

POWER, AUTHORITY & LEGITIMACY

Power, authority, and legitimacy form the framework of governance within a kingdom. Power allows the monarch to command, authority gives them the right to do so, and legitimacy earns them the consent of the governed.

Religion And The State The Struggle For Legitimacy And Power

Erik Cornell

Religion And The State The Struggle For Legitimacy And Power:

Collectivistic Religions Slavica Jakelic, 2016-05-23 *Collectivistic Religions* draws upon empirical studies of Christianity in Europe to address questions of religion and collective identity religion and nationalism religion and public life and religion and conflict It moves beyond the attempts to tackle such questions in terms of choice and religious nationalism by introducing the notion of collectivistic religions to contemporary debates surrounding public religions Using a comparison of several case studies this book challenges the modernist bias in understanding of collectivistic religions as reducible to national identities A significant contribution to both the study of religious change in contemporary Europe and the theoretical debates that surround religion and secularization it will be of key interest to scholars across a range of disciplines including sociology political science religious studies and geography

The Blackwell Companion to Religion and Violence Andrew R. Murphy, 2011-04-20 The timely *Blackwell Companion to Religion and Violence* brings together an international interdisciplinary group of scholars who provide a coherent state of the art overview of the complex relationships between religion and violence This companion tackles one of the most important topics in the field of Religion in the twenty first century pulling together a unique collection of cutting edge work A focused collection of high quality scholarship provides readers with a state of the art account of the latest work in this field The contributors are broad ranging international and interdisciplinary and include historians political scientists religious studies scholars sociologists anthropologists theologians scholars of women s and gender studies and communication

□□□□□□□□, 1986 *Sovereignty, Legitimacy, and Power in West African Societies* Emile Adriaan Benvenuto van Rouveroy van Nieuwaal, 1998 *Disciples of the State* Kristin Fabbe, 2019-03-28 Using historical process tracing this book examines state interaction with religious elites institutions and attachments in Egypt Greece and Turkey

The Legitimacy of Use of Force in Public and Islamic International Law Mohammad Z. Sabuj, 2021-06-22 This book investigates the legitimacy deficits of two potentially conflicting legal systems namely Public and Islamic international law It discusses the challenges that Public international law is being presented within the context of its relationship with Islamic international law It explores how best to overcome these challenges through a comparative examination of state practices on the use of force It highlights the legal political legacies that evolved surrounding the claims of the legitimacy of use of force by armed non state actors states and regional organizations This book offers a critical analysis of these legacies in line with the Islamic Shari a law United Nations Charter state practices and customs It concludes that the legitimacy question has reached a vantage point where it cannot be answered either by Islamic or Public international law as a mutually exclusive legal system Instead Public international law must take a coherent approach within the existing legal framework

Religious Ideology and the Roots of the Global Jihad J. Turner, 2014-08-26 The events of 9 11 prompted questions as to the origins nature and purpose of international jihadist organisations In particular why had they chosen to target the US and the West in general Turner s book provides a unique

holistic insight into these debates taking into account historical perceptions and ideology as key factors

Annual Review of Sociology, 1994

The Quest for Legitimacy in Chinese Politics Lanxin Xiang, 2019-09-03 Xiang explains the nature and depth of the legitimacy crisis facing the government of China and why it is so frequently misunderstood in the West Arguing that it is more helpful to understand the quest for legitimacy in China as an eternally dynamic process rather than to seek resolutions in constitutionalism Xiang examines the understanding of legitimacy in Chinese political philosophy He posits that the current crisis is a consequence of the incompatibility of Confucian Republicanism and Soviet inspired Bolshevism The discourse on Chinese political reform tends to polarize between total westernization on the one hand or the rejection of western influence in all forms on the other Xiang points to a third solution meeting western democratic theories halfway avoiding another round of violent revolution This book provides valuable insights for scholars and students of China s politics and political history

State and Religion in the Arab World Khair El-Din Haseeb, 2017-12-22 This collection focuses on the controversial relationship between religion and the state within the Arab Spring context and the evolving debates on democratic transition In this book democracy is not questionable it is hailed by all those vocal on the political scene The array of opinions presented here varies from a call for a secular state based on Islamic philosophy to a call for setting democratic institutions before working on solving this religion state dichotomy Meanwhile some prefer to have an ambiguous stand on which side to back up the liberals or the Islamists despite a detailed criticism of the ossified ways of those calling for a religious state Al Majd The book starts with an analysis and a detailed account of how the sensitive issue of the relationship between state and religion developed in Arab thought and society and it goes on to employ less the religious discourse in presenting their positions thus focusing on actual cases of this struggle for power in different Arab countries such as Tunisia and Egypt The collection also provides insights and analysis of the ongoing debates and views on the role of religion in Libya and provides an analysis of the case of Morocco In addition to this there is a special chapter that deals with how Muslim communities living in the West adapt to secular state politics The collection ends with a thorough discussion by a number of Arab intellectuals and activists Muslims and Christians alike whereby core issues related to the debate on state and religion are presented This discussion in addition to reflecting the Islamist secular dichotomy demonstrates the richness of the ongoing debates that extend well beyond the discourse on this dichotomy This book is a compilation of articles published in Contemporary Arab Affairs

The Battle for the Soul of Islam James M. Dorsey, 2024-07-02 This book describes the battle between major Middle Eastern and Asian Muslim majority states to control the definition of Islam in the 21st century Focusing on United Arab Emirates Saudi Arabia and Indonesia the book explores how the outcome of this battle will significantly empower the winner or winners to wield religious soft power secure leadership of the Islamic world and project strategic influence worldwide The result of the rivalry will determine which notions of a moderate Islam will prevail including the degree to which these notions embrace religious and political pluralism tolerance gender equality secularism

and human rights as defined by the Universal Declaration of Human Rights or remain vague as in current Saudi and Emirate usage of the term moderation which is designed to mask these states failure to systematically integrate these values into their domestic and foreign policy agendas Ultimately the battle for the soul of Islam will significantly impact how Muslims worldwide understand and practice their faith Waged in diverse arenas across the globe this complex religious and geopolitical struggle will play a significant role in determining the prospects for peace and security not only in the vast region extending from the Atlantic coast of Africa to the Philippines but also in the United States and Europe

The Oxford Handbook of Cultural Sociology Jeffrey C. Alexander, Ronald Jacobs, Philip Smith, 2010-01-01 Since sociologists returned to the study of culture in the past several decades a pursuit all but anathema for a generation cultural sociology has emerged as a vibrant field Edited by three leading cultural sociologists The Oxford Handbook of Cultural Sociology presents the full theoretical and methodological vitality of this critically significant new area The Handbook gathers together works by authors confronting the crucial choices all cultural sociologists face today about analytic priorities methods topics epistemologies ideologies and even modes of writing It is a vital collection of preeminent thinkers studying the ways in which culture society politics and economy interact in the world Organized by empirical areas of study rather than particular theories or competing intellectual strands the Handbook addresses power politics and states economics and organization mass media social movements religion aesthetics knowledge and health Allowing the reader to observe tensions as well as convergences the collection displays the value of cultural sociology not as a niche discipline but as a way to view and understand the many facets of contemporary society The first of its kind The Oxford Handbook of Cultural Sociology offers comprehensive and immediate access to the real developments and disagreements taking place in the field and deftly exemplifies how cultural sociology provides a new way of seeing and modeling social facts This groundbreaking readable handbook is the first single volume to attempt to unify its diverse contemporary applications in a wide range of traditional genres of sociology Valuable for college universities and libraries supporting undergraduate and graduate degree programs in sociology and history CHOICE

A Companion to the History of the Middle East Youssef M. Choueiri, 2008-09-02 A Companion to the History of the Middle East offers a fresh account of the multifaceted and multi layered history of this region A fresh account of the multifaceted and multi layered history of the Middle East Comprises 26 newly commissioned essays by leading international scholars Primarily focused on the modern and contemporary periods Covers religious social cultural economic political and military history Treats the region as four differentiated political units Iran Turkey Israel and the Arab world Includes a section on current issues such as oil urban growth the role of women and democratic human rights

Local Peacebuilding and Legitimacy Landon E. Hancock, Christopher Mitchell, 2018-02-15 This volume searches for pragmatic answers to the problems that continue to beset peacebuilding efforts at all levels of society with a singular focus on the role of legitimacy Many peacebuilding efforts are hampered by their inability to gain the support of those they are

trying to help at the local level or those at regional national or international levels whose support is necessary either for success at the local level or to translate local successes to wider arenas There is no one agreed upon reason for the difficulty in translating peacebuilding from one arena of action to another but among those elements that have been studied one that appears understudied or assumed to be unimportant is the role of legitimacy Many questions can be asked about legitimacy as a concept and this volume addresses these questions through multiple case studies which examine legitimacy at local regional national and international levels as well as looking at how legitimacy at one level either translates or fails to translate at other levels in order to correlate the level of legitimacy with the success or failure of peacebuilding projects and programs The value of this work lies both in the breadth of the cases and the singular focus on the role of legitimacy in peacebuilding By focusing on this concept this volume represents an attempt to build beyond the critical peacebuilding approach of deconstructing the liberal peacebuilding paradigm to a search for pragmatic answers to the problems that continue to plague peacebuilding efforts at all levels of society This book will be of much interest to students of peacebuilding conflict resolution development studies security studies and International Relations

The Clash of Ideologies Barrett Williams, ChatGPT, 2025-08-09 The Clash of Ideologies invites you into a swift lucid tour of how ideas travel morph and grab the reins of politics and daily life in the digital age This timely exploration reveals how platforms become political arenas where algorithms design choices and the economics of attention shape what we see think and debate It unpacks the mechanics of data targeting and local persuasion showing how behavioral profiles skyrocket from browsing footprints to micro targeted messages in neighborhoods and elections often with a quiet tug on privacy and consent It moves beyond headlines to examine identity belonging and social dynamics revealing how memory narrative framing and generational differences fuel polarization and influence civic life From the shocks that spark fear to the hopes that mobilize communities from media ecosystems to education and critical thinking from protests to governance the book traverses regions Europe North America Latin America Sub Saharan Africa Southeast Asia the Middle East and North Africa South Asia offering a cross regional map of ideological contest and resilience It concludes with a forward view on global governance platform accountability and what it means to practice constructive civic engagement in an AI driven world Designed for readers who want clarity without jargon The Clash of Ideologies provides practical frameworks thought provoking case studies and tools for verifying information sustaining dialogue and building inclusive civic practices in your own community If you re curious about why ideology feels louder online how to separate signals from noise and how to participate in democracy with empathy and responsibility this is your guide Start here and join a more informed more compassionate public sphere Across twenty two chapters this work invites readers to compare regional narratives test assumptions and build a more hopeful public discourse It also serves as a practical companion for researchers students and everyday citizens seeking clearer thinking in a noisy world

The Confucian-Legalist State Dingxin Zhao, 2015-09-22 In

The Confucian Legalist State Dingxin Zhao offers a radically new analysis of Chinese imperial history from the eleventh century BCE to the fall of the Qing dynasty This study first uncovers the factors that explain how and why China developed into a bureaucratic empire under the Qin dynasty in 221 BCE It then examines the political system that crystallized during the Western Han dynasty a system that drew on China's philosophical traditions of Confucianism and Legalism Despite great changes in China's demography religion technology and socioeconomic structures this Confucian Legalist political system survived for over two millennia Yet it was precisely because of the system's resilience that China for better or worse did not develop industrial capitalism as Western Europe did notwithstanding China's economic prosperity and technological sophistication beginning with the Northern Song dynasty In examining the nature of this political system Zhao offers a new way of viewing Chinese history one that emphasizes the importance of structural forces and social mechanisms in shaping historical dynamics As a work of historical sociology The Confucian Legalist State aims to show how the patterns of Chinese history were not shaped by any single force but instead by meaningful activities of social actors which were greatly constrained by and at the same time reproduced and modified the constellations of political economic military and ideological forces This book thus offers a startling new understanding of long term patterns of Chinese history one that should trigger debates for years to come among historians political scientists and sociologists

Encyclopedia of Public Administration and Public Policy - 5 Volume Set Domonic A. Bearfield, Evan Berman, Melvin J. Dubnick, 2020-08-14 Now in its third edition Encyclopedia of Public Administration and Public Policy remains the definitive source for article length presentations spanning the fields of public administration and public policy It includes entries for Budgeting Bureaucracy Conflict resolution Countries and regions Court administration Gender issues Health care Human resource management Law Local government Methods Organization Performance Policy areas Policy making process Procurement State government Theories This revamped five volume edition is a reconceptualization of the first edition by Jack Rabin It incorporates over 225 new entries and over 100 revisions including a range of contributions and updates from the renowned academic and practitioner leaders of today as well as the next generation of top scholars The entries address topics in clear and coherent language and include references to additional sources for further study

Hidden Powers of State in the Cuban Imagination Kenneth Routon, 2010-07-18 Despite its hard nosed emphasis on the demystifying realism of Marxist Leninist ideology the political imagery of the Cuban revolution and the state that followed conjures up its own magical seductions and fantasies of power In this fascinating account Kenneth Routon shows how magic practices and political culture are entangled in Cuba in unusual and intimate ways Routon describes not only how the monumentality of the state arouses magical sensibilities and popular images of its hidden powers but he also explores the ways in which revolutionary officialdom has in recent years tacitly embraced and harnessed vernacular fantasies of power to the national agenda In his brilliant analysis popular culture and the state are deeply entangled within a promiscuous field of power taking turns siphoning the magic of the other in order to

embellish their own fantasies of authority control and transformation This study brings anthropology and history together by examining the relationship between ritual and state power in revolutionary Cuba paying particular attention to the roles of memory and history in the construction and contestation of shared political imaginaries **Turkey in the 21st Century**

Erik Cornell, 2014-01-02 Answers the questions what is the background to issues in external and internal politics What is the Turks opinion on European and Turkish identity On Cyprus On the role of the generals Why do human rights problems linger on What is behind the Kurdish question Is Turkey religiously split What are the pros and cons of Turkish association with the EU Legitimacy and the State in Twentieth-Century Africa Terence Ranger, Olufemi Vaughan, 1993-06-15 This book takes

as its theme the ways in which governments legitimate their rule both to themselves and to their subjects Its introduction explores legitimacy and pre colonial states but the three sections of the book deal with colonial legitimacy the question of legitimation in the transition from colonialism to majority rule and the contemporary debate about accountability

Religion And The State The Struggle For Legitimacy And Power Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Religion And The State The Struggle For Legitimacy And Power PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Religion And The State The Struggle For Legitimacy

And Power PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Religion And The State The Struggle For Legitimacy And Power free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Religion And The State The Struggle For Legitimacy And Power Books

1. Where can I buy Religion And The State The Struggle For Legitimacy And Power books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
