Reminiscences And Reflections:

Reminiscences and Reflections John McLeod Campbell, 1873 **Reminiscences and Reflections, Referring to His Early Ministry in the Parish of Row, 1825-31. By the Late J. M. Campbell, D.D. Edited, with an Introductory Narrative, by His Son Donald Campbell** John MacLeod CAMPBELL (Minister of Blackfriars Street Chapel, Glasgow.), 1873

Being Lucky Herman B Wells, 2012-04-25 The autobiography of the legendary Indiana University president as he originally intended Painstakingly restored from original archival materials and featuring over a dozen fascinating vignettes and talks that were cut from the original edition *Being Lucky Reminiscences and Reflections The Complete Edition* is a must read for Hoosiers everywhere In this absorbing autobiography Herman B Wells recalls his small town childhood the strong influence of his parents and his pioneering work with Indiana banks during the Great Depression His first contact with Indiana University was as an undergraduate in 1921 when the still provincial school had fewer than three thousand students At the end of his twenty five year tenure as president in 1962 IU had gained an international reputation and a student body that would soon exceed 30 000 Wells reflections on his years as university president are both lighthearted and illuminating They describe in candied detail how he approached the job his observations on effective administration his thoughts on academic freedom and tenure his approach to student and alumni relations and his views on the role of the university as a cultural center Also included are his fifty maxims for young college presidents Finally Wells discusses the national and international service that helped shape his presidency and the university *Being Lucky* is a nourishing brew of the memories advice wit and wisdom of a remarkable man Much more than the title might suggest this is a heart warming account of a young boy and his parents determined that a son should have a college education a classic and detailed account of his widening involvement with every aspect of higher education and a stirring story of a wise administrator Wells s life is an astonishing success story He was not just lucky he was careful and courageous *Journal of Higher Education Being Lucky* is as entertaining as it is informative Wells biographer James H Capshaw called it a manual of higher education management Reading Wells fascinating autobiography shows why it is no wonder that Indiana University is so proud of the great man and honors his accomplishments *Louisville Courier Journal* An honest report by a most successful educator and a tribute to a great university and to a man with foresight who also had the courage to act on his convictions *The Fort Wayne Journal Gazette* Wells s humor wit and humanity pervade every chapter *Indiana Magazine of History*

Parliamentary Reminiscences and Reflections, Vol. 2 George Hamilton,2018-01-18 Excerpt from Parliamentary Reminiscences and Reflections Vol 2 1889 1906 The kindly reception by the public of the first half of my Parliamentary Reminiscences induces me to complete them The period under review is full of incidents affecting the career and reputation of public celebrities The fact that I was in the inner ring of politics during the whole of this period gave me exceptional opportunities of examining and gauging the veracity of legends which have sprung up and wound themselves round the names of certain distinguished men of this epoch These versions have been generally accepted by the public as a true record of motive decision and consequences I have endeavoured to disentangle myth from fact and assumption from evidence I am well aware that in so writing I must necessarily come up against preconceived ideas based either on prejudice or predilection but the facts I narrate are not unfrequently more interesting than the suppositions they supersede About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
