## Remembering Louise:

**Remembering Contentious Lives** Duygu Erbil, Ann Rigney, Clara Vlessing, 2025-01-01 This collection addresses two interrelated questions How are the lived experiences of contention remembered in the form of auto biography How is life writing as an act of cultural remembrance used in activism Building on cutting edge scholarship on the socio political potential of narrating lived experience this volume takes life writing as a new point of observation on the entanglement between memory and activism This is an open access book     Louise's First Love Jhorden Austin, 2015-07-17 Valentina Asia have been beefing since the seventh grade They would fight over any and everything from Louise to who owned the streets Valentina has a hot temper and isn't afraid to say what is on her mind and Asia isn't afraid to stand up for herself anymore but is she psycho Their friends are down for them through thick and thin but it is about time to move on and Louise has to choose Who will it be The girl he has loved from day one or the girl he is falling for     The Best Short Plays 1989 Ramon Delgado, 2000-04 Applause Books A collection of eleven short plays from 1989 Includes The Author's Voice San Antonio Sunset There is No John Garfield The Mask of Hiroshima Penguin Blues Haiku Chemical Reactions Dolores April Snow Trout and A Poster of the Cosmos     **Remembering Louise** Anna Gilbert, 1980     *The Outrage* Annie Vivanti, 1918     **A Wealth of Stories** Dan FitzGerald, 2014-08-20 You will find in this book twenty two stories Each story is numbered The easiest way to enjoy them is to begin with number one and proceed through the others in numerical sequence Although some were written years ago all have a contemporary feeling Accurate details are designed to help the reader profit from many hours of painstaking research If you are familiar with Chicago or Ireland for example the details tell you the scenes located there have been presented correctly The same is true throughout this collection Some topics are treated briefly others at considerable length If there is a common characteristic it is the attempt at humor that flows throughout the book and hopefully adds to your enjoyment     *Heavensgate - Hope* Leo Kane, 2021-12-12 When Jacob is a child a mysterious girl comforts him at the funeral of the family he accidentally killed Years later grieving for his lost wife and son Jacob is at Heavensgate He believes that the dead should stay dead but sees things other people don't see Even worse Jacob is besieged by his alter ego the foul mouthed sex crazed and dangerous Jake a personality with a twisted sense of fun and no conscience Jacob battles for his sanity and soul surrounded by supernatural enemies and allies as he struggles to free the Keeper of the Forbidden Book and ignore the menacing pink Cadillac that drives by his lakeside lodge every night Wherever Jacob goes people die and the cops are moving in when a terrifying and seductive presence arrives on the frozen lake Now Jacob will discover that even hope has a dark side This book contains graphic sex and violence and is not suitable for readers under the age of 18     Fairy Bears 1: Dizzy Julie Sykes, 2010-11-23 Fairy Bears are the size of a bumble bee and live beneath a giant Sycamore tree in Firefly Meadow Fairy Bears always do their best working hard to care for the world and all its plants animals and children This is the Fairy Bear Promise You'll have to be quick to see them and you'll have to believe in magic When Dizzy the Fairy Bear

gets her first proper task she's so excited that she can't sit still Louise is supposed to play the recorder at her school concert but she's too nervous to play well A sprinkling of fairy bear magic will make all the difference and it's up to Dizzy to provide it It should be easy but Dizzy soon has to make a difficult choice      **The Portable Graham Greene** Graham

Greene,2005-01-25 In his essays criticism screenplays autobiography and novels Graham Greene explored a territory located somewhere on the border between despair and faith treachery and love This cross section of Greene's work was originally selected with the author's help in 1973 and has now been extensively revised and updated It includes the complete novels *The Heart of the Matter* and *The Third Man* along with excerpts from ten other novels short stories selections from Greene's memoirs and travel writings essays on English and American literature and public statements on issues that range from repression in the Soviet Union to torture in Northern Ireland to the paradoxical virtue of disloyalty An extensive critical and biographical introduction headnotes chronology and bibliography by editor Philip Stratford make *The Portable Graham Greene* as invaluable for scholars as it is essential for any traveler through Greene's richly menacing and strangely seductive literary landscapes For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators      **Murder Crossed** Eleanor Boylan,2014-04-01

It's been a long time since Clara Gamadge's school days but forever young at heart she still has close ties to the old gang and her alma mater Wolcott Academy Springtime on campus is usually a time of winding down and wrapping up until suddenly murder and suspense are the only subjects on anyone's mind Usually when Clara receives a note from Louise Littleton Wolcott's youthful and sprightly headmistress it's just to keep in touch but this time it concerns mysterious circumstances Margo Llewelyn formerly an Academy charity student now a movie star of former and fading glory has arrived at Wolcott's doorstep in desperate straits In a panic she begs Louise to accept her three little girls as boarding students so she can immediately get out of the country Louise has encountered parents anxious to part with their children before but this seemed especially odd When a dead body breaks up commencement ceremonies it's time for Clara Gamadge to put the pieces together What misfortune had caused Margo's shining star to sink so low Would more blood tarnish Wolcott's ivy covered walls Only a super sleuth like Clara could sift through the avarice the malice and the motives to solve a murder like this and save the good name of her beloved Wolcott Academy too      *King and*
