grapple with the text and tradition of Talmud talking personally about their own reasons for studying it Each of these scholars and teachers believes that Talmud is indispensable to any serious study of modern Judaism and so each essay challenges the reader to engage in his or her own individual journey of discovery The diverse feminist rabbinic educational and philosophical approaches in this collection are as varied as the contributors experiences Their essays are accessible personal accounts of their individual discovery of the Talmud reflecting the vitality and profundity of modern religious thought and experience *My Disciple, My Child* Noach Orlowek, 1993 A practical Torah based guide to successful discipline in the classroom communicating effectively and establishing rapport with students *Bulletin of the Brockton Public Library* ,1913
