**L.M. Montgomery** Deborah Quail, 2006 *The Intimate Life of L.M. Montgomery* Irene Gammel, 2005-01-01 Who ultimately is L M Montgomery and why was there such an obsession with secrecy hiding and encoding in her life and fiction Delving into the hidden life of Canada's most enigmatic writer The Intimate Life of L M Montgomery answers these questions The eleven essays illuminate Montgomery's personal writings and photographic self portraits and probe the ways in which she actively shaped her life as a work of art This is the first book to investigate Montgomery's personal writings which filled thousands of pages in journals and a memoir correspondence scrapbooks and photography Using theories of autobiography and life writing the essays probe the author's flair for the dramatic and her exuberance in costuming while also exploring the personal facts behind some of her fiction including the beloved Anne of Green Gables Focussing on topics such as sexuality depression marriage aging illness and writing the essays strip away the layers of art and artifice that disguised Montgomery's most intensely guarded secrets including details of her affair with Herman Leard her marriage with Ewen Macdonald and her friendships with Nora Lefurgey and Isabel Anderson The book also includes rare photographs taken by Montgomery and others many of which have not previously appeared in print One of the highlights of The Intimate Life of L M Montgomery is the inclusion of a secret diary that Montgomery wrote with Lefurgey in 1903 This hilarious document is a rare find for Montgomery's teasing banter

presents us with a new voice that is distinct from the sombre tone of her journals Published here for the first time more than 100 years after its composition this diary is virtually unknown to readers and scholars and is a welcome addition to the literature on this important figure This volume fills in many of the blanks surrounding Montgomery s personal life Engaging and erudite it is a boon for scholars and Montgomery fans alike *After Green Gables* Lucy Maud Montgomery, Ephraim Weber, 2006-01-01 *After Green Gables* brings to life a distinctly Canadian literary and intellectual association of writers

M. Montgomery, 2008-06-10 Introduction by Jack Zipes Nominated as one of America s best loved novels by PBS s *The Great American Read* Matthew had taken the scrawny little hand awkwardly in his then and there he decided what to do He could not tell this child with the glowing eyes that there had been a mistake When eleven year old Anne Shirley arrives at Green Gables with nothing but a carpetbag and an overactive imagination she knows that she has found her home But first she must convince the Cuthberts to let her stay even though she isn t the boy they d hoped for The loquacious Anne quickly finds her way into their hearts as she has with generations of readers and her charming ingenious adventures in Avonlea filled with colorful characters and tender escapades linger forever in our memories This Modern Library edition of the first of L M Montgomery s beloved and immensely popular Avonlea novels features the restored original text Looking for Anne of Green Gables Irene Gammel, 2024-03-26 In June 1908 a red haired orphan appeared on to the streets of Boston and a modern legend was born That little girl was Anne Shirley better known as Anne of Green Gables and her first appearance was in a book that has sold more than 50 million copies worldwide and been translated into more than 35

languages including Braille The author who created her was Lucy Maud Montgomery a writer who revealed very little of herself and her method of crafting a story On the centenary of its publication Irene Gammel tells the braided story of both Anne and Maud and in so doing shows how a literary classic was born Montgomery's own life began in the rural Cavendish family farmhouse on Prince Edward Island the place that became the inspiration for Green Gables Mailmen brought the world to the farmhouse's kitchen door in the form of American mass market periodicals sparking the young Maud's imagination From the vantage point of her small world Montgomery pored over these magazines gleaned bits of information about how to dress how to behave and how a proper young lady should grow She began to write learning how to craft marketable stories from the magazines popular fiction at the same time the fashion photos inspired her visual imagination One photo that especially intrigued her was that of a young woman named Evelyn Nesbit the model for painters and photographers and lover of Stanford White That photo was the spark for what became Anne Shirley Blending biography with cultural history Looking for Anne of Green Gables is a gold mine for fans of the novels and answers a trunk load of questions Where did Anne get the e at the end of her name How did Montgomery decide to give her red hair How did Montgomery's courtship and marriage to Reverend Ewan Macdonald affect the story Irene Gammel's dual biography of Anne Shirley and the woman who created her will delight the millions who have loved the red haired orphan ever since she took her first step inside the gate of Green Gables farm in Avonlea

**Literary Celebrity in Canada** Lorraine York, 2017-05-08 In recent years Canadian authors have enjoyed tremendous international success writing novels that become Oscar nominated films or achieve coveted success as selections for the Oprah Winfrey bookclub *Literary Celebrity in Canada* is the first extended study of the dynamics of celebrity in the field of Canadian literature Building on the argument that celebrity is a phenomenon firmly embraced by mainstream culture Lorraine York examines it in relation to various tensions and conflicts within the literary community and beyond Using as examples three contemporary literary celebrities Margaret Atwood Michael Ondaatje and Carol Shields and four earlier popular writers Pauline Johnson Stephen Leacock Mazo de la Roche and L M Montgomery York demonstrates that individual authors respond differently to fame in ways that can be contradictory and complex She casts doubt on the notion of a specifically Canadian response to fame Depending on the public interpretation of a particular writer s life and work different tensions arise in negotiating literary celebrity Privacy versus publicity swift success versus laborious apprenticeship national versus international association or ownership of the celebrity no single version of celebrity applies to all Citizenship however is a remarkably consistent site of tension for stars literary or otherwise Like citizenship celebrity marks an uneasy space wherein the single special individual and the group demographic both meet and separate *Literary Celebrity in Canada* explores that space drawing on current theories of celebrity and questioning their tendency to view fame as an empty phenomenon This study is an innovative attempt to understand the psychology of literary stardom and will influence future research on contemporary literature and popular culture

*Crossing Textual Boundaries in International Children's Literature* Lance Weldy, 2011-01-18 As the first part of the title indicates my interest in looking at intertextuality and transformation still maintains a prominent place throughout this book as well If we believe that no text is an island then we will understand that the relationships between and within texts across the years become a fascinating place for academic inquiry I included the word boundaries into the title because we never get tired of voicing our opinions about texts which traverse relegated boundaries such as genre or medium Not only am I interested in discussing what these changes across boundaries mean socially historically and culturally but also what they mean geographically which accounts for the second part of my title I am very excited that this book will be placing even more

emphasis on children's literature in an international scene than my first book did in the sense that I have added more scholars on an international level I hesitate to list the nationalities of all of the contributors here because quite a few have themselves crossed international boundaries in different ways by either studying abroad or finding permanent residency in foreign countries Nevertheless the writers have lived extensively in or identify as being from Australia Canada England Finland Germany Greece Iceland Ireland Israel Norway Spain Sweden Turkey the United States of America and Wales
