In the Affairs of the World Cara Anzilotti, 2002-05-30 This book examines how quite by accident and under very unfortunate circumstances Britain's colony of South Carolina afforded women an unprecedented opportunity for economic autonomy Though the colony prospered financially throughout the colonial period the death rate remained alarmingly high keeping the white population small This demographic disruption allowed white women a degree of independence unknown to their peers in most of England's other mainland colonies for as heirs of their male relatives an unusually large proportion of women controlled substantial amounts of real estate Their economic independence went unchallenged by their male peers because these women never envisioned themselves as anything more than deputies for their husbands fathers brothers and friends As far as low country settlers were concerned allowing women to assume the role of planter was necessary to the creation of a traditional male centered society in the colony Fundamentally conservative women in South Carolina worked to safeguard the patriarchal social order that the area's staggering mortality rate threatened to destroy Critical to the perpetuation of English culture and patriarchal authority in South Carolina female planters attended to the affairs of the world and helped to preserve English society in a wilderness setting

Against All Odds Paul Porwoll, 2014-02-03 The tranquility of the magnificently restored Saint Andrews Parish Church surrounded by stately oaks and ancient gravestones belies a tumultuous past If its walls could talk they would tell a story as old as the human condition Founded in the forest of a new colony this simple Anglican church served planters and their slaves during the heyday of rice and indigo Before the Civil War ministry shifted to the slaves and afterward to freed men and women Following years of decline and neglect Saint Andrews rose like the phoenix The history of the oldest surviving church south of Virginia and the only remaining colonial cruciform church in South Carolina is one of wealth and poverty acclaim and anonymity slavery and freedom war and peace quarrelling and cooperation failure and achievement It is the story of a church that has refused to die against all odds
