**God's True Story** Donald L. Morcom, 2021-06-09 We all need a reminder of the true story at the heart of the gospel. In the face of false teachers and skeptics, Peter wrote his second epistle to remind his readers of God's true story. They needed to be reoriented to the truth of their identity and status in Christ. Christians continue to experience similar challenges to our spiritual foundations today. In *Living in God's True Story 2*, Peter Donald L. Morcom shows that remembering the truth is the core theme of Peter's second letter. In the midst of false alternatives, he encourages believers to live faithful lives that demonstrate love and wisdom. Though it may be short, 2 Peter is an impactful letter that explains how we can order our lives in accordance with God's true story.

**Remember Me** Mario Escobar, 2020-09-15 Amid the shadows of war, one family faces an impossible choice that will change their lives forever. From bestseller Mario Escobar comes a 20th-century historical novel of sacrifice and resilience inspired by Spain's famed *Children of Morelia* and the true events that shaped their lives. Madrid, 1934. Though the Spanish Civil War has not yet begun, the streets of Madrid have become dangerous for thirteen-year-old Marco Alcalde and his two younger sisters. Marco's parents align themselves against the new fascist regime, unaware that their choice will endanger the entire family, nor do they predict the violence that is to come. In a desperate bid for safety, the Alcaldes join many other Spanish families in making an impossible choice: to send their unaccompanied children across the ocean to the city of Morelia, Mexico, a place they've never seen or imagined but whose government promises their children protection. Young Marco promises to look after his sisters in Mexico until their family can be reunited in Spain, but a harrowing journey ensues. As the growing children work to care for themselves and each other, they feel their sense of home, family, and identity slipping further and further away. As their memories of Spain fade, they begin to wonder if they will ever see their parents again or the glittering streets of the home they once loved. Based upon the true stories of the *Children of Morelia*, Mario Escobar's *Remember Me* now available for the first time in English paints a poignant portrait of an immigrant family's sacrificial love and endurance, detailing just how far we go for those we love. This captivating historical novel, perfect for book clubs, includes discussion questions, research notes from the author, and a historical timeline, providing a comprehensive reading experience. Luminous and beautifully researched, *Remember Me* is a study of displacement, belonging, compassion, and forged family amid a heart-wrenching escape from the atrocities of the Spanish Civil War. Fans of Arturo Perez-Reverte, Chanel Cleeton, and Lisa Wingate will be mesmerized. Rachel McMillan, author of *The London Restoration*.
