Realignments In Russian Foreign Policy:

Realignments in Russian Foreign Policy Rick Fawn, 2004-11-23 This collection provides international perspectives on the evolution of Russia's foreign relations and analyses official Russian responses to major regional and international developments including NATO and EU enlargement and the post September 11 international war on terrorism

Realignments in Russian Foreign Policy Rick Fawn, 2003 This collection provides international perspectives on the evolution of Russia's foreign relations and analyses official Russian responses to major regional and international developments including NATO and EU enlargement and the post September 11 international war on terrorism *Russian Foreign Policy under Dmitry Medvedev, 2008-2012* Valerie Pacer, 2015-11-19 Although the presidency of Dmitry Medvedev is often seen as a continuation of Vladimir Putin's presidency with the same policies applied in the same way this book disagrees arguing that Medvedev's foreign policy was significantly different from Putin's The book considers especially the relationship between Russia and the Euro Atlantic security configuration including both NATO and the Organisation for Security and Co operation in Europe a relationship of great importance to Russia given constant attention It discusses a wide variety of issues including frozen conflicts security co operation and nuclear weapons reductions highlights the different tone and approach under Medvedev exemplified especially by his draft European Security Treaty and shows how after Putin's return to the presidency there has been a shift in foreign policy with much great emphasis on influencing Russia's immediate neighbours and on Eurasian union and less emphasis on rapprochement and co operation Realignments in Russian Foreign Policy, 2002 The Foreign Policy of Russia Robert H. Donaldson, Joseph L. Noguee, Vidya Nadkarni, 2014-03-15 Now fully updated this widely respected text traces the lineage and development of Russian foreign policy with the insight that comes from historical perspective The fifth edition incorporates new and fully updated coverage of issues including relations with the major powers and with other post communist states international security issues including arms control issues and grounds for sanctions and intervention and domestic and regional issues related to natural resource politics human rights Islamism and terrorism **Strategic Developments in Eurasia After 11 September** Shireen Hunter, 2004 Presenting the views of leading experts on strategic considerations in Eurasia this volume shows that the 11 September attacks and subsequent developments have affected the way in which international relations are evaluated In addition these developments have turned the concept of asymmetric threats including large scale international terrorist attacks into genuine realistic dangers threatening our security As a result the conventional mindset over issues of war and peace of existing alliances and partnerships even of the character of the international system has to be re evaluated This volume sheds light on the aspects of change that have taken place in the post 11 September evolution of international relations in Eurasia

Key Players and Regional Dynamics in Eurasia M. Freire, R. Kanet, 2010-10-20 Explores Russia's re emergence as a major actor in Central Asia and the Caucasus a re emergence which is limited by the involvement and influence of external

state and non state actors including China the USA and foreign energy companies **The Routledge Handbook of Russian International Relations Studies** Maria Lagutina,Natalia Tsvetkova,Alexander Sergunin,2023-02-27 This handbook examines the study of international relations IR in Russia giving a comprehensive analysis of historical theoretic conceptual geographical and institutional aspects It identifies the place and role of Russia in global IR and discusses the factors that facilitate or impede the development of Russian IR studies The contributors represent diverse Russian regions and IR schools and offer an overview of different intellectual traditions and key IR paradigms in the post Soviet era Filling the vacuum in international understanding of the Russian perspective on pivotal international issues they demonstrate the continuity and change in Russia s international policy course over the past three decades and explain how different foreign policy schools and concepts have affected Russian foreign policy making and the decision making process Providing a unique contribution to the discussion on non Western IR theory this handbook will appeal to scholars and students of international relations Russian studies world politics and international studies **Russian Politics Today** Michael Waller,2005-07-22 This introductory text written by an established authority on communist and post communist politics describes how Vladimir Putin has turned to those with backgrounds in the military and security structures to provide stability in today s Russian Federation following the democratising reforms of Gorbachev and the ensuing instability of the Yeltsin presidency Against the background of an increasing authoritarianism which has restored features of the Soviet political system it examines the attempts by social and economic groups to assert themselves against the state using embryonic democratic forms that fall far short of pluralism The book s fourteen chapters offer an exceptionally broad coverage It will appeal to first and second year students in higher education but its deliberately accessible style will also make it attractive to the general reader

Security Integration in the Post-Soviet Space and Collective Security Treaty Organization Ramakrushna Pradhan,Sukanya Kakoty,2024-08-28 This book explores the role of the Central Security Council CSTO in ensuring regional security analyzing the evolution of cooperation between post Soviet states since the Soviet Union s demise It focuses on the establishment of the CSTO as a regional organization since 2002 with six out of 11 CIS members The book fills a gap in existing research on the security paradigm in post Soviet space and the collective security mechanism of CSTO Many western scholars have not understood the importance of multilateralism and Russia s foreign policy in maintaining security measures in the post Soviet space The book is an informative handbook on regional integration Eurasianism and CSTO for students scholars readers academicians and researchers working on this area
