Hoffman, 2012-03 I was with her twenty four hours a day seven days a week for the last ten months of her life The conversations we had were priceless The promises I made to her I am still fulfilling Dawn definitely made me a stronger person She taught me so many things about life about myself but also about others After she was diagnosed Dawn saw things as they were and not as she wished them to be and slowly but surely she began putting things in order Yes this cancer is going to end my life here on earth several years sooner than if I didn't have it Though it won't take away what I have I have a loving father and best friend I have Cathy my wonderful mother by marriage I have my mother and Kristie who I love so very much I have the two most beautiful children in the world in Tyler and Jordan I have peace with God and myself I also have something that is so important to me I have love from all those I just mentioned They love me So you see cancer didn't win It can never take what I have Please understand that I haven't given up on a miracle nor have I given up on life here on earth I won't live my life waiting on a miracle I'm going to live my life as if I don't need a miracle I won't live my life in fear of death I'm going to live my life as if I have nothing to fear Yes I will do whatever it takes to live I'm going to do my best to do what it takes to be happy not depressed So yes I hate that I have cancer although I love my life and those who are in it and make it what it is *Daddy's Girls* Suzanne Gold, 2000-11-17 *Daddy's Girls* is a rich yet simple family tale of love madness and spirit told in the three first person points of view of its three women Overlapping vignettes create a vivid patchwork of lives

defining moments to reveal dark forces lurking beneath the family's typical middle class veneer as they struggle to love one another. The story is fiction with a dash of magical realism but the inspiration is autobiographical. *Daddy's Girls* recently received a glowing review from Terry Mathews of Bookbrowser.com. She calls it 'A book that will speak to you on many levels that can alter your perception of the world, broaden your horizons and urge you to think outside the box. The best book I've read since Cunningham's *THE HOURS*.' And Ruth Williams, author of *Younger Than That*, now says *Daddy's Girls* is a luxuriant narrative telling the stories of three complex women: two sisters and their mother, and how their lives are impacted by the mental illness of one. A fascinating and obviously well-informed look at heartbreaking realities. This is a book written from the heart.

Touch Me, Ruin Me, Daddy's Pet Nyssa Kim, 2025-04-20 I fumbled with the lock, my pulse hammering. I shouldn't be here. I shouldn't want this. Alaric. I breathed but his name barely made it past my lips before his hands were on me, hot, demanding, unstoppable. Tell me to stop, he murmured against my throat, his fingers sliding beneath my dress. Tell me you don't want this. I opened my mouth to argue, to push him away, but all that came out was a soft shuddering gasp as he found the one place that betrayed me. His dark chuckle sent a shiver down my spine. That's what I thought. Betrayed and humiliated at the altar. Isla never planned to ruin herself in the arms of another man. But heartbreak led her straight into the grasp of Alaric Voss, powerful, ruthless, and twice her age. One night. No names. No future. Or so she thought. Because when the sun rose, Isla came face to face with her new boss, the same man who had just claimed her in every sinful way possible. Now resisting him is impossible. He's everywhere, watching, teasing, owning her with every smirk, every touch. She swore it was a mistake. He swears it's just the beginning. And the more she fights him, the more she realizes the truth. She was his from the moment he laid eyes on her. And Alaric Voss doesn't let what's his slip away.
