Reminiscence Of An Old Combat Soldier Of World War I:

Reminiscence of an Old Combat Soldier of World War I Arbor Dell Fields,1990-01-01 Antipodes: Memories and Thoughts of a Vietnam War Combat Soldier ,2008-05-19 Edgardo Santiago was born in 1946 in Puerto Rico In 1969 he was drafted into the Army trained as an infantry soldier and in 1970 was sent to Vietnam In Vietnam he was made a point man He served with the 199th Infantry Brigade and later on with the 25th Infantry Division Santiago was wounded in combat while walking the point In 1971 he was honorably discharged and returned to Puerto Rico In his book Santiago takes the reader from his childhood to Vietnam and through his subsequent career with the FDA from San Juan Puerto Rico to Virginia Along the way he tells about the pains of dealings with the effects of combat not only on him but also on the nation More than about telling war stories this book is about insight about what the author felt and thought before during and after his tour of duty in the other side of the world

World War II and My Military Memories Murray Coffey,2016-05-17 World War II and My Military Memories takes the reader from the author s beginnings in the small town of Myrtle Mississippi where he heard many stories about the First World War from his three uncles Then to the ROTC getting an education at a tough war college then into the service and lots of specialized training and on to combat in Europe in World War II while serving most of the time in the 89th Infantry Division There are stories about the Battle of the Bulge the Rhine River Crossing in Germany liberation of the Ohrdruf Concentration Camp and the then unknown horrors of the Holocaust After the war came service in the Occupation Army with numerous escapades some serious and many that were fun and humorous Later came the Reserves a near miss on the Korean War then completing an education and building a career after the war and finally a trip back to Europe to re live old memories many years later that included a visit to East Germany before the Berlin wall came down

American Soldiers Peter S. Kindsvatter,2003-04-03 Some warriors are drawn to the thrill of combat and find it the defining moment of their lives Others fall victim to fear exhaustion impaired reasoning and despair This was certainly true for twentieth century American ground troops Whether embracing or being demoralized by war these men risked their lives for causes larger than themselves with no promise of safe return This book is the first to synthesize the wartime experiences of American combat soldiers from the doughboys of World War I to the grunts of Vietnam Focusing on both soldiers and marines it draws on histories and memoirs oral histories psychological and sociological studies and even fiction to show that their experiences remain fundamentally the same regardless of the enemy terrain training or weaponry Peter Kindsvatter gets inside the minds of American soldiers to reveal what motivated them to serve and how they were turned into soldiers He recreates the physical and emotional aspects of war to tell how fighting men dealt with danger and hardship and he explores the roles of comradeship leadership and the sustaining beliefs in cause and country He also illuminates soldiers attitudes toward the enemy toward the rear echelon and toward the home front And he tells why some broke down under fire while others excelled Here are the first tastes of battle as when a green recruit reported that for the first time I realized that

the people over the ridge wanted to kill me while another was befuddled by the unfamiliar sound of bullets whizzing overhead Here are soldiers struggling to cope with war s stress by seeking solace from local women or simply smoking cigarettes And here are tales of combat avoidance and fraggings not unique to Vietnam of soldiers in Korea disgruntled over home front indifference and of the unique experiences of African American soldiers in the Jim Crow army By capturing the core band of brothers experience across several generations of warfare Kindsvatter celebrates the American soldier while helping us to better understand war s lethal reality and why soldiers persevere in the face of its horrors *Traumatic Memories of the Second World War and After* Peter Leese, Jason Crouthamel, 2016-10-05 This collection investigates the social and cultural history of trauma to offer a comparative analysis of its individual communal and political effects in the twentieth century Particular attention is given to witness testimony to procedures of personal memory and collective commemoration and to visual sources as they illuminate the changing historical nature of trauma The essays draw on diverse methodologies including oral history and use varied sources such as literature film and the broadcast media The contributions discuss imaginative communal and political responses as well as the ways in which the later welfare of traumatized individuals is shaped by medical military and civilian institutions Incorporating innovative methodologies and offering a thorough evaluation of current research the book shows new directions in historical trauma studies *Memories and Life Lessons from the Magic Tree House* Mary Pope Osborne, 2022-09-06 Celebrate the 30th anniversary of the 1 New York Times bestselling series with heartfelt advice from Mary Pope Osborne s own life and her magical adventures with Jack and Annie perfect for Magic Tree House fans of all ages Look for heroes far and near Give your gifts to the world Have compassion for all creatures These are just a few of the lessons that Magic Tree House fans will learn on their magical journey through this book With quotes from the series and classic art by Sal Murdocca Mary Pope Osborne beloved author of the 1 bestselling Magic Tree House series shares the wisdom she s gained from her own childhood and thirty years of whisking Jack and Annie away in the magic tree house *One Soldier's Memories* Harold F. Kratch, 2006-08 Kratch recalls his interests fears and amusing situations during his service in two wars and offers an opinion about the country being unprepared for the old wars Practical Life **Military Law Review** , 1999 *Altered Memories of the Great War* Mark David Sheftall, 2010-01-30 The experiences of World War I touched the lives of a generation but memories of this momentous experience vary enormously throughout the world In Britain there was a strong reaction against militarism but in the Dominion powers of Canada Australia and New Zealand the response was very different For these former colonial powers the experience of war was largely accepted as a national rite of passage and their pride and respect for their soldiers sacrifices found its focus in a powerful nationalist drive How did a single supposedly shared experience provoke such contrasting reactions What does it reveal about earlier pre existing ideas of national identity And how did the memory of war influence later ideas of self determination and nationhood *Altered Memories of the Great War* is the first book to compare the

distinctive collective narratives that emerged within Britain and the Dominions in response to World War I It powerfully illuminates the differences as well as the similarities between different memories of war and offers fascinating insights into what this reveals about developing concepts of national identity in the aftermath of World War I *World War I Reminiscences* Col. John H. Roush Jr., 2013-03-28 This volume presents a dramatic collection of significant combat experiences of 79 men in WWII as told from one combat veteran to another In the 86 chapters are stories involving all the various branches of combat service and all of the various theaters of war Within reminiscences veterans of dangerous encounters are much more apt to open up with details in discussions with men who have also experienced combat Many find it emotionally distressing to talk of the war with the general public or to recall the horrors of warfare This is not a history book nor any attempt to tell the big picture of grand campaigns Instead it is a collection of personal involvements in one at a time incidents of conflict Many ask what was it like in WWII for our conflicts in recent years have been vastly different It has been said that war has become and continues to be an intractable social phenomenon While some say its elimination is necessary to the survival of mankind we do not seem to have approached closer to that elimination in the sixty seven years since WWII ended Encounters of Warfare remain a stark reality within the present era That being so perhaps we should read of what happened as recalled in the most vivid memories of men involved in the most overpowering conflict of modern warfare Sincerely John Roush
