Please Mama Please, *Mama Please Love Me (Just Give Me a Hug)* Cotia Saunders, 2011-03 Some teenagers tend to rebel outwardly or inwardly against their parents and their families They allow peer pressure raging hormones or other things to drive a wedge between them and the people who love them the most On the other hand many children and teenagers have become victims of abuse by their parents or their families Through the early years of my life my mother and other family members tried to destroy me as I was growing up This is a gripping true story of abuse hatred rejection and near death experiences Shame Joseph B. Haggerty, 2008 This is the story of a pimp Shame the women he uses and abuses and how he recruited and maintained them on the street First the street is revealed through Shame s mother Latisa as she works for different pimps including a pimp gambler who uses her to entice customers with live sex shows until they crossed organized crime Shame has many run ins with the law as a juvenile but escapes detention while attending his mother s funeral He falls in love but is rejected when his lover finds out how old he is As an adult he encounters a couple of seasoned prostitutes He convinces them to make him the kind of pimp they want He quickly develops into a pimp like the rest of the vultures on the street In the course of his initiation a gangster pimp forcibly takes one of his women Her wife in law attempts to rescue her Shame moves on recruiting young victims and learning from other pimps the ins and outs of the street He meets a young woman and against the unwritten rules of the street falls in love Fighting against his feelings he cons her into believing he s in trouble to get her into prostitution When she finds out he is a pimp she turns on him She is kidnapped and drugged into submission She tries to escape but is found dead of a drug overdose A policewoman who grew up with the drug victim conducts her own investigation She goes undercover as a prostitute and another of Shame s women dies in a suspicious manner She joins forces with a D C vice detective and they obtain enough evidence to get Shame arrested The very dramatic trial does not turn out the way they expected and the victims of Shame decide to get their own justice
