American leaders emerged *Encyclopedia of African American Business* Updated and Revised Edition tells the fascinating story that is the history of African American business providing readers with an inspiring image of the economic power of black people throughout their existence in the United States It continues the historical account of developments in the African American business community and its leaders describing the period from 18th century America to the present day The book describes current business leaders opens a fuller and deeper insight into the topics chosen and includes numerous statistical tables within the text and in a separate section at the back of the book The encyclopedia is arranged under three broad headings Entry List Topical Entry List and African American Business Leaders by Occupation This arrangement introduces readers to the contents of the work and enables them to easily find information about specific individuals topics or occupations The book will appeal to students from high school through graduate school as well as researchers library directors business enterprises and anyone interested in biographical information on African Americans who are business leaders will benefit from the work *Cases on Strategic Partnerships for Resilient Communities and Schools* Thomas, Ursula, 2020-04-24 As the importance of public education

increases both globally and nationally partnerships between schools and their community become key to each other's success. Examining the intersection of schools with their communities reveals the most effective strategies for supporting school populations that are traditionally marginalized or underserved in both rural and urban areas. Cases on Strategic Partnerships for Resilient Communities and Schools is an essential publication that uncovers the problems and pitfalls of creating strategic partnerships between schools and other members of the community in which the schools are situated that include for-profit businesses, not-for-profit entities and private organizations. The book reveals that schools that are thriving effectively do not do so in isolation but as vibrant members and centers of the communities in which they serve students and families. Moreover, it examines the difficulty in advocating for the schools and the leadership of the schools within these communities so that they can be better served. Highlighting a wide range of topics including leadership, community-based outreach and school advocacy, this book is ideally designed for teachers, school administrators, principals, school boards and committees, non-profit administrators, educational advocates, leadership faculty, community engagement directors, community outreach personnel, entrepreneurs, researchers, academicians and students.

Black Pain Terrie M. Williams, 2009-01-06 Terrie Williams knows that Black people are hurting. She knows because she's one of them. Terrie had made it; she had launched her own public relations company with such clients as Eddie Murphy and Johnnie Cochran. Yet she was in constant pain, waking up in terror, overeating in search of relief. For thirty years she kept on her game face of success, exhausting herself daily to satisfy her clients' needs while neglecting her own. Terrie finally collapsed, staying in bed for days. She had no clue what was wrong or if there was a way out. She had hit rock bottom and she needed and got help. She learned her problem had a name: depression, and that many suffered from it, limping through their days, hiding their hurt. As she healed, her mission became clear: break the silence of this crippling taboo and help those who suffer. **Black Pain** identifies emotional pain, which uniquely and profoundly affects the Black experience, as the root of lashing out through desperate acts of crime, violence, drug and alcohol abuse, eating disorders, workaholism and addiction to shopping, gambling and sex. Few realize these destructive acts are symptoms of our inner sorrow. Black people are dying. Everywhere we turn, in the faces we see and the headlines we read, we feel in our gut that something is wrong, but we don't know what it is. It's time to recognize it and work through our trauma. In **Black Pain**, Terrie has inspired the famous and the ordinary to speak out, and mental health professionals to offer solutions. The book is a mirror turned on you. Do you see yourself and your loved ones here? Do the descriptions of how the pain looks, feels and sounds seem far too familiar? Now you can do something about it. Stop suffering. The help the community needs is here: a clear explanation of our troubles and a guide to finding relief through faith, therapy, diet and exercise, as well as through building a supportive network and eliminating toxic people. **Black Pain** encourages us to face the truth about the issue that plunges our spirits into darkness so that we can step into the healing light. You are not on the ledge alone.
