WASHINGTON POST **The Fortune of War (Vol. Book 6) (Aubrey/Maturin Novels)** Patrick O'Brian,2011-12-05 A marvelously full flavored engrossing book which towers over its current rivals in the genre like a three decker over a ship s longboat Times Literary Supplement Captain Jack Aubrey arrives in the Dutch East Indies to find himself appointed to the command of the fastest and best armed frigate in the British Navy He and his friend surgeon Stephen Maturin take passage for England in a dispatch vessel But before they can reach their destination the War of 1812 breaks out Bloody conflict precipitates them into new and unexpected predicaments where Maturin is reunited with his embattled love Diana Villiers and his past activities as a secret agent blow back on him with a vengeance **Patrick O'Brian's Bodies at Sea** Michael

Leigh Sinowitz,2014-07-18 An exploration of the complex roles that bodies both literally and figuratively play in the 21 volume Aubrey Maturin series reveals much about the novels many meditations on mind and body Beginning with a consideration of genre norms and the bodies of the novels main characters the book s focus shifts to the ways the series offers interconnections between the human body and history More literal considerations of the body examine O Brian s depictions of drug use particularly the opium addiction that afflicts Stephen Maturin and human sexuality in its many guises

The work then focuses on *Desolation Island* the fifth novel in the series in light of the discussions above but also in terms of political and psychological tropes that draw upon the relationship of mind and body. Questions are examined about the relationship of reader to author and what sustains such a long narrative and what continues to bring a reader back again and again.
