Remembering Peter Sellers:

Remembering Peter Sellers Graham Stark, 1999 The Life and Death of Peter Sellers Roger Lewis, 2025-07-17 A fascinating tragic and instructive story vividly told Sunday Telegraph Roger Lewis in his no holds barred biography exposes a Peter Sellers the world little knows Recognized as the greatest British comic since Charlie Chaplin Sellers was the grand master of fifty five films from Dr Strangelove to Being There and the Pink Panther hits But shadowing his phenomenal career was a history of increasingly bizarre behaviour involving psychotic violence compulsive promiscuity drug abuse and humiliating self destructive obsessions with people including Princess Margaret Sophia Loren Liza Minnelli and each of his four wives Ann Hayes Britt Ekland Miranda Quarry and Lynne Frederick He alternately showered his wives and children with gifts and then threatened to kill them Sellers fluidity as an actor made for a terrifying madness that grew like a slow metastasizing cancer throughout his adult life The Life and Death of Peter Sellers concludes with his premature death at the age of 54 sick at heart and alone in those sunless hotel rooms so recoiled from intimacy that no one really knew him anymore PRAISE FOR THE LIFE AND DEATH OF PETER SELLERS It is a mad book but then the subject is a madman I love Lewis s passion I recommend it Sunday Times Reinventing the genre as well as reassessing its subject with formidable intelligence this book is a remarkable achievement Literary Review Remembering Satan Lawrence Wright, 2011-04-27 From the Pulitzer Prize winning author of The Looming Tower comes the most powerful and disturbing true crime narrative to appear since Truman Capote s In Cold Blood TIME a case that destroyed a family engulfed a small town and captivated an America obsessed by rumors of a satanic underground In 1988 Ericka and Julie Ingram began making a series of accusations of sexual abuse against their father Paul Ingram who was a respected deputy sheriff in Olympia Washington At first the accusations were confined to molestations in their childhood but they grew to include torture and rape as recently as the month before At a time when reported incidents of recovered memories had become widespread these accusations were not unusual What captured national attention in this case is that under questioning Ingram appeared to remember participating in bizarre satanic rites involving his whole family and other members of the sheriff s department As Remembering Satan follows the increasingly bizarre accusations and confessions the claims and counterclaims of police FBI investigators and mental health professionals it gives us what is at once a psychological detective story and a domestic tragedy about what happens when modern science is subsumed by our most archaic fears Reconstructing Strangelove Mick Broderick, 2017-01-03 During his career Stanley Kubrick became renowned for undertaking lengthy and exhaustive research prior to the production of all his films In the lead up to what would eventually become Dr Strangelove 1964 Kubrick read voraciously and amassed a substantial library of works on the nuclear age With rare access to unpublished materials this volume assesses Dr Strangelove s narrative accuracy consulting recently declassified Cold War nuclear policy documents alongside interviews with Kubrick s collaborators It focuses on the myths surrounding the film such as the origins and transformation of the

straight script versions into what Kubrick termed a nightmare comedy It assesses Kubrick s account of collaborating with the writers Peter George and Terry Southern against their individual remembrances and material archives Peter Sellers s improvisations are compared to written scripts and daily continuity reports showcasing the actor s brilliant talent and variations

The Real Pink Panther Robert Sellers,2025-04-28 Unveils the untold story of the iconic franchise exploring its origins secrets and the complex legacy of Peter Sellers The Pink Panther series is one of the most enduring and financially successful franchises in movie history beginning with 1963 s The Pink Panther which introduced audiences to the iconic Inspector Clouseau unforgettably played by Peter Sellers Drawing on previously unseen material and exclusive interviews with stars of the films and crew members along with friends and colleagues of Peter Sellers Robert Sellers presents for the very first time the untold story and some of the secrets behind the Pink Panther films The original Pink Panther movie proved popular enough to spawn eight sequels The films also inspired a popular animated TV series based on the pink panther cartoon character that appeared in the film s credit sequences There were also spin off toys games clothes even breakfast cereal In the 2000s comedy legend Steve Martin twice stepped into the role of Inspector Clouseau But behind the laughs there was madness and darkness and at the series heart was one of cinema s most tragic figures Peter Sellers A comedic genius Sellers could be temperamental unprofessional and unpredictable Add to that a heart problem Sellers feared could kill him at any moment This book reveals many of the Pink Panther s secrets for the first time shining a spotlight behind the scenes at the making of some of the most beloved comedies of all time and the extraordinary personalities that brought them to life

Remembering Ronnie Barker Richard Webber,2010-10-07 Ronnie Barker was one of our most respected and best loved comedy actors and here in this fascinating biography Richard Webber delves deep in to the heart of Barker s life and career peppering his narrative with original and incisive memories from some of Barker s closest contemporaries including Ronnie Corbett Michael Palin and Barry Cryer Star of the much adored comedy classics Porridge The Two Ronnies one of the most successful and long running television comedy shows ever on British television and Open All Hours Ronnie Barker was universally admired by the public and industry insiders alike From his early days writing for and performing skits on The Frost Report right up to his retirement in 1988 he lit up television screens across the country with his wonderful gift for comedy and his remarkable skill for character acting Beyond his performances on the stage and screen Barker was also an accomplished comedy writer providing many of the sketches and songs for The Two Ronnies and contributing material to a number of other television and radio shows And despite his retirement he retained pole position in the public s affection returning to the screen in 1999 to team up with his erstwhile comedy partner and great friend Ronnie Corbett for a Two Ronnies night on BBC1 followed by a BAFTA tribute in 2004 and a final appearance on television in 2005 on The Two Ronnies Christmas Sketchbook Effortlessly funny universally adored and an actor and writer responsible for some of Britain s best loved and most respected comedy Ronnie Barker was a true comedy legend Here he s brought to the page in winning style as

he is remembered by those who best loved and knew him James Bond in World and Popular Culture Jack Becker, Robert G. Weiner, B. Lynn Whitfield, 2012-12-04 James Bond in World and Popular Culture The Films are Not Enough provides the most comprehensive study of the James Bond phenomena ever published The 40 original essays provide new insights scholarship and understanding to the world of James Bond Topics include the Bond girl Bond related video games Ian Fleming's relationship with the notorious Aleister Crowley and CIA director Alan Dulles Other articles include Fleming as a character in modern fiction Bond Jr comics the post Fleming novels of John Gardner and Raymond Benson Bond as an American Superhero and studies on the music dance fashion and architecture in Bond films Woody Allen and Peter Sellers as James Bond are also considered as are Japanese imitation films from the 1960s the Britishness of Bond comparisons of Bond to Christian ideals movie posters and much more Scholars from a wide variety of disciplines have contributed a unique collection of perspectives on the world of James Bond and its history Despite the diversity of viewpoints the unifying factor is the James Bond mythos James Bond in World and Popular Culture The Films are Not Enough is a much needed contribution to Bond studies and shows how this cultural icon has changed the world **Sunshine After Rain** Sagar Singh, 2016-11-04 Evoking both the exotic and the mundane using images that reverberate in the mind the author breathes life into short pieces poems that leave behind an imprint Writing poems since teenage years this now mature writer uses both traditional and modern forms including impressionism and surrealism This is meant to be your new companion of contemporary literature that you would want to keep by your bedside to read at leisure whenever the mood arises *Hammer Complete* Howard Maxford, 2019-11-08 Think you know everything there is to know about Hammer Films the fabled Studio that Dripped Blood The lowdown on all the imperishable classics of horror like The Curse of Frankenstein Horror of Dracula and The Devil Rides Out What about the company's less blood curdling back catalog What about the musicals comedies and travelogues the fantasies and historical epics not to mention the pirate adventures This lavishly illustrated encyclopedia covers every Hammer film and television production in thorough detail including budgets shooting schedules publicity and more along with all the actors supporting players writers directors producers composers and technicians Packed with quotes behind the scenes anecdotes credit lists and production specifics this all inclusive reference work is the last word on this cherished cinematic institution **Film Review**, 1991 *Knight on the Potomac* Mary Fitzgerald, 2013-02-15 Rupert Knight is struggling to adjust to his new life as an hotelier in rural West Virginia It's a far cry from his previous vocation as a London art expert There is the culture shock the accents the job itself and then there are the dead bodies Nothing spoils a guest's day more **A Splurc in the Kisser** Sam Wasson, 2011-07-21 With one of the longest and most controversial careers in Hollywood history Blake Edwards is a phoenix of movie directors full of hubris ambition and raving comic chutzpah His rambunctious filmography remains an artistic force on par with Hollywood's greatest comic directors Lubitsch Sturges Wilder Like Wilder Edwards's propensity for hilarity is double helixed with pain and in films like Breakfast at Tiffany's Days

of Wine and Roses and even The Pink Panther we can hear him off screen laughing in the dark And yet despite those enormous successes he was at one time considered a Hollywood villain After his marriage to Julie Andrews Edwards s Darling Lili nearly sunk the both of them and brought Paramount Studios to its knees Almost overnight Blake became an industry pariah which ironically fortified his sense of satire as he simultaneously fought the Hollywood tide and rode it Employing keen visual analysis meticulous research and troves of interviews and production files Sam Wasson delivers the first complete account of one of the maddest figures Hollywood has ever known War Representation in British Cinema and Television Kevin M. Flanagan, 2019-10-25 This book explores alternatives to realist triumphalist and heroic representations of war in British film and television Focusing on the period between the Suez Crisis of 1956 and the Falkland War but offering connections to the moment of Brexit it argues that the lost continent of existential satirical simulated and abstractly traumatic war stories is as central to understanding Britain s martial history as the mainstream inheritance The book features case studies that stress the contribution of exiled or expatriate directors and outsider sensibilities with particular emphasis on Peter Watkins Joseph Losey and Richard Lester At the same time it demonstrates concerns and stylistic emphases that continue to the present in television series and films by directors such as Lone Scherfig and Christopher Nolan Encompassing everything from features to government information films the book explores related trends in the British film industry popular culture and film criticism while offering a sense of how these contexts contribute to historical memory Bounder! Graham McCann, 2011-12-01 With his sly little moustache broad gap toothed grin garish waistcoats and ostentatious cigarette holder Terry Thomas was known as an absolute bounder both onscreen and off Graham McCann s hugely entertaining biography celebrates the life and career of a very English rascal Born in 1911 into an ordinary suburban family Thomas Terry Hoar Stevens set about transforming himself at a very early age into a dandy and a gadabout But he did not put the finishing touches to his persona until the mid 1950s with his groundbreaking TV comedy series How Do You View a forerunner of The Goon Show and Monty Python Terry Thomas went on to carve out a long and lucrative career in America appearing on TV alongside Judy Garland Bing Crosby and Lucille Ball and in Hollywood movies with Jack Lemmon Rock Hudson and Doris Day He became every American s idea of a mischievous English gent After a long battle with Parkinson s disease he died in 1990 in comparative obscurity but his influence lives on Basil Brush was a polyester tribute to Terry Thomas and comedians including Vic Reeves and Paul Whitehouse hail T T as a role model Dandyism is the product of a bored society D Aurevilly observed Terry Thomas cocked a snook at the dull sobriety of post war Britain with his sly humour As he would say himself Good show **When Music Migrates** Jon Stratton, 2016-02-17 When Music Migrates uses rich material to examine the ways that music has crossed racial faultlines that have developed in the post Second World War era as a consequence of the movement of previously colonized peoples to the countries that colonized them This development which can be thought of in terms of diaspora can also be thought of as postmodern in that it reverses the

modern flow which took colonizers and sometimes settlers from European countries to other places in the world Stratton explores the concept of song careers referring to how a song is picked up and then transformed by being revisioned by different artists and in different cultural contexts The idea of the song career extends the descriptive term cover in order to examine the transformations a song undergoes from artist to artist and cultural context to cultural context Stratton focuses on the British faultline between the post war African Caribbean settlers and the white Britons Central to the book is the question of identity For example how African Caribbean people have constructed their identity in Britain can be considered through an examination of when Police on My Back was written and how it has been revisioned by Lethal Bizzle in its most recent iteration At the same time this song written by the Guyanese migrant Eddy Grant for his mixed race group The Equals crossed the racial faultline when it was picked up by the punk rock group The Clash Conversely Johnny Reggae originally a pop ska track written about a skinhead by Jonathan King and performed by a group of studio artists whom King named The Piglets was revisioned by a Jamaican studio group called The Roosevelt Singers After this the character of Johnny Reggae takes on a life of his own and appears in tracks by Jamaican toasters as a Rastafarian Johnny s identity is then totally transformed It is this migration of music that will appeal not only to those studying popular music but [Subject Guide to Books in Print](#) ,1993 *Kubrick's Story, Spielberg's Film* Julian Rice,2017-06-16 In 1963 Stanley Kubrick declared Dr Strangelove came from my desire to do something about the nuclear nightmare Thirty years later he was preparing to film another story about the human impulse for self destruction Unfortunately the director passed away in 1999 before his project could be fully realized However fellow visionary Steven Spielberg took on the venture and A I Artificial Intelligence debuted in theaters two years after Kubrick s death While Kubrick s concept shares similarities with the finished film there are significant differences between his screenplay and Spielberg s production In Kubrick s Story Spielberg s Film A I Artificial Intelligence Julian Rice examines the intellectual sources and cinematic processes that expressed the extraordinary ideas of one great artist through the distinctive vision of another A I is decidedly a Kubrick film in its concern for the future of the world and it is both a Kubrick and a Spielberg film in the alienation of its central character However Spielberg s alienated characters evolve through friendships while Kubrick s protagonists are markedly alone Rice explores how the directors disparate sensibilities aligned and where they diverged By analyzing Kubrick s treatment and Spielberg s finished film Rice compares the imaginations of two gifted but very different filmmakers and draws conclusions about their unique conceptions Kubrick s Story Spielberg s Film is a fascinating look into the creative process of two of cinema s most profound auteurs and will appeal to scholars of film as well as to fans of both directors **'For Their Rock is not as Our Rock'** Daniel Strange,2015-05-08 The reality of our post Christendom post colonial post Holocaust post 9 11 multi ethnic and multicultural context has meant that more than ever Christians are acutely aware of the questions posed not simply by the existence of other religions but also by their apparent flourishing If secularization is still alive and well then seemingly so too is society s

sacralization Hence the theology of religions is arguably the issue for mission in the twenty first century However there has been little evangelical theology that offers a detailed comprehensive and biblically faithful analysis that deals with not only the question of salvation but also questions of truth the nature and history of human religiosity and a host of practical issues pertaining to apologetics and contextualization In this ambitious interdisciplinary study which synthesizes close exegesis biblical theology systematics and insights from the social sciences Daniel Strange examines the origins development and idolatry of the religious Other and explores how the gospel of Jesus Christ is its subversive fulfilment He concludes with a missiological postscript and some pastoral perspectives on the purpose of other religions in God s providence **Their Rock Is Not Like Our Rock** Daniel Strange,2015-02-03 The reality of the West s post Christendom multiethnic multicultural context has meant that more than ever Christians face questions posed not simply by the existence of other religions but also by their apparent flourishing If secularization is alive and well then so too is society s sacralization Hence a theology of religions is arguably the most significant concern confronting Christian mission and apologetics in the twenty first century There has been little evangelical theology offering a detailed comprehensive and biblically faithful analysis not only of the question of salvation but also questions of truth the nature and history of human religiosity and a host of other issues pertaining to Christian apologetics and contextualization amid religious pluralism In *Their Rock is Not Like Our Rock* lecturer and vice principal of Oak Hill College in London Daniel Strange explores these issues and offers the beginning of a theology of other religions *Whitaker's Books in Print* ,1998
