The Real Reason why Johnny Still Can't Read Stanley Louis Sharp,1982-01-01 **From the Study to the Pulpit** Allan Moseley,2018-08-28 Many pastors struggle with preaching the Old Testament As a professor and pastor Allan Moseley s vast experience and knowledge go a long way in helping expositors enrich their pulpit ministry The purpose of his book is to offer both exegetical and preaching help by means of a workable 8 step method The author s preaching model starts with the initial step of determining the genre and meaning of the text to doing word studies and discovering the main ideas of the text to applying the sermon in a life changing and Christ honoring manner Some books on preaching from the Old Testament are written by authors who do not actually preach or preach only occasionally Pastors and budding preachers need a book written by someone who has knows what it is like to be a pastor and has prepared sermons every week for years His book reflects his classroom teaching on the subjects of exposition and hermeneutics and it provides helpful illustrations of expositional principles that rise from his own preaching ministry *Modern Church* ,1892 **The Watchman-examiner** ,1916 **The Primitive Church Magazine** ,1851 **Beyond Myth: The Creation Series, Volume One** Wallace R. Clausen,2025-10-22 In Beyond Myth readers travel deep into Isreal s ancient faith There Genesis is examined through a two panel three paired days framework Out of it emerges the surprising theme that humanity has been appointed rulers over the created order Three interpretive tools underscore this study Those tools and the two panel framework not only unlock the Genesis author s message but they make Beyond Myth an ideal read for collaborative study groups This book is unlike any on the market today From a college student seeking to understand Genesis to a parent of teens whose questions on science versus creation are befuddling or one who holds secret doubts about the veracity of Genesis with its myth like claims in which a serpent speaks and fruit gives knowledge as well as eternal life this book will reassure readers faith Importantly for those who wonder how Genesis 1 3 might address twenty first century America Clausen transforms antiquity s message into a relevant theological critique Beyond Myth vaults readers into a dynamic new understanding of this ancient text one free from mythic falsehoods from science battering the Bible and from deception as the church slips deeper into fragmentation chaos and the despair of political darkness American International Pictures Rob Craig,2019-03-05 American International Pictures was in many ways the missing link between big budget Hollywood studios poverty row B movie factories and low rent exploitation movie distributors AIP first targeted teen audiences with science fiction horror and fantasy but soon grew to encompass many genres and demographics at times it was indistinguishable from many of the major studios From Abby to Zontar this filmography lists more than 800 feature films television series and TV specials by AIP and its partners and subsidiaries Special attention is given to American International Television the TV arm of AIP and an appendix lists the complete AITV catalog The author also discusses films produced by founders James H Nicholson and Samuel Z Arkoff after they left the company **Household Journal of Popular Information, Amusement and Domestic Economy** ,1861
