by his wartime experiences And Margot well penniless immigrants certainly aren't her style Instead ignoring the danger signs she has her sights set on the city's most eligible bachelor But it's a tragedy neither woman sees coming which is about to change their lives forever Fast forward over two decades later and a top rating media program has begun investigating a long ago murder on the sleepily opulent Northern Beaches The locals are abuzz with speculation Some have reason to feel nervous including the police Others who've stayed silent for years are at last tempted to tell the truth A truth Margot and Rose could never have imagined From Sydney's deceptive glitter to the grit of Warsaw under siege *Dark Side of the Harbour* is a masterpiece of suspense a story of courage resilience and deadly secrets where only the strongest bonds survive

**Interesting** Steve Davis, 2015-04-09 Steve Davis was just a rookie from Plumstead south London learning how to play from an old book his snooker obsessed father had given him when an encounter with Barry Hearn changed his life forever With his backing Steve began touring the country in a clapped out car as an amateur Challenging established professionals and winning titles supported by his loyal following the Romford Roar it wasn't long before he progressed to the world's stage By the eighties Steve had helped transform a previously shady sport into a national obsession He and a cast of legends such as Ray Reardon Dennis Taylor and Alex Higgins with other young guns like Jimmy White were doing silent battle in front of huge audiences Tens of millions of viewers would witness the nail biting conclusions of his world championship finals this was snooker's golden era The man behind the boring tag has always been the sport's smartest and sharpest man With his cool obsessive approach Steve rewrote the rule book and became untouchably the best player in the world and the best paid sportsman in the country *Interesting* lays it all bare what it was like to win in those pressure cooker situations how to cope at the top when everyone wants you to lose and how you deal with the moment when a man comes along who is finally better than you This is a memoir that closely evokes the smoke filled atmosphere of those arenas the intrigue behind the scenes and the personal psychology and sacrifice that is required to stay at the top of such an exacting sport *Running Ronnie*

O'Sullivan, 2013-10-10 World Snooker Champion Ronnie O'Sullivan's frank and honest account of his astonishingly dramatic life I used to rely on drugs and alcohol to keep me going but now I've got the healthiest addiction going running This book explains how running has helped me to fight my demons my addictive personality depression my dad's murder conviction the painful break up with the mother of my children and allowed me to win five World Snooker Championships It is also about all of the great things in my life my kids snooker my dad's release from prison great mates who have helped me and the psychiatrist Dr Steve Peters who has taught me how not to run away when things get tough Finally it's about what it's like to get the buzz from running from snooker from life Because when it comes down to it everyone needs something to drive them on
