Pioneer Surveyor - Frontier Lawyer O. W. Williams, 1968 *Pioneer surveyor, frontier lawyer* Oscar Waldo Williams, 1968 **Encyclopedia of Frontier Biography: G-O** Dan L. Thrapp, 1991-08-01 Includes biographical information on 4 500 individuals associated with the frontier **Harsh Country, Hard Times** Janet Williams Pollard, Louis Gwin, 2011-09-01 Clayton Wheat Williams West Texas oilman rancher civic leader veteran of the Great War and avocational historian was a risk taker who both reflected and molded the history of his region His life spanned a dynamic period in Texas history when automobiles replaced horse drawn wagons electricity replaced steam power in the oilfields and barren and virtually worthless ranch land became valuable for the oil and gas under its surface The setting for Williams s story like that of his father before him is Fort Stockton in the rugged Trans Pecos region of Texas As a youngster accompanying his father on surveying trips through the land and subsequently as a cadet at Texas A M he developed a toughness that served him well in France and Flanders His letters home provide an unusually nuanced picture of what life was like for an American officer in Europe during the Great War After the war he returned home where he taught himself petroleum geology so effectively that he picked the site of what would become in 1928 the deepest producing oil well in the world With his brother he mapped the structure of what later became the Fort Stockton oil and gas field and he went on to hammer out a successful career in the boom and bust cycles of the West Texas oil industry On the civic front Williams served for fourteen years as a Pecos County commissioner and he held offices in a number of social and civic organizations Imbued with a deep love for the history of his region he wrote with the editorial help of historian Ernest Wallace at Texas Tech University Texas Last Frontier Fort Stockton and the Trans Pecos 1861 1895 published by Texas A M University Press in 1982 Nonetheless by some of his neighbors he may be best remembered for his role in drying up the town s famous Comanche Springs by pumping water feeding the spring s aquifer to irrigate his and others farms west of town Williams left behind a treasure trove of letters personal papers and writings and interviews with his family helping document in rich detail the history of an unforgiving land as well as what life was like during a pivotal period of American history These materials which form the core of the present manuscript reveal a life that made a difference in the economy and history of the region and the nation at large **The Big Bend** Tyler, 1996 A long needed account of the human invasion of this rugged Texas desert land **From Presidio to the Pecos River** Orville B. Shelburne, Jr., 2020-10-08 The 1848 treaty of Guadalupe Hidalgo that ended the Mexican American War described a boundary between the two countries that was to be ascertained by a joint boundary commission effort The section of the boundary along the Rio Grande from Presidio to the mouth of the Pecos River was arguably the most challenging and it was surveyed by two American parties one led by civilian surveyor M T W Chandler in 1852 and the

second led by Lieutenant Nathaniel Michler in 1853 Our understanding of these two surveys across the greater Big Bend has long been limited to the official reports and maps housed in the National Archives and never widely published The discovery by Orville B Shelburne of the journal kept by Dr Charles C Parry surgeon botanist geologist for the 1852 party has dramatically enriched the story by giving us a firsthand view of the Chandler boundary survey as it unfolded Parry s journal forms the basis of *From Presidio to the Pecos River* which documents the day to day working of the survey teams The story Shelburne tells is one of scientific exploration under duress surveyors stranded in towering canyons overnight without food or shelter piloting inflatable rubber boats down wild rivers rising to the challenges of a profoundly remote area including the possibility of Indian attack Shelburne s comparison of the original boundary maps with their modern counterparts reveals the limitations of terrain and equipment on the survey teams Shelburne s book provides a window on the adventure near disaster and true accomplishment of the surveyors work in documenting the course of the Rio Grande across the Big Bend region

Borderlander Ralph Adam Smith,1999 Since the 1920s American historians have presented Kirker only in the worst of terms Smith however demonstrates that Kirker s white contemporaries judged him a hero At a time when evolving politics led to new methods of warfare when desperate people resorted to desperate measures his deeds earned him a reputation for bravery and good citizenship BOOK JACKET Whether Kirker is judged a villain or a hero or merely a scoundrel his colorful life reflected the turbulence of his times Jacket [Benjamin Capps and the South Plains](#)

Lawrence Clayton,1990 Benjamin Capps has been called the Texas author whose work will be read 100 years from now but Clayton notes that Caps has not been the frequent subject of nationally disseminated critical interpretation perhaps because he is an anomaly a writer of serious literary fiction set in the West Notable are Capps s perceptive characterizations and his use of historical background and folklore *A Woman Clothed in Sun* Jeanne Williams,2016-07-05

Haunted by tragedy a proud Cajun beauty and a dashing cavalry officer battle to forge a new life on the Texas frontier in this sweeping historical saga Raised by her adoring father Rachel Delys loves the woods and bayous of East Texas and intends to never leave their isolated home But when her father dies and drunken neighbors murder her lover and attack Rachel she takes shelter at a nearby plantation Harry Bourne owner of Gloryoak treats Rachel with kindness and compassion unaware that his missing brother Tom was one of her assailants Rachel believes she will never feel passion again but is so grateful for Harry s protective love she marries him When the third Bourne brother Matt returns to Gloryoak after fighting Apaches in Arizona a dangerous attraction blazes between Rachel and the former soldier Matt tries to cut his visit

short but an unthinkable tragedy irrevocably bonds him to Rachel and sends the pair on an eight hundred mile journey to a grassy valley in the Big Bend region of the Rio Grande There they meet Guadalupe and her baby Juan the only survivors of a brutal raid on their Mexican border village In a world of savage violence and austere grandeur the four outcasts must rely on each other to succeed Matt hires on at a nearby ranch teaching the vaqueros how to fend off raiding Comanches while Rachel and Lupe hunt for food and make adobe bricks to build a house When the Civil War erupts and Matt is called to join the fight the women bravely defend their fledgling ranch from bandits A riveting chronicle of adventure romance and intrigue A Woman Clothed in Sun brings to life a fascinating chapter in American history and reveals the courage stamina and faith it took to survive those perilous times

Deadly Dozen Robert K. DeArment,2015-01-06 Wyatt Earp Billy the Kid Doc Holliday such are the legendary names that spring to mind when we think of the western gunfighter But in the American West of the late nineteenth and early twentieth centuries thousands of grassroots gunfighters straddled both sides of the law without hesitation Deadly Dozen tells the story of twelve infamous gunfighters feared in their own times but almost forgotten today Now noted historian Robert K DeArment has compiled the stories of these obscure men DeArment a life long student of law and lawlessness in the West has combed court records frontier newspapers and other references to craft twelve complete biographical portraits The combined stories of Deadly Dozen offer an intensive look into the lives of imposing figures who in their own ways shaped the legendary Old West More than a collective biography of dangerous gunfighters Deadly Dozen also functions as a social history of the gunfighter culture of the post Civil War frontier West As Walter Noble Burns did for Billy the Kid in 1926 and Stuart N Lake for Wyatt Earp in 1931 DeArment himself a talented writer brings these figures from the Old West to life John Bull Pat Desmond Mart Duggan Milt Yarberry Dan Tucker George
