Plimpton Papers Law And Diplomacy

Mark R. Shulman, James R. Silkenat

Plimpton Papers Law And Diplomacy:

Plimpton Papers (The Credibility of institutions, policies and leadership) Francis T. p. Plimpton, Pauline Ames Plimpton, 1985-07-31 **The Plimpton Papers--law and Diplomacy** Francis Taylor Pearsons Plimpton, 1985 *The Imperial Presidency and the Consequences of 9/11* Mark R. Shulman, James R. Silkenat, 2007-02-19 The issue of the imperial presidency which is raised in connection with the Bush administration's response to the legal issues flowing from the 9 11 attacks is one that now resonates broadly across the American political landscape not just with Democrats but with Republicans too and not just with lawyers but with the American public generally Are the legal powers of the President unlimited in cases of terrorist attacks on the United States Do the courts and legislatures have a role to play How relevant is the U S Constitution in these instances These reports compiled by the NYC Bar Association merit wider distribution Thus Silkenat and Shulman have brought them together to give readers a clearer sense of what the rule of law really means to Americans As noted in a New York Times editorial in January 2006 Nothing in the national consensus to combat terrorism after 9 11 envisioned the unilateral rewriting of more than 200 years of tradition and law by the president embarked on an ideological crusade Over the past few years much lip service has been paid to the phrase rule of law At the same time the U S government has avoided basic rule of law principles by holding prisoners outside the law off the books and out of Red Cross supervision off shore or even on U S soil but without due process or urgent matter that bears on the security of this country In both volumes learned practitioners and scholars argue in favor of adherence to time tested principles Each report has a preface that places the material in historical and legal context *Moralism and Morality in Politics and Diplomacy* Kenneth W. Thompson, 1985 **Foreign Affairs** , 1985 *The Miller Center Papers* Pat Dunn, 1998 *The Record of the Association of the Bar of the City of New York* Association of the Bar of the City of New York, 1986 *Bureaucracy and Statesmanship* Robert A. Strong, 1986 Henry Kissinger serves as a powerful example of one who managed to dominate the foreign policy bureaucracies in the Nixon and Ford Administrations The author asserts that the former Secretary of State has redirected our thinking about these problems of foreign policy particularly because Kissinger argued that lack of statesmanship is actually at the heart of the matter **Bowker's Law Books and Serials in Print** , 1986 *The American Approach to Foreign Policy* Cecil Van Meter Crabb, 1985 This is the second volume in a series which will examine the credibility of U S institutions policies and leadership The series is being brought out by the White Burkett Miller Center of Public Affairs through the assistance of the William and Flora Hewlett Foundation The main theme of Professor Crabb's study of pragmatism is that the credibility of philosophies of politics and foreign policies rests on their intellectual foundations However the public's acceptance of a philosophy depends on its ability to understand its assumptions and tenets A philosophy may be sound intellectually but lacking in public understanding and comprehension ISBN 0 8191 4423 1 16 50

Foreign Policy and Domestic Consensus Richard A. Melanson, Kenneth W. Thompson, 1985-09-09 R This volume deals

chronologically with the issue of domestic consensus since the Cold War consensus initially crystallized in the late 1940s

Contents The Cold War Consensus From Fearful Hostility to Wary Contempt John Mueller IThe Marshall Plan A Non Presidential Consensus David Clinton Eisenhower Congress and the Cold War Consensus Norman A Graebner Vietnam and the Breakdown of Consensus William C Gibbons Para Institutional Elites and Foreign Policy Consensus Jerry W Sanders The Grenada Intervention Prelude to a New Consensus Richard A Melanson

American Approaches to World Affairs Inis L. Claude,1986-04-04 Presents a fresh interpretation of America s role in twentieth century world affairs arguing that the U S has adhered to a pragmatic approach

McCarthyism and Consensus William Bragg Ewald,1986-07-09 Focuses on McCarthyism s public backing and the causes of Senator Joseph McCarthy s downfall The book examines the Eisenhower administration s role in the Senator s political collapse and attempts to answer the question to what extent is this episode exemplary of how a demagogue can be destroyed Intended not only for students scholars and historians but also for a general audience interested in the McCarthy era

Bibliographie Mensuelle. Partie I, Livres, Documents Officiels, Publications en Série United Nations Library (Geneva, Switzerland),1987
