Terryl Givens, Philip L. Barlow

Religions Of The World A Latter Day Saint View:

Religions of the World Spencer J. Palmer, Roger R. Keller, Dong Sull Choi, James A. Toronto, 1997-08-01 [Religions of the World](#) Spencer J. Palmer, Roger R. Keller, 1990 **Religions of the World** Spencer J. Palmer, 1997-01-01 **The A to Z of Mormonism** Davis Bitton, Thomas G. Alexander, 2009-11-25 Mormonism is the unofficial name for The Church of Jesus Christ of Latter Day Saints which originated in the early 1800s Mormonism refers to the doctrines taught by Joseph Smith doctrines that are believed to be original gospel preached by Jesus Christ The Mormons oppose abortion homosexuality unmarried sexual acts pornography gambling tobacco consuming alcohol tea coffee and the use of drugs Despite its relatively young age the Mormon Church continues to grow and today it contains about 13 million members The A to Z of Mormonism relates the history of the Mormon church through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on crucial persons organizations churches beliefs and events Clearing up many of the misconceptions held about Mormonism and its members this is an essential reference **Historical Dictionary of the Latter-day Saints** Thomas G. Alexander, Davis Bitton, 2019-10-08 The Church of Jesus Christ of Latter day Saints is a Christian church that was organized by six men in western New York in 1830 under the leadership of Joseph Smith the church has grown to more than 16 million members today A restoration of the primitive church organized by Jesus Christ in the first century C E the church s membership was originally all Americans The church is now however a worldwide church with more members who live outside the United States than inside The fourth edition of Historical Dictionary of the Latter day Saints contains a chronology an introduction and an extensive bibliography The dictionary section has over 400 cross referenced entries on the important people ideas doctrine and events during the hundred ninety year history of The Church of Jesus Christ of Latter day Saints This book is an excellent resource for students researchers and anyone wanting to know more about The Church of Jesus Christ of Latter day Saints [Exhibiting Mormonism](#) Reid Neilson, 2011-12-09 The 1893 Columbian Exposition also known as the Chicago World s Fair presented the Latter day Saints with their first opportunity to exhibit the best of Mormonism for a national and an international audience after the abolishment of polygamy in 1890 The Columbian Exposition also marked the dramatic reengagement of the LDS Church with the non Mormon world after decades of seclusion in the Great Basin Between May and October 1893 over seven thousand Latter day Saints from Utah attended the international spectacle popularly described as the White City While many traveled as tourists oblivious to the opportunities to exhibit Mormonism others actively participated to improve their church s public image Hundreds of congregants helped create manage and staff their territory s impressive exhibit hall most believed their besieged religion would benefit from Utah s increased national profile Moreover a good number of Latter day Saint women represented the female interests and achievements of both Utah and its dominant religion These women hoped to use the Chicago World s Fair as a platform to improve the social status of their gender and their religion Additionally two hundred and fifty of the

Mormon Tabernacle Choir's best singers competed in a Welsh eisteddfod, a musical competition held in conjunction with the Chicago World's Fair and Mormon apologist Brigham H. Roberts sought to gain LDS representation at the affiliated Parliament of Religions. In the first study ever written of Mormon participation at the Chicago World's Fair, Reid L. Neilson explores how Latter-day Saints attempted to exhibit themselves to the outside world before, during, and after the Columbian Exposition, arguing that their participation in the Exposition was a crucial moment in the Mormon migration to the American mainstream and its leadership's discovery of public relations efforts. After 1893, Mormon leaders sought to exhibit their faith rather than be exhibited by others.

The Oxford Handbook of Mormonism Terry L. Givens, Philip L. Barlow, 2015 For this handbook, Terry L. Givens and Philip Barlow, two leading scholars of Mormonism, have brought together other top people in the field to construct a collection of essays that offers a comprehensive overview of scholarship on Mormons. *Mormonism* W. Paul Reeve, Ardis E. Parshall, 2010-08-13 Covering its historic development, important individuals, and central ideas and issues, this encyclopedia offers broad historical coverage of The Church of Jesus Christ of Latter-day Saints. *Mormonism: A Historical Encyclopedia* helps readers explore a church that has gone from being an object of ridicule and sometimes violent persecution to a worldwide religion counting prominent businesspeople and political leaders among its members, including former Massachusetts governor and recent presidential candidate Mitt Romney. The encyclopedia begins with an overview of The Church of Jesus Christ of Latter-day Saints; six essays cover the church's history from Joseph Smith's first vision in 1820 to its current global status. This provides a context for subsequent sections of alphabetically organized entries on key events and key figures in Mormon history. A final section looks at important issues such as the church's organization and government, its teachings on family, Mormonism and blacks, Mormonism and women, and Mormonism and Native Americans. Together, these essays and entries, along with revealing primary sources, portray the Mormon experience like no other available reference work.

The Mormon Culture of Salvation Douglas J. Davies, 2018-12-07 The *Mormon Culture of Salvation* presents a comprehensive study of Mormon cultural and religious life, offering important new theories of Mormonism, one of the fastest growing movements and thought by many to be the next world religion. Bringing social, scientific, and theological perspectives to bear on the Church of Jesus Christ of Latter-day Saints, Douglas Davies draws from the history of religions, anthropology, sociology, and psychology to present a unique example of a truly interdisciplinary analysis in religious studies. Examining the many aspects of Mormon belief, ritual, family life, and history, this book presents a new interpretation of the origin of Mormonism, arguing that Mormonism is rooted in the bereavement experience of Joseph Smith, which influenced the development of temple ritual for the dead and the genealogical work of many Mormon families. Davies shows how the Mormon commitment to work for salvation relates to current Mormon belief in conversion and to traditional Christian ideas of grace. The *Mormon Culture of Salvation* is an important work for Mormons and non-Mormons alike, offering fresh insights into how Mormons see the world and work for their future glory in heavenly realms. Written by a

non Mormon with over 30 years research experience into Mormonism this book is essential reading for those seeking insights into new interdisciplinary forms of analysis in religion as well as all those studying or interested in Mormonism and world religions Douglas J Davies is Professor in the Study of Religion in the Department of Theology Durham University UK He is the author of many books including *Death Ritual and Belief* Cassell 1997 *Mormon Identities in Transition* Cassell 1994 *Mormon Spirituality* 1987 and *Meaning and Salvation in Religious Studies* Brill 1984 Joseph Smith, Jr. Reid L. Neilson, Terry L. Givens, 2008-12-02 Mormon founder Joseph Smith is one of the most controversial figures of nineteenth century American history and a virtually inexhaustible subject for analysis In this volume fifteen scholars offer essays on how to interpret and understand Smith and his legacy Including essays by both Mormons and non Mormons this wide ranging collection is the only available survey of contemporary scholarly opinion on the extraordinary man who started one of the fastest growing religious traditions in the modern world Historical Dictionary of Mormonism Davis Bitton, Thomas G. Alexander, 2008-10-23 Clearing up many of the misconceptions held about Mormonism and its members the third edition of the *Historical Dictionary of Mormonism* expands on the second edition and includes hundreds of cross referenced dictionary entries on crucial persons organizations churches beliefs and events **Mormonism: A Guide for the Perplexed** Robert L. Millet, Shon D. Hopkin, 2015-11-19 *Mormonism A Guide for the Perplexed* explains central facets of the Mormon faith and way of life for those wishing to gain a clearer understanding of this rapidly growing world religion As The Church of Jesus Christ of Latter day Saints continues to grow in the United States and especially in other countries with a total membership of over 15 million more than 50% of which is outside the US and as theologians and church leaders wrestle with whether Mormonism is in fact a valid expression of modern Christianity this distinctive religious tradition has become increasingly an object of interest and inquiry This book is the ideal companion to the study of this perplexing and often misunderstood religion Covering historical aspects this guide takes a careful look at the whole of Mormonism its tenets and practices as well as providing an insight into a Mormon life **Healing Souls** Eric G. Swedin, 2022-08-15 In this first history of psychotherapy among the Latter day Saints Eric G Swedin describes how modern psychology has affected the healing of souls in the LDS community But he also shows how this community melded its theological doctrines with mainstream psychiatry when secular concepts clashed with fundamental tenets of Mormonism The psychological professions pervasive in twentieth century American society were viewed as dangerous by some religious communities *Healing Souls* describes the LDS community's mixed feelings about science and modernity while valuing knowledge Mormons feared a challenge to faith Nonetheless psychology courses were introduced at Brigham Young University and LDS psychotherapists began to introduce new ideas and practices to the community Swedin portrays the rise of professional organizations such as the Association of Mormon Counselors and Psychotherapists as well as the importance of Allen E Bergin first director of the BYU Institute for Studies in Values and Human Behavior Bergin and others paved the way for the LDS adoption of professional psychotherapy

as an essential element of their cure of souls Important chapters take up LDS psychopathology feminist dissent LDS philosophies of sexuality and the LDS rejection of mainstream psychotherapy s selfist psychology on the basis of theological doctrines of family salvation eternalism and the natural man Healing Souls contributes to a more complete historical picture of the mental health professions in North America and a better understanding of how religious traditions and psychology have influenced each other

Families--the Key to a Prosperous and Compassionate Society for the 21st Century Jerry Jensen,Larry C. Jensen,1999 This is a cross disciplinary social policy text with the central theme that a successful nation for the 21st century requires highly motivated moral and educated citizens The authors link problems of the urban ghetto to falling educational standards and the weakening of the family

Japanese Saints John Patrick Hoffmann,2007-01-01 Based on research in a small congregation in northern Japan and in depth interviews with foreign missionaries Japanese Saints is the first book to provide an in depth qualitative examination of what it is like to be a Japanese Mormon

Another Jesus, a Different Spirit, a Different Gospel Steven H. Propp,2011-12-13 Its the Christmas seasonthe most wonderful time of the year for most people in River City California But for Jehovahs Witnesses Lawrence and Brad its a time for them to try to explain the truth about this holiday season to the people of the community Their earnest efforts may earn them ridicule disagreement or a door slammed rudely in their faces but they persistand are sometimes able to find a mind and heart receptive to their urgent message about Jehovahs coming Kingdom Whereas for Elders Skousen and Marshalltwo Latter day Saint Mormon missionariesthe season is another opportunity to share their Churchs distinctive interpretation of the Christian gospel but their efforts are often rebuffed as well In the course of their work these two pairs of men engage in dialogue with traditional Christians as well as members of the Church of Christ the Community of Christ RLDS Seventh day Adventists and Oneness Pentecostalsnot to mention skeptics atheists and the increasing numbers of people who lack any particular religious beliefs But when a local church brings in a researcher to give a series of lectures on Cultsand specifically targeting the Jehovahs Witnesses and Mormonsa confrontation is ensured where theological and biblical concepts collide in a public forum Who if anyone really has the Truth Can one still discover the true meaning of Christmas in the midst of passionate disagreements over the validity of the holiday season Are objections raised about the secularization and rampant commercialism of the modern celebration valid Spend a holiday season or any other season with some interesting and intellectually stimulating characters as they explore these and other challenging questions Readers of the authors earlier novel A Multicultural Christmas will be pleased to see a brief reappearance of two characters from that book

B.H. Roberts, Moral Geography, and the Making of a Modern Racist Clyde R. Forsberg Jr.,Phillip Gordon Mackintosh,2022-03-22 A transdisciplinary Mormon history this book is a work of American religious history theology science history and cultural and historical geography It deconstructs the race creationism White supremacy and Christian imperialism of leading interwar Mormon theologian B H Roberts Roberts hoped to introduce the front rank post Darwinian

scientific and philosophical postulates of his time polygeny preadamitism electromagnetism idealism the multiverse infinity and interstellar travel to an increasingly fundamentalist Mormon establishment Church authorities however including eventual prophet Joseph Fielding Smith Jr proscribed and rejected Roberts modernist manuscript *The Truth The Way The Life An Elementary Treatise on Theology* circa 1930 Paradoxically however Roberts thinking appeared uncited in Smith's 1954 *theology Man His Origin and Destiny* Here Smith accelerated Roberts racism toward African Americans while reviling science philosophy and free thought This book contextualizes all such fundamentalist Mormon thinking within today's struggle for social and environmental justice and especially the Black Lives Matter movement

Standing Apart Miranda Wilcox, John D. Young, 2014-04-15 Winner of the Best Anthology Award from John Whitmer Historical Association Latter day Saints have a paradoxical relationship to the past even as they invest their own history with sacred meaning celebrating the restoration of ancient truths and the fulfillment of biblical prophecies they repudiate the eighteen centuries of Christianity that preceded the founding of their church as apostate distortions of the truth Since the early days of Mormonism Latter day Saints have used the paradigm of apostasy and restoration in their narratives about the origin of their church This has generated a powerful and enduring binary of categorization that has profoundly impacted Mormon self perception and relations with others *Standing Apart* explores how the idea of apostasy has functioned as a category to mark define and set apart the other in Mormon historical consciousness and in the construction of Mormon narrative identity The volume's fifteen contributors trace the development of LDS narratives of apostasy within the context of both Mormon history and American Protestant historiography They suggest ways in which these narratives might be reformulated to engage with the past as well as offering new models for interfaith relations This volume provides a novel approach for understanding and resolving some of the challenges faced by the LDS church in the twenty first century

World Religions for Healthcare Professionals Siroj Sorajjakool, Mark F Carr, Julius J. Nam, 2009-09-10 *World Religions for Healthcare Professionals* provides healthcare professionals with a basic knowledge of health beliefs and practices in world religions such as American Indian Religions Buddhism Christianity Confucianism Hinduism Islam Judaism Sikhism and Taoism as well as selected new religious movements It explores how various religious traditions view sickness health birth and death Its primary aim is to offer healthcare professionals a greater awareness of beliefs and practices so that they will be better informed in providing effective care to patients from various religious backgrounds Many deeply controversial bioethics issues such as abortion euthanasia assisted suicide and stem cell research are also addressed in this volume from the perspectives of world religions Written in a user friendly fashion and easy to reference this book is suitable for all health practitioners and organized in a way that will make it easy to search and learn basic applications

Religious Education in the Secondary School James Holt, 2022-06-24 *Religious Education in the Secondary School* is a comprehensive straightforward introduction to the effective teaching of Religious Education RE in the secondary classroom Acknowledging the highly valuable yet often

misunderstood contribution of RE this text shows how the subject can be taught in a way that explores the impact of religion on the lives of people and society engaging pupils and preparing them to become individuals who celebrate and respect diversity This second edition has been thoroughly updated and includes a new chapter on Religion and Worldviews and new material on the development and assessment of an RE curriculum It is illustrated throughout with ideas for teaching at different key stages and offers expert chapters introducing you to both the World Religions and the core aspects of effective teaching and learning With an emphasis on developing an understanding of the importance and different ways of meeting the learning needs of all pupils key chapters cover The nature of Religious Education What is religion and worldviews Understanding different pedagogies of RE Effective planning and assessment An approach to teaching across the Key Stages Core subject knowledge in Buddhism Christianity Hinduism Islam Judaism and Sikhism Written by an experienced teacher teacher educator and examiner Religious Education in the Secondary School is a succinct compendium and has a real classroom applicability offering all trainee RE teachers as well as those teaching Religious Education as specialists or non specialists a wealth of support and inspiration
