## Reminiscences And Opinions Of Francis Doyle:

Reminiscences and Opinions of Francis Doyle Francis Doyle, 2014-03-30 This Is A New Release Of The Original 1887 Edition Reminiscences and Opinions of Sir Francis Hastings Doyle, 1813-1885 Sir Francis Hastings Charles Doyle (2d Bart.), 1887 *Wild for Austen* Devoney Looser, 2025-09-02 Incisive funny and deeply researched insights into the life writing and legacy of Jane Austen by the preeminent scholar Devoney Looser Thieves Spies Abolitionists Ghosts If we ever truly believed Jane Austen to be a quiet spinster scholar Devoney Looser puts that myth to rest at last in *Wild for Austen* These and many other events and characters come to life throughout this rollicking book Austen we learn was far wilder in her time than we've given her credit for and Looser traces the fascinating and fantastical journey her legacy has taken over the past 250 years All six of Austen's completed novels are examined here and Looser uncovers striking new gems therein as well as in Austen's juvenilia unfinished fiction and even essays and poetry Looser also takes on entirely new scholarship writing about Austen's relationship to the abolitionist movement and women's suffrage In examining the legacy of Austen's works Looser reveals the film adaptations that might have changed Hollywood history had they come to fruition and tells extraordinary stories of ghost sightings Austen novels cited in courts of law and the eclectic members of the Austen extended family whose own outrageous lives seem wilder than fiction Written with warmth humor and remarkable details never before published *Wild for Austen* is the ultimate tribute to Jane Austen **The London Quarterly Review**, 1887 The Saturday Review of Politics, Literature, Science and Art, 1886 **Reminiscences and Opinions of Sir Francis Hastings Doyle, 1813-188** Francis Hastings Charles Doyle (Sir, bart), 1887 Athenaeum and Literary Chronicle, 1842 *London Quarterly Review*, 1887 The Athenaeum, 1886 *Reminiscences and Opinions of Sir Francis Hastings Doyle* Sir Francis Hastings Doyle, 1887 *A Critical Dictionary of English Literature and British and American Authors* Samuel Austin Allibone, 1897 **A Critical Dictionary of English Literature, and British and American Authors, Living and Deceased, from the Earliest Accounts to the Middle of the Nineteenth Century** Samuel Austin Allibone, 1891 The Oxford Magazine, 1887 Reference Catalogue of Current Literature, 1888 **The Life and Times of Queen Victoria, with which is Incorporated "The Domestic Life of the Queen" by Mrs Oliphant ; Illustrated with Numerous Portraits, Views, and Historical Pictures** Robert Wilson, 1901 **The Annual Register**, 1887 **Henry Adams, Selected Letters** Henry Adams, 1992 Henry Adams has been called an indispensable figure in American thought Although he famously took his own life in the autobiographical *Education of Henry Adams* his letters more intimate and unbuttoned though hardly unselfconscious are themselves indispensable for an understanding of the man and his times This selection the first based on the authoritative 6 volume *Letters* represents every major private and public event in Adams's life from 1858 to 1918 and confirms his reputation as one of the greatest letter writers of his time Adams knew everyone who was anyone and went almost everywhere and true to the Adams family tradition recorded it all These letters to an array of correspondents

from American presidents to Henry James to 5 year old honorary nieces reveal Adams's passion for politics and disdain for politicians his snobbish delight in society and sincere affection for friends his pose of dilettantism and his serious ambitions as writer and historian his devastation at his wife's suicide and his acquiescence in the role of Elizabeth Cameron's tame cat his wicked humor at others' expense and his own reflexive self-depreciation This volume allows the reader to experience 19th century America through the eyes of an observer on whom very little was lost and to make the acquaintance of one of the more interesting personalities in American letters As Ernest Samuels says in his introduction The letters lift the veil of old age disenchantment that obscures the Education and exhibit Adams as perhaps the most brilliant letter writer of his time What most engages one in the long course of his correspondence is the tireless range of his intellectual curiosity his passionate effort to understand the politics the science and the human society of the world as it changed around him It is as literature of a high order that his letters can finally be read "Right Makes Might" Wolfgang Mieder,2019-04-04 A powerful and timely addition to the literature of rhetoric and folklore Choice In 1860 Abraham Lincoln employed the proverb Right makes might opposite of the more aggressive Might makes right in his famed Cooper Union address While Lincoln did not originate the proverb his use of it in this critical speech indicates that the fourteenth century phrase had taken on new ethical and democratic connotations in the nineteenth century In this collection famed scholar of proverbs Wolfgang Mieder explores the multifaceted use and function of proverbs through the history of the United States from their early beginnings up through their use by such modern day politicians as Barack Obama Hillary Rodham Clinton and Bernie Sanders Building on previous publications and unpublished research Mieder explores sociopolitical aspects of the American worldview as expressed through the use of proverbs in politics women's rights and the civil rights movement and by looking at the use of proverbial phrases Mieder demonstrates how one traditional phrase can take on numerous expressive roles over time and how they continue to play a key role in our contemporary moment *The Annual Register* Edmund Burke,1887 Continuation of the reference work that originated with Robert Dodsley written and published each year which records and analyzes the year's major events developments and trends in Great Britain and throughout the world From the 1920s volumes of The Annual Register took the essential shape in which they have continued ever since opening with the history of Britain then a section on foreign history covering each country or region in turn Following these are the chronicle of events brief retrospectives on the year's cultural and economic developments a short selection of documents and obituaries of eminent persons who died in the year **The Life and Poetry of George Darley** Donald J. Lange,2020-09-04 This book is a monumental work on the late Romantic Irish poet George Darley with a scholarly edition of his complete poetry and a new biography The text of each poem is meticulously edited from manuscript and printed sources For the first time Darley is established as a translator of the First Book of Virgil's *Aeneid* A newly discovered manuscript of Darley's 70 *Lenimina Laborum* poems enriches the edition while the celebrated *Nepenthe* is authoritatively presented with Darley's manuscript running

headnotes The book introduces over 40 new manuscript letters by Darley and discusses contemporary reviews of his work and a century of critical commentary Darley s influence on Tennyson is evaluated and his vast periodical contributions are examined In addition the insightful interpretation of *Nepenthe* by Edward Hutchinson Synge is presented This book will be of great interest to scholars of the Romantic period readers of contemporary periodical journalism and students of Irish literary history
