New York Court of Appeals. Records and Briefs. New York (State)., **The Baker Story** Jim Baker,2015-08-06 In America it was still an innocent time 1965 but I was going through personal turmoil as a freshman in college and struggling with my Fathers alcoholism to escape I joined the United States Air Force Spent four and a half years got out and returned to my native Oklahoma to ranch and farm in a family business and rejoined the Air Force again and made it a career finally attaining the rank of Chief Master Sergeant I experienced some very joyful times while in the military and some personal lows as well a murder but I had a very informative and rewarding career overall and met many men and women I still consider a friend It is my hope that you will enjoy the reading and can relate to the time and era **One Art** Elizabeth Bishop,2015-01-13 These letters funny touching and occasionally harrowing remind us that this great poet was a remarkable woman as well Don t miss them Michael Dirda The Washington Post Book World Robert Lowell once remarked When Elizabeth Bishop s letters are published as they will be she will be recognized as not only one of the best but one of the most

prolific writers of our century One Art is the magnificent confirmation of Lowell's prediction From several thousand letters written by Bishop over fifty years from 1928 when she was seventeen to the day of her death in Boston in 1979 Robert Giroux the poet's longtime friend and editor has selected over five hundred missives for this volume In a way the letters comprise Bishop's autobiography and Giroux has greatly enhanced them with his own detailed candid and highly informative introduction One Art takes us behind Bishop's formal sophistication and reserve fully displaying the gift for friendship the striving for perfection and the passionate questing rigorous spirit that made her a great artist A remarkable collection True magic Richard Locke The Wall Street Journal One Art does not quite substitute for an autobiography there are too many important facts missing Instead it stands as a sort of golden treasury to be gone through in one enthralled reading and then browsed in ever after J D McClatchy The New York Times Book Review The publication of Elizabeth Bishop's selected letters is a historic event Let us celebrate the appearance of this extraordinary this quite exceptional and wonderful work Tom Paulin The Times Literary Supplement

I'll Tell You A Secret Anne Coleman, 2010-11-05 Memory opens for me through my body I slip back because I catch a smell hear a sound or hold an evocative flavour on my tongue But these single sense glimpses of or gusts from the past are often fleeting More compelling for me more total is when my whole body the entire surface of my skin and my muscles movements connect me to my old self Especially it is the movements of summer when more of me meets the elements while I am swimming or feeling my bramble scratched legs against hot rocks Or when I am experiencing the lovely lassitude that fills me at the end of a long afternoon of sun and water as I stand slicing tomatoes for my supper while corn boils and sun falls in the window on a pile of raspberries in a bowl All my senses all are alive from I'll Tell You a Secret A delightful beautifully written and thoroughly engaging story of coming of age in the 1950s that focuses on Anne Coleman between the ages of fourteen and twenty one and her relationship with Mr MacLennan Canadian literary figure Hugh MacLennan which played out in the summers in the village of North Hatley Quebec a picturesque resort that has been known to attract artists and writers and the upper classes In prose that is intimate visual and resonant with immediacy Anne Coleman brings us back to summers in the 1950s revealing the eccentricities of North Hatley and its residents but most of all focusing on her special friendship with a man many years her senior Independent individualistic sensually alert as a young girl Anne Coleman did not fit the mould Later when Anne is

eighteen she leads a double life one which follows the course of a romance with Frank the dark brooding European young man who has a strange hold over her and the enigmatic Mr MacLennan whose own feelings for Anne suggest themselves to her in ways that are at once confusing tantalizing and deeply important Along the way the story also offers a wonderfully evocative portrayal of the 1950s its sexual repressiveness and mores The beautiful village of North Hatley comes alive in vivid ways This is a unique coming of age story by a writer who writes sentences that cut to the bone **Bray for the Brave** Kevin Cavey,2021-08-03 Our story takes us from the xperiences in the Royal Hotel to n exciting space adventure Also where the main character alls in love with a space cadette named Francisca Lest we orget amongst the brave is Bray Adventures belonging to John and Aoife Mc Nulty Journal of the United States Artillery ,1930 The Magical Life Barb E. Call,2009-10 Get ready to laugh Here is a fun witty read about life s ups and downs a book about experiences that in one moment make us feel grateful to be alive and in the next tempted to strangle whoever came up with the expression Don t worry be happy First time author and humorist Barb E Call serves up a smorgasbord of funny fare in The Magical Life Where Do You Find That In this book of comedic memoirs Barb discusses familiar everyday challenges like horrible hairstyles ludicrous attempts at sports the trials of dieting nightmare jobs and regrettable vacations Barb writes about them all in her lighthearted outspoken humorous way reminding us that while life may not always be magical it can certainly be entertaining Her stories will leave readers smiling as they relate to her inadvertent adventures and recall some of their own magical mishaps
