**Rob Larson,Alejandro Reuss,Bryan
Snyder,Chris Sturr**

Real World Micro By Breslow 9th Edition:

Capitalism and Disability Marta Russell, 2019-08-06 Spread out over many years and many different publications the late author and activist Marta Russell wrote a number of groundbreaking and insightful essays on the nature of disability and oppression under capitalism In this volume Russell s various essays are brought together in one place in order to provide a useful and expansive resource to those interested in better understanding the ways in which the modern phenomenon of disability is shaped by capitalist economic and social relations The essays range in analysis from the theoretical to the topical including but not limited to the emergence of disability as a human category rooted in the rise of industrial capitalism and the transformation of the conditions of work family and society corresponding thereto a critique of the shortcomings of a purely civil rights approach to addressing the persistence of disability oppression in the economic sphere with a particular focus on the legacy of the Americans with Disabilities Act of 1990 an examination of the changing position of disabled people within the overall system of capitalist production utilizing the Marxist economic concepts of the reserve army of the unemployed the labor theory of value and the exploitation of wage labor the effects of neoliberal capitalist policies on the living conditions and social position of disabled people as it pertains to welfare income assistance health care and other social security programs imperialism and war as a factor in the further oppression and immiseration of disabled people within the United States and globally and the need to build unity against the divisive tendencies which hide the common economic interest shared between disabled people and the often highly exploited direct care workers who provide services to the former
