*A Reader's Manifesto* B. R. Myers, 2002 Including A response to critics and Ten rules for serious writers the author continues his fight on behalf of the American reader arguing against pretension in so called literary fiction naming names and exposing the literary status quo [A Study Guide for Annie Proulx's "The Shipping News"](#) Gale, Cengage Learning, 2015-09-15 A Study Guide for Annie Proulx's *The Shipping News* excerpted from Gale's acclaimed *Novels for Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Novels for Students* for all of your research needs **The Craft of Fiction** David Letzler, 2017-06 A 2017 Choice Outstanding Academic Title What is the strange appeal of big books The mega novel a genre of erudite tomes with encyclopedic scope has attracted wildly varied responses from fanatical devotion to trenchant criticism Looking at intimidating mega novel masterpieces from *The Making of Americans* to *2666* David Letzler explores reader responses to all the seemingly random irrelevant pointless and derailing elements that comprise these mega novels elements that he labels craft after the computer science term for junk code In *The Craft of Fiction* Letzler suggests that these books are useful tools to help us understand the relationship between reading and attention While mega novel text is often intricately meaningful or experimental sometimes it is just excessive and pointless On the other hand mega novels also contain text that though appearing to be craft turns out to be quite important Letzler posits that this craft requires readers to develop a sophisticated method of attentional modulation allowing one to subtly distinguish between text requiring focused attention and text that must be skimmed or even skipped to avoid processing failures *The Craft of Fiction* shows how the attentional maturation prompted by reading mega novels can help manage the information overload that increasingly characterizes contemporary life *The Brokeback Book* William R. Handley, 2011-05-01 An American Western made by a Taiwanese director and filmed in Canada *Brokeback Mountain* was a global cultural phenomenon even before it became the highest grossing gay themed drama in film history Few films have inspired as much passion and debate or produced as many contradictory responses from online homage to late night parody In this wide ranging and incisive collection writers journalists scholars and ordinary viewers explore the film and Annie Proulx's original story as well as their ongoing cultural and political significance The contributors situate *Brokeback Mountain* in relation to gay civil rights the cinematic and literary Western the Chinese value of forbearance male melodrama and urban and rural working lives across generations and genders *The Brokeback Book* builds on earlier debates by novelist David Leavitt critic Daniel Mendelsohn producer James Schamus and film reviewer Kenneth Turan with new and noteworthy interpretations of the *Brokeback* phenomenon the film and its legacy Also appearing in print for the first time is Michael Silverblatt's interview with Annie Proulx about the story she wrote and the film it became *We Are Doomed* John Derbyshire, 2010-10-05 To his fellow conservatives John Derbyshire makes a plea Don't be seduced by this nonsense about

the politics of hope Skepticism pessimism and suspicion of happy talk are the true characteristics of an authentically conservative temperament And from Hobbes and Burke through Lord Salisbury and Calvin Coolidge up to Pat Buchanan and Mark Steyn in our own time these beliefs have kept the human race from blindly chasing its utopian dreams right off a cliff Recently though various comforting yet fundamentally idiotic notions of political correctness and wishful thinking have taken root beyond the Kumbaya singing we re all one crowd These ideas have now infected conservatives the very people who really should know better The Republican Party has been derailed by legions of fools and poseurs wearing smiley face masks Think rescuing the economy by condemning our descendents to lives of spirit crushing debt Think nation building abroad while we slowly disintegrate at home Think education and No Child Left Behind But don t think about it too much because if you do you ll quickly come to the logical conclusion We are doomed Need more convincing Dwell on the cheerful promises of the diversity cult and the undeniable reality of the oncoming demographic disaster Contemplate the feminization of everything or take a good look at what passes for art these days Witness the rise of culturism and the death of religion Bow down before your new master the federal apparatchik Finally ask yourself How certain am I that the United States of America will survive in any recognizable form until say 2022 A scathing mordantly funny romp through today s dismal and dimaler political and cultural scene We Are Doomed provides a long overdue dose of reality revealing just how the GOP has been led astray in recent years and showing that had conservatives held on to their fittingly pessimistic outlook America s future would be far brighter Ladies and gentlemen it s time to embrace the Audacity of Hopelessness
