Reasonable Creatures Essays On Women And F:

New York Magazine, 1994-10-10 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country. With award winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea.

Mothers and Children Susan E. Chase, Mary Frances Rogers, 2001 Motherhood is a highly personal array of experiences with a uniquely public dimension preoccupying policymakers, advice givers, health care providers, religious leaders, child care workers, educators, and total strangers who feel entitled to judge mothers they see with their children in the neighborhood or on the TV news. Chase, U of Tulsa and Rogers, U of West Florida approach motherhood and mothering as feminist sociologists focusing on questions such as how ideas about motherhood are shaped by social and historical conditions, how ideas about motherhood change over time and across social contexts, who has the power to make their definitions of motherhood stick, and what diverse groups of mothers themselves think. Annotation copyrighted by Book News Inc. Portland, OR.

The Cambridge Handbook of the International Psychology of Women Fanny M. Cheung, Diane F. Halpern, 2020-08-06 There is a growing knowledge base in understanding the differences and similarities between women and men as well as the diversities among women and sexualities. Although genetic and biological characteristics define human beings conventionally as women and men, their experiences are contextualized in multiple dimensions in terms of gender, sexuality, class, age, ethnicity, and other social dimensions. Beyond the biological and genetic basis of gender differences, gender intersects with culture and other social locations which affect the socialization and development of women across their life span. This handbook provides a comprehensive and up to date resource to understand the intersectionality of gender differences, to dispel myths, and to examine gender relevant as well as culturally relevant implications and appropriate interventions. Featuring a truly international mix of contributors and incorporating cross cultural research and comparative perspectives, this handbook will inform mainstream psychology of the international literature on the psychology of women and gender.

Speaking of Sex Deborah L. Rhode, 1999 *Speaking of Sex* explores a topic that frequently is absent from our discussions about sex: the persistence of sex based inequality and the cultural forces that sustain it. On critical issues affecting women, most Americans deny either that gender inequality is a serious problem or that it is one which they have a personal or political responsibility to address. In tracing this no problem problem, *Speaking of Sex* examines the most fundamental causes of women's disadvantages and the inadequacy of current public policy to combat them.

Feminist Interpretations of Ayn Rand Mimi Reisel Gladstein, Chris Matthew Sciabarra, 2010-11-01 Bloemlezing van bijdragen vanuit feministisch perspectief over het werk van de Amerikaanse filosoof en schrijfster Ayn Rand. Bevat de volgende bijdragen: Ayn Rand, the reluctant feminist; Barbara Branden, Ayn Rand and feminism: an unlikely alliance; Mimi

 in the light of Paglia Robert Sheaffer Sex and gender through an egoist lens masculinity and femininity in the philosophy of
 Ayn Rand Diana Mertz Brickell The female hero a Randian feminist synthesis Thomas Gramstad Fluff and granite rereading
 Rand s camp feminist aesthetics Melissa Jane Hardie *Psychoanalytic Approaches for Counselors* Frederick
 Redekop,2014-11-04 Psychoanalytic Approaches for Counselors explores Freud s historical contributions to the theories
 within this school of thought and demonstrates their practical application in clinical practice today Using the compelling
 framework of the common factors approach the text helps readers consider how both the client s perspective and the
 interpersonal forces within a helping relationship can shape positive therapeutic outcomes The text s clinical vignettes case
 examples and discussion of significant updates within the field further highlight the relevance of the psychoanalytic approach
 to counseling Psychoanalytic Approaches for Counselors is part of the SAGE Theories for Counselors Series that includes
 Cognitive Behavioral Approaches for Counselors by Diane Shea and Person Centered Approaches for Counselors by Jeffrey H
 D Cornelius White Comprehensive in scope this readable volume both demystifies traditional psychoanalytic theory and
 describes contemporary advances in analytic thought Cecile Brennan John Carroll University Dr Redekop has produced a
 rare specimen a textbook by a university counseling professor that is useful for psychoanalysts and analysts in training Frank
 Malone Philadelphia School of Psychoanalysis A highly readable approachable conversational invitation to the psychoanalytic
 tradition Jerome Wagner Loyola University Chicago **Reasonable Creatures** Katha Pollitt,1995-08-01 Nominated for the
 National Book Critics Circle Award this brilliant insightful controversial and courageous book contains the best of Pollitt s
 pieces which have galvanized readers of The Nation The New Yorker and The New York Times on subjects that range from
 abortion and breast implants to date rape marriage the media and violence Men as Managers, Managers as Men David
 Collinson,Jeff Hearn,1996-09-28 Most managers in most organizations in most countries are men This book is the first
 international work to address the relationships between men masculinities and managements It examines the processes
 through which gendered managerial structures cultures and practices are reproduced Exploring top and middle managers
 entrepreneurs corporate executives and public and private sector managers the book breaks new ground by critically
 examining the gendered power processes that have largely been assumed and ignored by conventional organizational and

management theory As well as providing new insights into how managements and masculinities may reinforce each other this challenging book ultimately explores the ways in w

Bad Girls Go Everywhere Jennifer Scanlon, 2010-08-31 The biography of the revolutionary magazine editor who created the Cosmo Girl before Sex and the City's Carrie Bradshaw was even born As the author of the iconic Sex and the Single Girl 1962 and the editor in chief of Cosmopolitan magazine for over three decades Helen Gurley Brown 1922 2012 changed how women thought about sex money and their bodies in a way that resonates in our culture today In Jennifer Scanlon's widely acclaimed biography the award winning scholar reveals Brown's incredible life story from her escape from her humble beginnings in the Ozarks to her eyebrow raising exploits as a young woman in New York City and her late blooming career as the world's first lipstick feminist A mesmerizing tribute to a legend **Bad Girls Go Everywhere** will appeal to everyone from Sex and the City and Mad Men fans to students of women's history and media studies

The Gender Line Nancy Levit, 1998-04-01 Despite tremendous advances in civil rights we live in a world where the sexes remain sharply segregated from birth to death in names clothing social groupings and possessions in occupations civic association and domestic roles Gender separatism so pervasive as to be almost invisible permeates the fabric of our daily social routines Preferring a notion of gender that is fluid and contextual and denying that separatism is inevitable Nancy Levit dismantles the myths of gender essentialism Drawing on a wealth of interdisciplinary data regarding the biological and cultural origins of sex differences Levit provides a fresh perspective on gendered behaviors and argues the need for careful cultivation of new relations between the sexes With its focus particularly on men **The Gender Line** offers an insightful overview of the construction of gender and the damaging effects of its stereotypes Levit analyzes the ways in which law legitimizes the social segregation of the sexes through legal decisions regarding custody employment education sexual harassment and criminal law In so doing she illustrates the ways in which men's and women's oppressions are intertwined and how law molds the very definition of masculinity Applying feminist methodology to the doctrine of feminism itself Levit artfully demonstrates that gender separatism infects even our contemporary views of feminism Levit asks questions that have been too long been unspoken those that lie at the core of the feminist project yet threaten its very foundations Revealing masculinity as both a privileged and a victimized condition she calls for a step forward past the bounds of contemporary feminism and its conflicts toward a more egalitarian and inclusive feminism This brand of feminism would reshape traditional masculinity invite men into feminist dialogue and claim men as political allies
