Rebirth For Christianity:

A Rebirth for Christianity Alvin Boyd Kuhn, 2008-04-25 The search to uncover the hidden origins of Christianity and discover its true message has become a current topic of fascination for many readers. People are eager to know the truths behind the biblical legends and the mysteries that created Christian rites, ceremonies, and codes of behavior. Kuhn argues that the sacred scriptures of Judaism and Christianity do not portray historical truths but symbolic and mystical metaphors. The spiritual truth encoded in scripture, says Kuhn, is far more important than its literal narrative. Kuhn's research provides a clear understanding of the allegorical interpretations of the scriptures and their significance to a deeper, more profound Christianity. He traces the historical and philosophical origins of Christian thought to illustrate that Jesus was one of many incarnations of an enduring archetype that has surfaced in many religions. In fact, those who wrote the scriptures may have never even intended the focus to be on Jesus, the man. Moreover, Kuhn investigates the problems, psychological, spiritual, and otherwise, that result from a purely historical interpretation of Jesus. In doing so, Kuhn reclaims the mystical power at the core of Christianity's message, which has to do with the birth of the inner Christ and the emergence of divine consciousness in humanity.

Reincarnation in Christianity Geddes MacGregor, 1990-03-09 In this exciting landmark work, MacGregor delves into the annals of Christian history to demonstrate that Christian doctrine and reincarnation are not mutually exclusive belief systems.

Rebirth And Rejoice Tina A. Swain, 2011-11-29 Rebirth and Rejoice is intended to inform people of the newness and awkwardness of becoming a Christian as written by a layperson, not a pastor or minister. It is believed that the experiences written herein are the same or similar to those of most every Christian or any person who has had questions about Christianity. This book gives accounts of where being born again may not be popular, but an individual is able to rejoice once they have gone through certain growing pains and experiences that culminate in a stronger relationship with God. This book takes you on a journey in your Christian walk. The journal pages are meant to assist you in realizing some things about yourself personally, spiritually, and emotionally so that you may make any changes along the way. This journal can be reflected upon again and again once you have become a mature Christian and are able to look upon how far you've come.

Unmasking the Pagan Christ Stanley E. Porter, Stephen J. Bedard, 2006 Rabbi or Messiah, Prophet or the Son of God? People have debated the identity of Jesus of Nazareth since the first century. But what if there was no Jesus? What if there was no Mary or Joseph, no twelve apostles? What if the story of Jesus was no more than a myth to convey spiritual truth? These claims have been around for hundreds of years and have become more prominent with well-known religion columnist Tom Harpur's recent book *The Pagan Christ*. Harpur claims that Jesus was not a historical figure but was one version of an ancient myth that can be traced from ancient Egyptian religion to the Roman mystery cults. Stanley Porter and Stephen Bedard tackle this radical claim by looking at the roots of the pagan Christ idea, examining the supposed pagan parallels, and presenting the evidence for the historical Jesus. The authors demonstrate that the suggestion of pagan origins for the Gospel story is not

based on historical or textual evidence but rather on a desire to create a universalistic spirituality revolving around a Cosmic Christ within each person A fair examination of both the mythological and biblical texts reveal that the traditional understanding of an actual historical figure known as Jesus of Nazareth appearing two thousand years ago is indeed the only logical conclusion Stanley E Porter is President and Dean and Professor of New Testament at McMaster Divinity College Hamilton Ontario Canada Porter has M A degrees from Claremont Graduate School and Trinity Evangelical Divinity School and the Ph D from the University of Sheffield He has written widely on issues of concern in study of the New Testament such as Jesus Paul the book of Acts and John He has a passion for education in the church and preaches and teaches regularly Stephen J Bedard is the pastor of Woodford Baptist Church and First Baptist Church Meaford Ontario Canada He holds the M Div and M Th degrees from McMaster Divinity College and is actively engaged in further graduate study Bedard is an advocate of informed preaching and teaching and is devoted to the ministry of the local church
