Remember Your Confirmation:

Confirmation Remembered Edward Grube, 2003-03 Confirmation record memories of confirmation day in this newly revised book Devotional thoughts Scripture and hymn verses are included Be True! G. T. Cooperrider, 2012-10-23 This is confirmation advice for youth in the Evangelical Lutheran church There are practical thoughts stay away from gambling drinking and dance houses and spiritual advice attend Sunday school be prayerful follow God While planted firmly in the past 1890 Be True is a useful document for contemporary readers as it reaffirms the sublimity of ceremony the importance of tradition and recalls to everyone's mind the difficult but rewarding path to adulthood **Confirm Mentor Guide**, 2016-12-02 Confirm Your Faith Your Commitment God's Call Too often confirmation has been downgraded to the role of a checkpoint along the faith journey The Confirm family of resources reclaims confirmation as the first step on a journey that leads to a mature adult faith Confirm treats confirmation as more than a decision Instead it is the beginning of a conversation about what it means to be a Christian living out your faith your commitment and God's call Confirm is an easy to follow and fully customizable confirmation program that can be used virtually any church setting and with a wide variety of schedules You have the option to schedule your lesson choices and the tools to organize your own confirmation program over the course of a school year a 3 year span or in any other way that meets your needs without having to purchase additional customizable content With flexible and easy to understand materials Confirm provides students with the basic beliefs of a theologically sound United Methodist faith while engaging them in creative and thought provoking activities to help them internalize what they've learned Confirm also embraces the importance of community in the journey of faith development and provides materials to encourage cooperation with parents and mentors in the confirmation process and beyond The Mentor Guide provides an overview of the confirmation process and equips mentors with suggested relationship building ideas as well as providing some of the do's and don'ts when taking on the role of mentor A mentor doesn't need to be a trained theologian or someone who has all the answers Rather a mentor is an adult who is mature in the faith and can walk alongside a young person the confirmation journey **Letters to Mae** Gerald Luecke, 2012-09 These were the years of the high flying 1920s and the dreadful Depression of 1929 The Depression years were particularly difficult especially for my family The end of World War II changed our lives as a family It was 1946 and we again became a family with Mae as the center of the hub Listen as God's word speaks to you through the interpretations of a brother writing his invalid sister Inspirational uplifting sermons throughout the church year are preceded by personal messages from a brother to his beloved sister Each week of the church year Jerry wrote Mae his sister Included in each letter was a summary of the week's church sermon he and his wife listened to the week before Each week brought a different lesson that not only helped Jerry through his life but helped Mae hold on to a part of her life that was most important to her her faith Letters to Mae is a brother's attempt to describe his sister's virtues accept her death and instill a bit of those virtues in his readers Letters to Mae is a book about faith in Jesus

Christ and what that faith means and how it is expressed in action **Letters to London** Dietrich Bonhoeffer, 2013-12-20 In the autumn of 1933 the twenty seven year old Bonhoeffer accepted a two year appointment as a pastor of two German speaking Protestant churches in London It was during this time that he began his friendship with Ernst Cromwell one of his confirmands a friendship that is now documented in these letters published for the first time here in this book most of which are dated between March 20 1935 and March 27 1936 Seventy five years later the publication of these letters throws light on several aspects of Bonhoeffer s life and thought including the development of his views on the practice of silence his practice of catechesis and confirmation the impact on his personal relationships of his involvement in the Church struggle his understanding of friendship and in particular friendship that values the potential contribution of young people to living out the truth telling of Jesus Christ **It Can't Get Any Better Than This** Esta Freeland Cox, 2004-10 You hear the term melting pot applied to the American Experience over and over again but it seldom hits home until you put a face on those that are melting Esta Freeland Cox is one of those faces Her grandmother was an emigrant from Wales and her father from English ancestry Racy stories of early family members serving at the King s court in London can be found on one side of the family as well as knights fighting Moors Interspersed among the famous are lists of those common folk farmers small business owners men and woman miners and entrepreneurs Among them all is found this wonderful woman 91 years old at the time of the publication of this book She was one of a family of 12 kids going through the depression years numerous wars marriage and the deaths of siblings and two husbands and two sons Yet this 91 year old still shovels her own snow and walks two miles a day I am sure you will find these writings an inspiration for your life as you see the mind of this saint in print
