## **Religions In Four Dimensions Existential And Aesthetic Historical And:**

**Religions in Four Dimensions** ,1976      **Religions in Four Dimensions** Walter Arnold Kaufmann,1976

**Dictionary Of Modern American Philosophers** John R. Shook,2005-05-15 The Dictionary of Modern American Philosophers includes both academic and non academic philosophers and a large number of female and minority thinkers whose work has been neglected It includes those intellectuals involved in the development of psychology pedagogy sociology anthropology education theology political science and several other fields before these disciplines came to be considered distinct from philosophy in the late nineteenth century Each entry contains a short biography of the writer an exposition and analysis of his or her doctrines and ideas a bibliography of writings and suggestions for further reading While all the major post Civil War philosophers are present the most valuable feature of this dictionary is its coverage of a huge range of less well known writers including hundreds of presently obscure thinkers In many cases the Dictionary of Modern American Philosophers offers the first scholarly treatment of the life and work of certain writers This book will be an indispensable reference work for scholars working on almost any aspect of modern American thought      **Living Religions of the World**

Carl Hermann Voss,2013-02-05 Carl Hermann Voss has succeeded in presenting a very knowledgeable and comprehensive and at the same time highly readable account of the world s major religions their historical development key personages and basic tenets He writes with clarity insight and sympathetic understanding I found this to be an engrossing and illuminating book Dr Avraham Harman The Hebrew University of Jerusalem Living Religions of the World Our Search for Meaning is both reliable and readable an excellent combination commending it to students and educated laymen alike The living faiths offering real alternatives in a world grown small and compelling every thinking person to make a personal choice are presented with sympathy and scholarship There is a fine concluding summary of the major issues of conscience and decision in a generation which displays an upsurge of religious interest frequently along non traditional paths Dr Franklin H Littell Temple University Philadelphia PA Dr Voss s important scholarly work has always been marked by extraordinary sensitivity combined with wide erudition This marvelous book shows his many admirers anew how our common search for meaning finds distinct but complementary expression in the major religions of the world A lifetime of scholarly reflection renders his book an enriching experience for us all Father David Tracy University of Chicago      **From Shakespeare to Existentialism**

Walter A. Kaufmann,2020-07-21 A classic book by one of the twentieth century s most innovative and adventurous thinkers First published in 1959 From Shakespeare to Existentialism offers Walter Kaufmann s critical interpretations of some of the greatest minds in Western philosophy religion and literature Few scholars can match Kaufmann s range of interests from intellectual history and comparative religion to psychology art and architecture In this illuminating and wide ranging book he traces the evolving Aristotelian ideal of the great souled individual showing how it was forgotten by medieval Christendom but recovered by Shakespeare and apotheosized by Nietzsche An invaluable companion to his Critique of Religion and

Philosophy this volume presents Kaufmann at his most trailblazing charting new directions in Western thought while providing bold perspectives on figures such as Goethe Hegel Rilke and Freud *Walter Kaufmann* Stanley Corngold, 2018-12-11 The first complete account of the ideas and writings of a major figure in twentieth century intellectual life Walter Kaufmann 1921 1980 was a charismatic philosopher critic translator and poet who fled Nazi Germany at the age of eighteen emigrating alone to the United States He was astonishingly prolific until his untimely death at age fifty nine writing some dozen major books all marked by breathtaking erudition and a provocative essayistic style He single handedly rehabilitated Nietzsche s reputation after World War II and was enormously influential in introducing postwar American readers to existentialism Until now no book has examined his intellectual legacy Stanley Corngold provides the first in depth study of Kaufmann s thought covering all his major works He shows how Kaufmann speaks to many issues that concern us today such as the good of philosophy the effects of religion the persistence of tragedy and the crisis of the humanities in an age of technology Few scholars in modern times can match Kaufmann s range of interests from philosophy and literature to intellectual history and comparative religion from psychology and photography to art and architecture Corngold provides a heartfelt portrait of a man who to an extraordinary extent transfigured his personal experience in the pages of his books This original study both appreciative and critical is the definitive intellectual life of one of the twentieth century s most engaging yet neglected thinkers It will introduce Kaufmann to a new generation of readers and serves as a fitting tribute to a scholar s incomparable libido sciendi or lust for knowledge Archetypes and the Fourth Gospel Brian Larsen, 2018-06-14 Employing Northrop Frye s system of archetypal literary criticism the use of romance tragedy irony and satire and comedy Brian Larsen offers a compelling summary of the essential governing framework and means of exchange between literature and theology Characters in the Fourth Gospel are examined through a specific archetype and reciprocally these characters illuminate and inform important theological aspects of their respective archetypes Jesus and romance hero story Pilate and tragedy the Jews and Thomas and irony and Peter and comedy This volume further clarifies the understanding of Frye s archetypes and identifies the key variable between each one the relationship between 1 a belief or ideal and 2 experience or reality Helping to advance dialogue between literature biblical studies and theology and providing insightful readings for a number of Fourth Gospel characters and texts Larsen s examination will appeal to those seeking a new perspective on the themes of the New Testament or those seeking theological insights into literature *Revolution or Renaissance* D. Paul Schafer, 2008-04-29 In *Revolution or Renaissance* D. Paul Schafer subjects two of the most powerful forces in the world economics and culture to a detailed and historically sensitive analysis He argues that the economic age has produced a great deal of wealth and unleashed tremendous productive power however it is not capable of coming to grips with the problems threatening human and non human life on this planet After tracing the evolution of the economic age from the publication of Adam Smith s *The Wealth of Nations* in 1776 to the present he turns his attention to culture examining it both as a concept and as a reality

What emerges is a portrait of the world system of the future where culture is the central focus of development According to Schafer making the transition from an economic age to a cultural age is imperative if global harmony environmental sustainability economic viability and human well being are to be achieved Published in English **Nietzsche, Heidegger, and Buber** Walter Kaufmann, 2017-09-29 In this second volume of a trilogy that represents a landmark contribution to philosophy psychology and intellectual history Walter Kaufmann has selected three seminal figures of the modern period who have radically altered our understanding of what it is to be human His interpretations of Nietzsche Heidegger and Buber are lively accessible and penetrating and in the best scholarly tradition they challenge and revise accepted views After an introductory chapter on Kierkegaard and Schopenhauer with particular attention to the former's views on despair and the latter's on insanity and repression Kaufmann argues that Nietzsche was the first great depth psychologist and shows how he revolutionized human self understanding Nietzsche's psychology including his fascinating psychology of masks is discussed fully and expertly Heidegger's version of existentialism is herein subjected to a devastating attack After criticizing it Kaufmann shows how the same mentality finds expression in Heidegger's philosophy and in his now infamous pro Nazi writings Here as in his portraits of other major thinkers the author's concern is to show that his subjects are of one piece

Rebuilding the Profession Dorothy Figueira, 2020-01-20 This volume is meant to be a retrospective look at the field of Comparative Literature as it has developed in the past two decades as well as a reflection on its future direction if it is to remain relevant and innovative as a field of study From its inception in the second half of the twentieth century Comparative Literature in the US has been conceived as a cross disciplinary cross national and crosscultural enterprise that brings together theoretical developments in the Humanities and Social Sciences to reflect on the most important intellectual and cultural trends from a comparative perspective through the lens of literary studies Most of the founders of Comparative Literature were distinguished European scholars who sought a safe haven from the ravages of World War II and its aftermath and who understandably focused on the Western literary intellectual and cultural tradition which at the time was in danger of being annihilated by the onslaught of Fascism and Communism With the advent of the age of globalization the field of Comparative Literature has become increasingly diverse and must therefore be reoriented and recognized accordingly

**Existentialism from Dostoevsky to Sartre** Walter Kaufmann, 1975-03-01 One of the foremost resources on existentialism from renowned philosopher poet and Nietzsche translator Walter Kaufmann a must read for philosophers both armchair and professional Existentialism from Dostoevsky to Sartre provides basic writings of Dostoevsky Kierkegaard Nietzsche Rilke Kafka Ortega Jaspers Heidegger Sartre and Camus including some not previously translated along with an invaluable introductory essay by Walter Kaufmann **Future of the Humanities** James Hughes, 2017-07-05 First Published in 2017 Routledge is an imprint of Taylor Francis an Informa company **A Code of Jewish Ethics: Volume 1** Rabbi Joseph Telushkin, 2009-02-04 A Code of Jewish Ethics Volume 1 You Shall Be Holy is the initial volume of the first major code

of Jewish ethics to be written in the English language It is a monumental work on the vital topic of personal character and integrity by one of the premier Jewish scholars and thinkers of our time With the stated purpose of restoring ethics to its central role in Judaism Rabbi Joseph Telushkin offers hundreds of examples from the Torah the Talmud rabbinic commentaries and contemporary stories to illustrate how ethical teachings can affect our daily behavior The subjects dealt with are ones we all encounter They include judging other people fairly knowing when forgiveness is obligatory optional or forbidden balancing humility and self esteem avoiding speech that shames others restraining our impulses of envy hatred and revenge valuing truth but knowing when lying is permitted understanding why God is the ultimate basis of morality and appreciating the great benefits of Torah study Telushkin has arranged the book in the traditional style of Jewish codes with topical chapters and numbered paragraphs Statements of law are almost invariably followed by anecdotes illustrating how these principles have been or can be practiced in daily life The book can be read straight through to provide a solid grounding in Jewish values consulted as a reference when facing ethical dilemmas or studied in a group Vast in scope this volume distills more than three thousand years of Jewish laws and suggestions on how to improve one's character and become more honest decent and just It is a landmark work of scholarship that is sure to influence the lives of Jews for generations to come rich with questions to ponder and discuss but primarily a book to live by

*Through the Global Lens* Michael Strada, 2021-04-14 *Through the Global Lens* uses a global perspective to analyze human affairs This text looks at each of the six social sciences sociology anthropology political science economics psychology and geography and uses case studies feature film analyses maps and photos to highlight important historical events and concepts throughout

[History and Mystery: The Complete Eschatological Encyclopedia of Prophecy, Apocalypticism, Mythos, and Worldwide Dynamic Theology Vol 4](#) Bernie L. Calaway, 2018-08-29 Surely you've lain awake at night to ponder life beyond time Or dreamed restlessly of those multi honored beast of Revelation Or became frustrated because you don't know how to properly use your athame How about all those times you came across a theological word that battered your brain No problem History and Mystery The Complete Eschatological Encyclopedia of Prophecy Apocalypticism Mythos and Worldwide Dynamic Theology has arrived Here just for you are four volumes of exhaustive information that every student teacher and interested person everywhere needs to know Over 8000 defined words and phrases 60 exploratory essays and mini sections of relational materials await Before you know it you'll be the best informed reader in your neighborhood and most of the next state over

[New York Times Saturday Book Review Supplement](#), 1977 *A Code of Jewish Ethics, Volume 2* Rabbi Joseph Telushkin, 2009-02-10 Jewish thinkers don't talk all that much about love All too often we leave that to Christian theologians But in this excellent volume Rabbi Joseph Telushkin puts the commandment to love at the center of Jewish theology and experience This is a book that will change the way you think about and practice Judaism Professor Ari L Goldman Columbia University and author of *The Search for God at Harvard* Love your neighbor as yourself is the best known commandment in

the Bible Yet we rarely hear anyone talk about how to apply these words in daily life In this landmark work Rabbi Joseph Telushkin one of the premier scholars and thinkers of our time gives both Jews and non Jews an extraordinary summation of what Jewish tradition teaches about putting these words into practice Writing with great clarity and simplicity as well as with deep wisdom Telushkin covers topics such as love and kindness hospitality visiting the sick comforting mourners charity relations between Jews and non Jews compassion for animals tolerance self defense and end of life issues This second volume of the first major code of Jewish ethics written in the English language is breathtaking in its scope and will undoubtedly influence readers for generations to come It offers hundreds of practical examples from the Torah the Talmud the Midrash and both ancient and modern rabbinic commentaries as well as contemporary anecdotes all teaching us how to care for one another each and every day A Code of Jewish Ethics Volume 2 Love Your Neighbor as Yourself is a consummate work of scholarship Like its acclaimed predecessor which received the National Jewish Book Award it is rich with ideas to contemplate and discuss while being primarily a book to live by Nothing could be more important in these strife torn times than learning how to love our neighbors as ourselves The message of this book is as vital and timely now as it has been since time immemorial

**The Concise Dictionary of Religion** Irving Hexham,1993-12      **History and Mystery: The Complete Eschatological Encyclopedia of Prophecy, Apocalypticism, Mythos, and Worldwide Dynamic Theology Vol 2** Bernie L.
