The Country Life Bulletin ,1929 **Federal Council Bulletin** ,1926 **Plain Talk** ,1928 The Wiley Blackwell Companion to Conciliarity in Modern Orthodox Christianity Irina Paert,Andrey Shishkov,Alison R Kolosova,2025-07-28 The practice of holding councils and synods is recorded since the early days of the Christian Church and consequently the concept of conciliarity has always been at the heart of the Orthodox Church s confessional identity The proposed companion

focuses on the evolution of concept of conciliarity in the Orthodox Church after the 19th century when the Enlightenment and Romantic philosophy challenged the traditional hierarchical structure of the Church promoting a new theological consciousness where the Church was seen as an organic community rather than a pyramidal body. Featuring almost 50 chapters written by the most prominent scholars in the field from a wide range of geographical, ethnic and confessional backgrounds, *The Wiley Blackwell Companion to Conciliarity in Modern Orthodox Christianity* explores the radical reforms to church life resulted from the Moscow Church Council 1917-1918, the emergence of eucharistic ecclesiology, the evolution of Greek and Slavic theologies and their impact within and beyond the Orthodox world as well as expressions of conciliarity at the initiative of the laity. Through a well-balanced selection of case studies, the volume aims to show how the rise of new forms of assembly and community has characterized not simply the Eastern and Oriental Orthodox churches (Egypt, Ethiopia, Armenia and India) but Orthodoxy in contemporary 20th-century contexts of migration and mission such as Africa, the US and Western Europe.

Preaching to Convert John Fletcher, 2013-11-13. *Preaching to Convert* offers an intriguing new perspective on the outreach strategies of U.S. evangelicals. Author John Fletcher frames these activities from door-to-door proselytizing to the spirited sermons of superstar televangelists as examples of activist performance broadly defined here as acts performed before an audience in the hopes of changing hearts and minds. Most writing about activist performance has focused on left progressive causes, events and actors, and if evangelicals have appeared at all they often appear as one-dimensional forces of ignorance or bigotry against which brave left-leaning activists must fight. *Preaching to Convert* argues against such a constricted view of activism and for a more nuanced understanding of U.S. evangelicalism as a movement defined by its desire to win converts and spread the gospel. In other words, evangelicals are activist performers par excellence. The book positions evangelicals as a diverse, complicated group confronting the loss of conservative Christianity's default status in twenty-first century U.S. culture. In the face of an increasingly secular age, evangelicals have been reassessing models of outreach. In acts like handing out Bible tracts to strangers on the street or going door-to-door with a Bible in hand, in elaborately staged, horror-themed morality plays or multi-million-dollar creationist discovery centers, in megachurch services beamed to dozens of satellite campuses and in controversial ex-gay ministries striving to return gays and lesbians to the straight and narrow, evangelicals are redefining what it means to be deeply committed in a pluralist world. The book's engaging style and careful argumentation make it accessible and appealing to scholars and students across a range of fields.

The Biblical Review, 1929 *An Ex-colored Church* Raymond R. Sommerville, 2004. The Christian Methodist Episcopal Church was an important part of the historic freedom struggles of African Americans from Reconstruction to the Civil Rights

movement This fight for equality and freedom can be seen clearly in the denomination's evolving social and ecumenical consciousness The denomination's very name changed from Colored to Christian in 1954 but the denomination did not join the struggle late Rather the CME was a critical participant from the days following the Civil War At times the Church was at odds with their white Methodist counterparts and in solidarity with other African American denominations on issues of racial desegregation and the role of social protest in religion Raymond Sommerville's important book discusses the relationship between Martin Luther King Jr and the Southern Christian Leadership Conference and the CME While King and others received most of the headlines during the Civil Rights Era the CME proved to be involved at all levels and equally important in all they did With its strategic location in the South and its long history of ecumenical involvement the CME Church emerged as a leading advocate of ecumenical civil rights activism Previous interpretations asserted that the CME was apolitical and accommodationist or that it was more progressive than it was Sommerville presents a more nuanced account of how a church of largely former slaves emancipated itself from the constraints of white Methodist paternalism and Jim Crow racism to emerge as a progressive force of racial justice and ecumenism in the South and beyond Sommerville examines major centers of the CME Nashville Birmingham Memphis Atlanta and selected leaders in the South in charting the gradual metamorphosis of the former CME as a largely nonpolitical body of former slaves in 1870 to a more politically active denomination at the apex of the modern Civil Rights movement in the 1960s *The Missionary Review of the World*, 1926
