Religion In The Soviet Union:

Christian Religion in the Soviet Union Christel Lane, 1978-06-30 Christel Lane has written the first sociological study of religion in a communist and militantly atheist society. *Christian Religion in the Soviet Union* is the result of a detailed examination of Soviet sociological sources and the legally and illegally published reports of religious bodies or individuals backed up by the observations of the author and of other Western visitors to the USSR. Dr. Lane attempts to assess the impact of the intellectual and material culture of Soviet society on Christian religion. She analyses the religious life in the contemporary Christian churches and sects, describing the scope of their membership and its social composition, the religious commitment of believers and their social and political orientations. *Christian Religion in the Soviet Union* will be central reading for students of religion in modern industrial society who are working within the disciplines of sociology, comparative religion or theology. It will also appeal to those studying Soviet society from a more general sociological perspective and to a wide readership interested in the contest between Christian religion and Marxist Leninist ideology. Religion in the Soviet Union Walter Kolarz, 1961 Comprehensive survey of the situation of various religious groups in the U S S R including Christian Moslem Buddhist Jewish with contemporary developments under the Khrushchev regime **Religion, State and Politics in the Soviet Union and Successor States** John Anderson, 1994-09-22 Provides a systematic and accessible overview of church-state relations in the Soviet Union. This text explores the shaping of Soviet religious policy from the death of Stalin until the collapse of communism and considers the place of religion in the post **Religion in the Soviet Union** F. Corley, 1996-08-27 The Soviet government's attitude to religion in theory and practice is shown in this wide-ranging collection of annotated texts from the newly opened archives. Included are documents from the KGB, the Central Committee, the Council for Religious Affairs and numerous other official bodies. For the first time in English we see the bureaucrats' own view of how religious believers should be controlled, following the story from the persecutions of the early Soviet years to the openness instituted by Mikhail Gorbachev. *Religious Policy in the Soviet Union* Sabrina Petra Ramet, 1992-11-12 This book provides a sweeping and comprehensive analysis of the history of religion in the Soviet Union, tracing its fortunes through the chaos of the 1920s and the anti-religious persecution of Stalinism to the slow strangulation of Brezhnev and the liberalization under Gorbachev. Bringing together fifteen of the West's leading scholars on this subject, the book examines the policy apparatus, atheist education, cults and sects and recent changes in legislation and policy, presenting hitherto unknown material for the first time. Religion in the Soviet Union Albert Boiter, 1980 *Aspects of Religion in the Soviet Union, 1917-1967* Richard H. Marshall, 1971-01-01 *Candle in the Wind* Eugene B. Shirley, Michael Rowe, 1989-09-30 Religion has held a unique place in Soviet society; it is the only officially tolerated form of divergent ideology. Successive constitutions since 1917 have guaranteed freedom to perform religious rites. In this volume, eleven authors survey the history and current situation of religion. They look at the Russian Orthodox Church and other Christian bodies, Protestant, Catholic and Orthodox.

and also at Judaism Buddhism and Islam They describe the laws and the government agencies used to repress and persecute religious believers how various religious bodies have responded to repression and the prospects for reform under the initiatives of Mikhail Gorbachev **Religion in the Soviet Union** F. Dunn,2019-06-18 To the surprise of many students of the Soviet Union religion has shown itself to be a force still powerful in Soviet society In contrast the impact of religion in developed Western societies has declined Dr Dunn points out that the study of this antinomy can shed light on the entire concept of modernization in the U S S R The study of the **Keeping the Faiths** Paul D. Steeves,1989 Religion in the Soviet Union Jack Putterill,194? **The Jewish Religion in the Soviet Union** Joshua Rothenberg,1972 Stalin's Holy War Steven Merritt Miner,2003-10-16 Histories of the USSR during World War II generally portray the Kremlin s restoration of the Russian Orthodox Church as an attempt by an ideologically bankrupt regime to appeal to Russian nationalism in order to counter the mortal threat of Nazism Here Steven Merritt Miner argues that this version of events while not wholly untrue is incomplete Using newly opened Soviet era archives as well as neglected British and American sources he examines the complex and profound role of religion especially Russian Orthodoxy in the policies of Stalin s government during World War II Miner demonstrates that Stalin decided to restore the Church to prominence not primarily as a means to stoke the fires of Russian nationalism but as a tool for restoring Soviet power to areas that the Red Army recovered from German occupation The Kremlin also harnessed the Church for propaganda campaigns aimed at convincing the Western Allies that the USSR far from being a source of religious repression was a bastion of religious freedom In his conclusion Miner explores how Stalin s religious policy helped shape the postwar history of the USSR Religion in the New Russia James H.
