*Ethics in British Children's Literature* Lisa Sainsbury, 2013-08-29. Featuring close readings of selected poetry, visual texts, short stories and novels published for children since 1945 from *Naughty Amelia Jane* to *Watership Down*, this is the first extensive study of the nature and form of ethical discourse in British children's literature. *Ethics in British Children's Literature* explores the extent to which contemporary writing for children might be considered philosophical, tackling ethical spheres relevant to and arising from books for young people such as naughtiness, good and evil, family life and environmental ethics. Rigorously engaging with influential moral philosophers from Aristotle through Kant and Hegel to Arno Leopold, Iris Murdoch, Mary Midgley and Lars Svendsen, this book demonstrates the narrative strategies employed to engage young readers as moral agents.

*Refugee Imaginaries* Emma Cox, 2019-11-01. Charts new directions for interdisciplinary research on refugee writing and representation. Places refugee imaginaries at the centre of interdisciplinary exchange, demonstrating the vital new perspectives on refugee experience available in humanities research. Brings together leading research in literary performance, art and film studies, digital and new media, postcolonialism and critical race theory, transnational and comparative cultural studies, history, anthropology, philosophy, human geography and cultural politics. The refugee has emerged as one of the key figures of the twenty-first century. This book explores how refugees imagine the world and how the world imagines them. It demonstrates the ways in which refugees have been written into being by international law, governmental and non-governmental bodies and the media, and foregrounds the role of the arts and humanities in imagining, historicising and protesting the experiences of forced migration and statelessness. Including thirty-two newly written chapters on representations by and of refugees from leading researchers in the field, *Refugee Imaginaries* establishes the case for placing the study of the refugee at the centre of
