## **Remembering Stories From The World War II Pacific:**

Remembering Jerry Jackson, 2005 This book makes the ideal gift for family friends and World War II buffs It also is a wonderful tool for our children to learn about a significant time in our history from these heroic stories and people These are first person accounts by average young Americans These people of the 1940 s typically left their farms factories and universities to serve our country in the World War II Pacific In the process they became anything but average It is a historically accurate accounting It is also a testament to the sacrifices made by young Americans as revealed in their accounts of the Greatest Conflict Known To Mankind These retellings take the reader from the beginning of the United States involvement in the war with the bombing of Pearl Harbor on December 7 1941 to the end with the American Occupation of Japan Through the unfolding of the stories readers will discover or gain a greater appreciation of how our fighting men and women protected us against the foreign invaders If successful this was an enemy that would have enslaved the world The book is patriotism at it s very best and will leave the reader feeling proud to be an American *Remembering* Jerry Jackson, 2005 *Accelerate Your Sales* was written for those who are new to sales as well as those who have been in the selling profession for a few years and are looking for a way to improve their sales skills *Accelerate Your Sales* provides a practical guide on how to separate faux prospects from real prospects Once high quality prospects have been identified it is important to know how to take control of the sale This book offers a Planned Sales system that can be used to keep the prospect on track and to insure you close the sale *Accelerate Your Sales* includes simple forms that can be used as a guide to help the salesperson throughout the planned sales process and insure that the salesperson is keeping the sale on track This book also provides information on how to make use of the latest tools and technology available to the sales professional via the Internet Gus discusses how to leverage your sales efforts and maximize your sales productivity by making the best use of tools such as online prospecting databases Email Voicemail and electronic newsletters to increase sales revenue and productivity

**Remembering the Pacific War** Geoffrey Miles White, 1991 **Mothers' Darlings of the South Pacific** Judith A. Bennett, Angela Wanhalla, 2016-03-31 Over the course of World War II two million American military personnel occupied bases throughout the South Pacific leaving behind a human legacy of at least 4 000 children born to indigenous mothers Based on interviews conducted with many of these American indigenous children and several of the surviving mothers *Mothers Darlings of the South Pacific* explores the intimate relationships that existed between untold numbers of U S servicemen and indigenous women during the war and considers the fate of their mixed race children These relationships developed in the major U S bases of the South Pacific Command from Bora Bora in the east across to Solomon Islands in the west and from the Gilbert Islands in the north to New Zealand in the southernmost region of the Pacific The American military command carefully managed interpersonal encounters between the sexes applying race based U S immigration law on Pacific peoples to prevent marriage across the color line For indigenous women and their American servicemen

sweethearts legal marriage was impossible giving rise to a generation of fatherless children most of whom grew up wanting to know more about their American lineage Mothers Darlings of the South Pacific traces these children s stories of loss emotion longing and identity and of lives lived in the shadow of global war Each chapter discusses the context of the particular island societies and shows how this often determined the ways intimate relationships developed and were accommodated during the war years and beyond Oral histories reveal what the records of colonial governments and the military have largely ignored providing a perspective on the effects of the U S occupation that until now has been disregarded by Pacific war historians The richness of this book will appeal to those interested the Pacific World War II as well as intimacy family race relations colonialism identity and the legal structures of U S immigration

**Perilous Memories** Takashi Fujitani,Geoffrey M. White,Lisa Yoneyama,2001-06-21 A rethinking of the differing national memories of the Second World War in the Pacific in light of recent theories of nationalism imperialism and colonialism

**Attack on Pearl Harbor** Peter Darman,2012-12-30 Chronicles the Japanese war effort and early victories in the Pacific highlighting the attack on Pearl Harbor

**Frontiers of Memory in the Asia-Pacific** Shu-Mei Huang,Hyun Kyung Lee,Edward Vickers,2022-08-01 Frontiers of Memory in the Asia Pacific explores the making and consumption of conflict related heritage throughout the Asia Pacific region Contributing to a growing literature on difficult heritage this collection advances our understanding of how places of pain shame oppression and trauma have been appropriated and refashioned as heritage in a number of societies in contemporary East and Southeast Asia and Oceania The authors analyse how the repackaging of difficult pasts as heritage can serve either to reinforce borders transcend them or even achieve both simultaneously depending on the political agendas that inform the heritage making process They also examine the ways in which these processes respond to colonialism decolonization and nationalism The volume shows how efforts to preserve various sites of difficult heritage can involve the construction of new borders in the mind between what is commemorated and what is often deliberately obscured or forgotten Taken together the studies presented here suggest new directions for comparative research into difficult heritage across Asia and beyond applying an interdisciplinary and critical perspective that spans history heritage studies memory studies urban studies architecture and international relations Bringing together an excellent range of cases from diverse locations across the Asia Pacific this book is an important contribution not only to this part of the world but to understandings of heritage struggles especially in relation to colonial histories more widely Sharon Macdonald

Humboldt Universit t zu Berlin This collection is an important contribution to our understanding of the place of Asia within global memory culture Going beyond the tunnel vision of national memories it provides us with a sophisticated examination of the ways the difficult heritage of colonialism revolution and war intersects with contemporary politics to produce an Asia Pacific memory sphere Ran Zwigenberg Pennsylvania State University **CRM** ,1996 **American Women During World War II** Doris Weatherford,2009-10-16 American Women during World War II documents the lives and stories of women who contributed directly to the war effort via official and semi official military organizations as well as the millions of women who worked in civilian defense industries ranging from aircraft maintenance to munitions manufacturing and much more It also illuminates how the war changed the lives of women in more traditional home front roles All women had to cope with rationing of basic household goods and most women volunteered in war related programs Other entries discuss institutional change as the war affected every aspect of life including as schools hospitals and even religion American Women during World War II provides a handy one volume collection of information and images suitable for any public or professional library **Remembering and Forgetting** Gerrit W. Gong,1996 This bibliography includes books research reports student papers from senior service schools such as the Army War College technical reports conference papers theses and dissertations archival materials government documents and articles from scholarly journals there are no articles from popular news or service magazines Most of the 857 entries have been published in the last 20 years The first chapter discusses strategies for conducting research on women in the military Subsequent chapters are organized by subject including chapters covering each branch of the military and chapters for special issues such as family and pregnancy Entries are arranged within chapters by subject then alphabetically by author within subject Annotation copyright by Book News Inc Portland OR **Memories of the Japanese Empire** Yuko Mio,2021-07-08 The contributors to this book examine and compare the colonial and decolonisation experiences of people in Taiwan and Nan y Gunt Micronesia who underwent periods of rule by the Greater Japanese Empire Early anthropological theory of Western imperialist countries focused on transforming savage cultures by ruling in a high handed manner When Japan asserted its hegemony through sudden colonisation its culture was perceived as inferior to the civilisation indices previously experienced by those it ruled How did these ruled nations construct their cultural and historical awareness in areas where the strategic design of Japan s civilising mission was not convincing After the end of World War II many emerging countries in the Third World achieved independence through various negotiations or struggles with their former colonial powers and built new relationships with their erstwhile rulers However after Japan s defeat Taiwan and Nan y Gunt became ruled by new foreign governments How did Japan s reign and transplanted Japanese culture affect the formation of historical awareness and cultural construction of present day communities in these two regions This book provides a fascinating ethnographic insight into the effects of empire and colonisation on the historic imagination which will be of great interest to historical anthropologists of Taiwan

Japan and the Pacific      *Senso: The Japanese Remember the Pacific War* Frank Gibney, Beth Cary, 2015-04-29 This acclaimed work is an extraordinary collection of letters written by a wide cross section of Japanese citizens to one of Japan's leading newspapers expressing their personal reminiscences and opinions of the Pacific war SENSO provides the general reader and the specialist with moving disturbing startling insights on a subject deliberately swept under the rug both by Japan's citizenry and its government It is an invaluable index of Japanese public opinion about the war      Civilian Prisoners of the Japanese in the Philippine Islands, 2002      **Memorializing Pearl Harbor** Geoffrey M. White, 2016-03-31 Memorializing Pearl Harbor examines the challenge of representing history at the site of the attack that brought America into World War II Analyzing moments in which history is re-presented in commemorative events documentary films museum design and educational programming Geoffrey M White shows that the memorial to the Pearl Harbor bombing is not a fixed or singular institution Rather it has become a site in which many histories are performed validated and challenged In addition to valorizing military service and sacrifice the memorial has become a place where Japanese veterans have come to seek recognition and reconciliation where Japanese Americans have sought to correct narratives of racial mistrust and where Native Hawaiians have challenged their ongoing erasure from their own land Drawing on extended ethnographic fieldwork White maps these struggles onto larger controversies about public history museum practices and national memory

**Decolonisation and the Pacific** Tracey Banivanua Mar, 2016-04-26 This book charts the previously untold story of decolonisation in the oceanic world of the Pacific Australia and New Zealand presenting it both as an indigenous and an international phenomenon Tracey Banivanua Mar reveals how the inherent limits of decolonisation were laid bare by the historical peculiarities of colonialism in the region and demonstrates the way imperial powers conceived of decolonisation as a new form of imperialism She shows how Indigenous peoples responded to these limits by developing rich intellectual political and cultural networks transcending colonial and national borders with localised traditions of protest and dialogue connected to the global ferment of the twentieth century The individual stories told here shed new light on the forces that shaped twentieth century global history and reconfigure the history of decolonisation presenting it not as an historic event but as a fragile contingent and ongoing process continuing well into the postcolonial era      *Spies of the Pacific: Forgotten Heroes of World War II* Pasquale De Marco, 2025-03-19 In the annals of World War II the Pacific theater often takes a backseat to the more well known European and North African campaigns Yet amidst the vast expanse of the Pacific a secret war was being waged a war of shadows and whispers where courage and sacrifice knew no bounds This is the story of the American Filipino guerrillas and their enigmatic leader Chick Parsons Operation Spyron was a daring mission that saw Parsons sail from Australia to enemy occupied Mindanao in the Philippines by submarine no less than eight times His objective to coordinate a guerrilla movement that would strike at the heart of the Japanese forces disrupting their supply lines gathering intelligence and keeping the flame of resistance alive The American Filipino guerrillas were a diverse group

of men and women united by their love of country and their unwavering determination to fight for freedom They came from all walks of life farmers fishermen students and even former soldiers They were poorly equipped and outnumbered but they possessed an indomitable spirit that would not be broken Their tactics were as unconventional as their composition They moved like ghosts through the jungle striking at the Japanese with lightning speed and disappearing before they could retaliate They relied on hit and run attacks ambushes and sabotage to weaken the enemy and keep them off balance The guerrillas contributions to the Allied victory in the Pacific theater were immense They provided valuable intelligence disrupted Japanese supply lines and kept the Japanese forces constantly on edge Their actions played a pivotal role in the liberation of the Philippines and the eventual surrender of Japan This book is their story a story of courage resilience and sacrifice It is a tribute to the forgotten heroes of World War II the men and women who fought in the shadows and whose contributions to victory are often overlooked If you like this book write a review [Doing Oral History](#) Donald A.

**POW Rescue of World War II (Scholastic Focus)** Deborah Hopkinson,2023-04-18 A thrilling account of the most daring World War II rescue mission liberating hundreds of American prisoners of war Scholastic Focus is the premier home of thoroughly researched beautifully written and thoughtfully designed works of narrative nonfiction aimed at middle grade and young adult readers These books help readers learn about the world in which they live and develop their critical thinking skills so that they may become dynamic citizens who are able to analyze and understand our past participate in essential discussions about our present and work to grow and build our future Following the bombing of Pearl Harbor America entered World War II and a new theater of battle opened up in the Pacific But US troops along with thousands of Filipino soldiers who fought alongside them were overtaken in the Philippines by a fiercely determined Japanese navy and many Americans and Filipino fighters were killed or captured These American and Filipino prisoners of war were forced to endure the most horrific conditions on the deadly trek known as the Bataan Death March Then the American servicemen who were held captive by the Japanese military in Cabanatuan Camp and others in the Philippines faced beatings starvation and tropical diseases and lived constantly under the threat of death Unable to forget their comrades fate and concerned that these POWs would be brutally murdered as the tides of war shifted in the Pacific the US Army Rangers undertook one of the most daring and dangerous rescue missions of all time Aided by the Angels of the Underground the Sixth Ranger Battalion and courageous Filipino guerrilla soldiers set out on an uncertain and treacherous assignment Often called the Great Raid this remarkable story remains largely forgotten Sibert Honor author Deborah Hopkinson presents an extraordinary and unflinching look at the heroic servicemen and women who courageously weathered the worst of circumstances and

conditions in service to their country as well as those who answered the call to save their fellow soldiers      **Overcoming Empire in Post-Imperial East Asia** Barak Kushner, Sherzod Muminov, 2019-10-31 When Emperor Hirohito announced defeat in a radio broadcast on 15th August 1945 Japan was not merely a nation it was a colossal empire stretching from the tip of Alaska to the fringes of Australia grown out of a colonial ideology that continued to pervade East Asian society for years after the end of the Second World War In *Overcoming Empire in Post Imperial East Asia Repatriation Redress and Rebuilding* Barak Kushner and Sherzod Muminov bring together an international team of leading scholars to explore the post imperial history of the region From international aid to postwar cinema to chemical warfare these essays all focus on the aftermath of Japan's aggressive warfare and the new international strategies which Japan China Taiwan North and South Korea utilised following the end of the war and the collapse of Japan's empire The result is a nuanced analysis of the transformation of postwar national identities colonial politics and the reordering of society in East Asia With its innovative comparative and transnational perspective this book is essential reading for scholars of modern East Asian history the cold war and the history of decolonisation
