Joseph Landon and The Kramer by Mark Medoff Three of the plays those by Robert Gordon Joseph Landon and Mark Medoff were produced by the American Conservatory Theatre of San Francisco The play by Mr Joselovitz was presented by the University of Minnesota Theatre in Minneapolis In his introduction Mr Ballet comments on the achievements and problems of the O A D R program He reports that since the program began it had had about one hundred plays produced in some sixty theatres not only in the United States but also in Australia New Zealand Scotland and Canada However he writes it became increasingly difficult to find playhouses willing to risk the challenge of new plays and playwrights More dangerous still he writes has been the tendency for some directors to make theatre their own highly personal art Because so many of these directors only like what they know and they don't know what to make of new work at all they cannot truly judge and anticipate as a stage piece anything beyond their immediate ken The rejections are cavalier and unthinking The directors lament that there are no new exciting playwrights must be answered with the accusation that there really are damned few new exciting perceptive directors Playwrights for Tomorrow Arthur H.
