Banegas,2024-03-19 CLIL is a pedagogical approach which has gained traction in different educational and geographical contexts as a key tool in language learning and teaching After more than 25 years of implementation we can assert that we have learned a great deal about what CLIL entails However it is also true that we still need to contextualise the approach in order to clearly delimit what CLIL has to offer in each setting This is precisely the aim of this book This volume focuses on CLIL in South American contexts It identifies clarifies and offers insights into issues related to its characterisation and

implementation as well as teacher education With contributions from a prestigious array of scholars and practitioners from various parts of South America it also highlights some of the achievements and challenges in the process of implementing CLIL in the region Against the backdrop of South American contexts this book aims to provide a useful and innovative lens through which policy makers researchers and teachers will find significant implications for the development of CLIL

Storytown Ride the Edge Theme 3 Grade 5 Harcourt School Publishers, Isabel L. Beck, 2005 **Ugandan Children's Literature and Its Implications for Cultural and Global Learning in TEFL** Stephanie Schaidt, 2018-01-15 The present study adds to TEFL discourse in several ways First of all it contributes to the widening of the canon as it focuses on Ugandan childrens fiction Secondly the research connects to the few empirical studies that exist in the field It provides further implications for cultural and global learning and literary didactics in TEFL derived from insights into the mental processes of a group of Year 9 students in Germany engaging with Ugandan childrens fiction within the scope of an extensive reading project
