

PLAYING THE VIOLA

Conversations with William Primrose

David Dalton

with a Foreword by Janos Starker

Playing The Viola Conversations With William Primrose

Donald Maurice

Playing The Viola Conversations With William Primrose:

Playing the Viola David Dalton, David J. Dalton, William Primrose, 1988 In all areas of human endeavour time and again an individual appears who due to a multitude of personal attributes elevates his or her field to a hitherto unknown height Such an individual was William Primrose His name and the viola are synonymous Janos Starker This unique book is the result of a series of conversations with Primrose in the last years before his death in 1982 David Dalton describes how he came to the great artist armed with every question he could think of pertaining to performing on and teaching the viola The lively dialogue contains a wealth of illuminating advice for the student on the technicalities of playing the viola It is however far more than a technical guide The two violists discuss the unique position of their instrument an instrument without tradition is Primrose's bald description They cover the topic of repertoire with fascinating insights into the performance of the great concertos by Bartok and Walton with which Primrose was so closely associated Still more invaluable advice emerges from the discussion of Primrose's own experience on the art of performance on demeanour on stage on competitions on recordings and on preparing for a career The book is a tribute to one of the greatest artists of this century *Playing the Viola* David Dalton, 1989-11-30 In all areas of human endeavour time and again an individual appears who due to a multitude of personal attributes elevates his or her field to a hitherto unknown height Such an individual was William Primrose His name and the viola are synonymous Janos Starker This unique book is the result of a series of conversations with Primrose in the last years before his death in 1982 David Dalton describes how he came to the great artist armed with every question he could think of pertaining to performing on and teaching the viola The lively dialogue contains a wealth of illuminating advice for the student on the technicalities of playing the viola It is however far more than a technical guide The two violists discuss the unique position of their instrument an instrument without tradition is Primrose's bald description They cover the topic of repertoire with fascinating insights into the performance of the great concertos by Bartok and Walton with which Primrose was so closely associated Still more invaluable advice emerges from the discussion of Primrose's own experience on the art of performance on demeanour on stage on competitions on recordings and on preparing for a career The book is a tribute to one of the greatest artists of this century *William Walton* Stephen Lloyd, 2001 Using first hand accounts including contemporary correspondence articles and interviews this account of Walton's life also draws on material newly available relating to his friends and associates The reception of Facade and Walton's work in both films and radio are fully explored **BOOK JACKET** *The Real Toscanini* Cesare Civetta, 2012-09-01 Amadeus Lauded by Verdi Debussy and other music legends the celebrated conductor Arturo Toscanini raised the standards of orchestral and operatic performance over an astonishing 69 years on the podium But as he did so he acquired a reputation as something of a tyrant who unleashed an explosive temper at musicians if rehearsals did not meet his expectations In *The Real Toscanini* Cesare Civetta presents an intriguing collection of vivid one of a kind interviews with artists who performed with Toscanini A portrait of the inner

workings of the maestro emerges through these extensive conversations conducted by the author over a period of 20 years together with other firsthand recollections. These accounts clarify Toscanini's philosophy, musical style and techniques. They depict a man tormented by inner demons of anger and depression which were easily triggered by his frustration at being unable to produce the musical ideal in his mind. Toscanini is also revealed as a vehement anti-Fascist and an unequivocal opponent of totalitarianism and racism; he defied Mussolini and publically opposed Hitler. The book includes a comprehensive account of his 1936 inauguration of what is now known as the Israel Philharmonic in solidarity with Jewish refugee musicians. Toscanini comes through in this book as a tortured but deeply humane individual who strove to constantly improve a sincere and humble musician who was nevertheless the preeminent maestro of the 20th century. **Teaching**

Violin, Viola, Cello, and Double Bass Dijana Ihas, Miranda Wilson, Gaelen McCormick, 2023-11-23. **Teaching Violin Viola Cello and Double Bass** summarizes three centuries of string pedagogy treatises to create a comprehensive resource on methods and approaches to teaching all four bowed string instruments. Co-written by three performance and pedagogy experts each specializing in different string instruments, this book is applicable to all levels of instruction. Essays on historical pedagogues are clearly structured to allow for easy comprehension of their philosophies, pedagogical practices and unique contributions. This book concludes with a section on application through comparative analysis of the historical methods and approaches. With coverage from the eighteenth century to the present, this book will be invaluable for teachers and students of string pedagogy and general readers who wish to learn more about string pedagogy's rich history, diverse content and modern developments. **Benjamin Britten in Context** Vicki P. Stroeher, Justin Vickers, 2022-04-21. A thematically organised overview of the musical, social and cultural contexts for the multi-faceted career of this pivotal British composer.

Notes for Violists David M. Bynog, 2021. **Notes for Violists: A Guide to the Repertoire** offers historical and analytical information about thirty-five of the best-known pieces for the instrument, making it an essential resource for professional, amateur and student violists alike. With engaging prose supported by fact-filled analytical charts, the book offers rich biographical information and insightful analyses that help violists gain a more complete understanding of pieces like Bartók's Concerto for Viola and Orchestra, Rebecca Clarke's Sonata for Viola and Piano, Robert Schumann's Märchenbilder for Viola and Piano, op. 113, Carl Stamitz's Concerto for Viola and Orchestra in D Major, Igor Stravinsky's Lullaby for Viola or Violin Unaccompanied and thirty other masterpieces. This comprehensive guide to key pieces from the viola repertoire from the eighteenth through the twentieth century covers concertos, chamber pieces and works for solo viola by a wide range of composers including Bach, Telemann, Mozart, Hoffmeister, Walton and Hindemith. Author David M. Bynog not only offers clear structural analyses of these compositions but also situates them in their historical contexts as he highlights crucial biographical information on composers and explores the circumstances of the development and performance of each work. By connecting performance studies with scholarship, this indispensable handbook for students and professionals allows readers

to gain a more complete picture of each work and encourages them to approach other compositions in a similarly analytical manner

Bartok's Viola Concerto Donald Maurice, 2004-03-04 When Bela Bartok died in September of 1945 he left a partially completed viola concerto commissioned by the virtuoso violist William Primrose Yet while no definitive version of the work exists this concerto has become arguably the most performed viola concerto in the world The story of how the concerto came to be from its commissioning by Primrose to its first performance to the several completions that are performed today is told here in Bartok's Viola Concerto The Remarkable Story of His Swansong After Bartok's death his family asked the composer's friend Tibor Serly to look over the sketches of the concerto and to prepare it for publication While a draft was ready it took Serly years to assemble the sketches into a complete piece In 1949 Primrose finally unveiled it at a premiere performance with the Minneapolis Symphony Orchestra For almost half a century the Serly version enjoyed great popularity among the viola community even while it faced charges of inauthenticity In the 1990s several revisions appeared and in 1995 the composer's son Peter Bartok released a revision opening the way for an intensified debate on the authenticity of the multiple versions This debate continues as violists and Bartok scholars seek the definitive version of this final work of Hungary's greatest composer Bartok's Viola Concerto tells the story of the genesis and completion of Bartok's viola concerto its reception over the second half of the twentieth century its revisions and future possibilities

Research Materials in Music Phillip R. Rehfeldt, 1990-01-01 This text was developed for use in a standard college level introduction to graduate studies course in musicology that I taught for thirty three years at the University of Redlands

Indirect Procedures Pedro de Alcantara, 2013-06-17 A musician's life is filled with many stressful situations passing auditions rehearsing and performing with difficult partners sitting for long hours in uncomfortable chairs going on stage to face audiences large and small who may or may not be receptive to the performance they are presented And yet many musicians are able to surmount these looming obstacles with grace and balance to find satisfaction and artistry in their music and build productive and lasting careers Indirect Procedures will guide you around these obstacles and along that path to becoming a balanced and successful musician Based on the work of Frederick Matthias Alexander this book is a thorough and practical approach to the issues of musicians health and wellbeing Author Pedro de Alcantara introduces concepts and exercises for musicians to let go of excessive tensions stay focused and direct their energies as they handle the challenges of practicing rehearsing and performing Complemented by an extensive easy to use companion website and working alongside Integrated Practice this new edition of Indirect Procedures is an invaluable and essential resource for today's musicians to learn to sing play and conduct with less effort and stronger results

Playing The Viola Conversations With William Primrose Introduction

In today's digital age, the availability of Playing The Viola Conversations With William Primrose books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Playing The Viola Conversations With William Primrose books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Playing The Viola Conversations With William Primrose books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Playing The Viola Conversations With William Primrose versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Playing The Viola Conversations With William Primrose books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Playing The Viola Conversations With William Primrose books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Playing The Viola Conversations With William Primrose books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated

to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Playing The Viola Conversations With William Primrose books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Playing The Viola Conversations With William Primrose books and manuals for download and embark on your journey of knowledge?

FAQs About Playing The Viola Conversations With William Primrose Books

1. Where can I buy Playing The Viola Conversations With William Primrose books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
